AUDITOR GENERAL'S REPORT
1921-22

PART a

GENERAL CORRESPONDENCE

RAPPORT DE L'AUDITEUR GÉNÉRAL
1921-22

PARTIE a

CORRESPONDANCE GÉNÉRALE

GENERAL CORRESPONDENCE

Competency of Council to grant to Officials coming under Part I of the Superannuation and Retirement Act the privilege of paying abatements on their salaries as temporary employees and adding to their length of service.

AUDIT OFFICE, December 10, 1921.

SIR,—I enclose herewith a copy of an Order in Council dated November 19 last, P.C. 4401, which granted to six officials of the Government the privilege of paying abatements for superannuation purposes on their salaries for those periods of their employment previous to their permanent appointment.

I am in receipt of applications to refund the amounts over-contributed by virtue of the above privilege, but before certifying payment of these claims I would like your opinion on certain points.

1. Was it competent for the Governor in Council to bring an employee of the Intercolonial Railway Offices and one of the Georgian Bay Survey, whether temporary or permanent, under the operations of the Civil Service Superannuation Act?

2. Would his eligibility be affected by the fact that he was paid at a daily or monthly rate of wage rather than a yearly salary? Would his temporary service, unauthorized by Order in Council, be considered as employment in an established capacity?

3. Is this Order in Council sufficient authority to permit abatements being now made on the salary paid to such an employee prior to his permanent appointment at Ottawa?

4. If the employee was appointed permanently after April 1, 1893, what rate of deduction should be made on his salary previous to that date?

I would draw your attention to an Order in Council of 7th January, 1884, granting the same privilege to temporary employees on their receiving permanent appointment. The privileges of this Order in Council were withdrawn by Order in Council 9th February, 1893.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Minister, Justice Department, Ottawa.

Treasury Board Minute, 15th November, 1921, approved by His Excellency the Governor General, 19 November, 1921.

FINANCE.—The Board had under consideration a memorandum from the Honourable the Minister of Finance, reporting that there has been brought to his attention several cases of Government officials who came under the operation of the Superannuation Funds from the date of their permanent appointments; that these officials, however, previous to their permanent appointment were in the employ of the Government, and as their cases now stand the period of their employment before being made permanent will not be taken into account when their retirement is considered.

The Minister states that previous to February, 1893, by Order in Council of the 7th January, 1884, temporary officials on being appointed to the permanent staff were allowed the privilege of placing themselves under the operation of the Superannuation Act as regards their temporary service.

The Minister therefore recommends that the undermentioned officials be allowed to pay into the Superannuation Funds abatements then in force on the salaries received by them

during their period of service prior to permanent appointment; and further, that a period of three months be allowed for such payments to be made and that when such payments are made the period of their employment previous to permanent appointment be allowed for superannuation purposes:—

G. A. Bell, Deputy Minister, Railways and Canals.
J. C. Saunders, Deputy Minister of Finance.
D. C. Campbell, Department of Marine and Fisheries.
D. B. Dowling, Geological Survey.
B. H. Fraser, Department of Marine and Fisheries.
W. J. Stewart, Department of Naval Service.

The Board concur in the above recommendation and submit the same for favourable consideration.

R. BOUDREAU, *Clerk, P.C.*

Privy Council, Canada, P.C. 4655—Order in Council December 21, 1921.—The Committee of the Privy Council, on the recommendation of the Minister of Finance, advise that the Minute of Council of the 19th November, 1921 (P.C. 48/4401), be amended by striking out the words "the undermentioned officials" in the first and second lines of the third paragraph thereof and inserting in lieu thereof the words "all officials subject to the provisions of Part I of the Civil Service Superannuation and Retirement Act who were appointed prior to the first day of July, 1898," and by striking out the list of officials therein contained.

RODOLPHE BOUDREAU, *Clerk, P.C.*

JUSTICE DEPARTMENT, January 5, 1922.

SIR,—I have the honour to acknowledge receipt of your letter of the 10th ultimo submitting, for my consideration, copy of Order in Council dated November 19th last (P.C. 48/4401) which purports to grant to six officials of the Government, named therein, the privilege of paying abatements for superannuation purposes on their salaries during the periods of their temporary employment previous to their permanent appointment. The amending Order in Council of the 21st December, 1921 (P.C. 4655), deletes the list of six officials and purports to extend the said privilege to all officials subject to Part I of the Civil Service Superannuation and Retirement Act who were appointed prior to the 1st day of July, 1898. You request my opinion upon four questions enumerated in your letter. My answers are as follows:—

As to No. 1: Yes, in the case of permanent employees who were paid a yearly salary, and also in the case of temporary employees who were employed in an established capacity and were paid a yearly salary.

As to No. 2: Two questions are asked. My answer to the first is as follows:—

If a temporary employee, paid at a daily or monthly rate of wage rather than a yearly salary, he would not be within the terms of para. (*b*) of sec. 2 of R.S.C., chap. 17, 1906; but if he was a permanent employee, I think he would be eligible notwithstanding that he was paid at a daily or monthly rate because in such case I think he would be virtually in receipt of a yearly salary representing the equivalent of his per diem or monthly rate of pay. This interpretation—in part at all events—seems to have been the administrative interpretation adopted in 1870 and acted upon, as I believe, ever since, as evidenced by clause 33 of the regulations approved by the Order in Council of the 1st December, 1870, which reads as follows:—

> "When any officer is permanently employed at a nominally per diem salary it shall for the future be included in the pay-lists at an equivalent per annum salary."

My answer to the second question is as follows: If the employment was not authorized by competent authority, that is to say, by the Minister of Railways and Canals, in the case of the Intercolonial Railway employee, and by the Minister of Marine and Fisheries, in the case of the Georgian Bay Survey employee, under statutory authority in that behalf, or if there was no such statutory power, by or under the authority of an Order in Council, then I am of the opinion that the service

of the employee, even though related to the performance of duties of continuing indeterminate duration, cannot be considered service in an established capacity. Certainly, in the case of a temporary employee to whom the Civil Service Act then in force applied, his employment, if not authorized by Order in Council, cannot be regarded as employment in an established capacity. The ruling which this department gave to the Deputy Minister of Finance on April 24, 1896, in the case of Mr. D. A. C. McDonald, proceeds upon this view.

As to No. 3: I think the Orders in Council of November 19th and December 21st, 1921, are valid to the extent that they purport to authorize the payment of abatements in respect of an official's temporary service prior to his permanent appointment, with a view to giving such employee the benefit of the period of his temporary employment for the purposes of Part I of the Civil Service Superannuation and Retirement Act, where the employee, though temporary in point of status, actually served in an established capacity, but not to any further extent.

The term "established capacity" is not a technical expression or a term of art, and the peculiar sense in which it is used in any sentence is to be determined by the context. In the Civil Service Superannuation and Retirement Act it appears to be intended to describe service in a permanently fixed or settled position or function of a civil branch of the public service in or under the several departments of the Executive Government of Canada. So interpreted, the expression applies to (1) employees permanently appointed, and (2) to such temporary employees as were appointed under and in accordance with the provisions of the Civil Service Acts in force from time to time, or, in the case of those portions of the Civil Service to which these Acts did not apply, who were appointed by competent authority (i.e. by Act or resolution of Parliament or by the Governor in Council in the exercise of subsisting executive powers in that behalf, or by an officer or agent of Parliament or of the Crown duly authorized in that behalf) to perform duties in a permanently fixed or settled position or function of the Government service. I think such temporary employees ought to be recognized as having served in an established capacity, upon the view that this expression refers to the nature of the duties to be performed rather than to a limitation affecting the tenure of office or the status of the employee.

As to No. 4: The rate of deduction which should be made in the case of such employees should be the rate which was prescribed by the statute in force during the period of their temporary employment.

I am, sir, your obedient servant,

E. L. NEWCOMBE, *D.M. of J.*

The Auditor General.

Eligibility of temporary employees to be granted permanent status

AUDIT OFFICE, March 17, 1922.

SIR,—By the Order in Council of October 31st last, P.C. 4045, certain temporary employees in the Topographical Surveys Branch of your department are given permanent status in accordance with the general Order of December 16th, 1920 (P.C. 2958).

One of the requirements of this previous Order is that the employees must be occupying positions which are regarded by the department and the Civil Service Commission as of a permanent nature. The two classes of positions affected are Chief of Party (General Surveys) and Assistant to Dominion Land Surveyor. According to the official classification the remuneration established for these posi-

tions is respectively $9 and $7 per day for each full day of service as required, thus indicating that the employment is seasonal rather than continuous, for the whole year or from one year to another. In the Manual of Instructions it is prescribed that the salary of a surveyor commences on the day he leaves home for the field, that he shall be paid for every day while engaged upon matters connected with the survey until his work is complete, but time spent upon work not connected with the survey shall be deducted.

The work of a Chief of Party is divided into the field work and the preparation of each officer's own returns which must commence immediately after the close of the field work but which shall not occupy a greater number of days than is deemed sufficient by the Surveyor General. The Work of the Assistant to Dominion Land Surveyor is entirely in the field, he being paid from the time he leaves home to report to the chief of his party and ceases when he reaches home after being discharged. From the above it would appear that these positions are not of a permanent nature within the meaning usually applied to the word "permanent." This view would appear to be corroborated by the Order in Council of May 20th, 1918 (P.C. 58/1233), which increased the rates of pay for Dominion Land Surveyor for the reason of "it having been found that the present rates have become inadequate for professional men whose employment is temporary and limited to a short survey season."

Please furnish me with a statement in detail of the services of these employees for the past five years.

After the completion of the field work during these years did these Chiefs of Parties all return to the Department at Ottawa to make their returns and also were any of them engaged for any time during these seasons on work of their own, either concurrently or separately from Government work?

Yours truly,

E. D. SUTHERLAND, *A.G.*

The Deputy Minister, Interior Dept.

INTERIOR DEPARTMENT, April 1, 1922.

DEAR SIR,—I beg to acknowledge the receipt of your letter of March 17th in which you point out objections to the permanent appointment by Order in Council of October 31st last, P.C. 4045, of certain temporary employees in the Topographical Surveys Branch, the two classes of employees affected by your remarks being those of Chief of Party and Assistant to Dominion Land Surveyor.

Enclosed, herewith, is a report from the Acting Surveyor General giving the information asked for in your letter. As we understand it, the old arrangements cannot be continued; these positions are held by the Civil Service Commission to be of a permanent nature and the extension of temporary employment cannot be continued. This is explained in the letter of the Assistant Secretary of the Commission, dated February 5th, 1922, of which copy is enclosed. The present members of the staff have been in employment for a considerable time, some of them for more than fifteen years. They have acquired training and experience which, in a technical staff, are invaluable, and it would be to the detriment of the service if this efficient organization were to be broken up.

I should be glad to have your advice as to how, in your opinion, this matter should be dealt with.

Yours very truly,

W. W. CORY, *D.M.*

The Auditor General.

INTERIOR DEPARTMENT, March 27, 1922.

Memorandum.—Referring to your memorandum of March 20th enclosing a letter from the Auditor General relating to the blanketing-in of surveyors and assistants, it is quite evident that the Auditor General's Office is not kept fully informed of the changes which have taken place in the character of the work done by this branch during recent years and its effect on the conditions of employment of surveyors.

Reference is made in the Auditor General's report to the Manual of Instructions and to an Order in Council of May 20th, 1918, in supporting the view that the surveyors were not occupying positions which were "continuous for the whole year, or from one year to another." As a marked change has taken place in the character of the work of the surveyors since the manual was last issued (1917) and since the date of the Order in Council referred to, these references cannot be depended upon for an indication of the employment of surveyors.

Previous to 1915 surveys were performed either under contract, or by surveyors under daily pay. Contract surveys were then eliminated and all surveys were performed under daily pay. Up to 1918 the surveys consisted principally of the survey of township and other boundary lines or of the survey of lakes. The surveyor was not then employed for the full season, although he was re-employed from one season to the other even without application. During 1918, and subsequently, a demand was made for information concerning Dominion lands for returned soldiers, for topographical maps and for surveys requiring the collection of much detail which in turn demanded the utilization in the office of the surveyor and his assistants for the full year in order that the department might have the full benefit of the surveyor's field experience in the preparation of maps and reports. These demands not only required his full time but also necessitated his steady employment on the particular class of work undertaken in order that he might so develop that he would become an expert on this work. For example, in 1918 land classification surveys were commenced for the express purpose of examining lands for soldier and general settlement. This necessitated the selection and training of men for this class of work, for it is obvious that without such training unreliable reports on lands would be made, resulting in the faulty location of settlers. Not only did this work entail the employment of the surveyor for the full year, but the experience he gained and the special training he was given made it imperative that he be retained on it from year to year. Similarly with revision of sectional sheets, topographical and other surveys.

During the war period, due to the desire for strictest economy as well as to the desire to free as many men as possible for overseas service, the amount of surveying done was reduced to a minimum and the seasons were shortened. A surveyor then was not employed for the full year. The appropriation was reduced from over a million dollars to six hundred thousand, which with the reduced value of the dollar represents a much greater reduction. The field staff was reduced from seventy-three in 1914 to thirty-nine Chiefs of Party, at present, of which some twenty-seven have been made permanent. In 1914 these seventy-three chiefs were employed some ten months of the year; at present the reduced staff with the help of the assistants are engaged for the full year.

Regarding the employment of the surveyors from year to year, it is significant that every Chief of Party employed to-day was first appointed to the department prior to 1914; that is seven years ago, and many of them have served over ten years and some over fifteen years.

Regarding the questions asked in the last paragraph of the Auditor-General's letter, most of the surveyors have come to Ottawa to make their returns. Others reported to the levelling office at Calgary, while two reported to Dominion Lands offices at

Kamloops and New Westminster. One remained at Edmonton and is at present in the field completing the opening out of a sleigh road located during the past season. With the exception of three surveyors, none were engaged on private work either concurrently or separately from Government work. In the case of these three surveyors, who were returned soldiers, applications were made for leave of absence without pay last spring before they were made permanent.

Because of the character of the work upon which the surveyors have been engaged since 1918 which necessitates their employment for the full year, because of the necessity for specialized training on particular classes of work and the utilization of their previous experience for the benefit of the work of the branch and because of the many years of service rendered, the department have considered that the surveyors have occupied and are occupying positions of a permanent nature.

Respectfully submitted.

T. SHANKS, for Surveyor General.

AUDIT OFFICE, April 11, 1922.

SIR,—I enclose herewith copies of correspondence between this office and the Department of the Interior in regard to certain temporary employees in the Topographical Surveys Branch who have been given permanent status by the Order in Council of October 31st last, P.C. 4045.

As this Order in Council was passed on the recommendation of the Civil Service Commission, they as well as the department having reported that they regarded the positions which these employees were occupying as being of a permanent nature, I have to request to be informed if you were then aware of the facts related in this correspondence and if you still consider the positions can properly be termed as of a permanent nature.

From the attached schedule it will be seen that in the majority of cases the service has not been continuous for the full year. Also in a great many cases men are classified and paid as Chiefs of Party and Assistants to Dominion Land Surveyor, who spend more than half the year in the office. In 1921-22 over half the employees named in this schedule spent less time in the field than in the office. By an examination of the classifications of the duties of these positions it will be seen that nearly all the duties enumerated are field duties rather than office work. This view is confirmed by the Manual of Instructions, in which no provision is made for time spent in an office by the Assistants to Dominion Land Surveyor and in the cases of the Chiefs of Party only for the time occupied by them in preparing their own returns.

In view of the fact that these officers are re-employed each year and that, in the majority of cases, they are not performing the duties enumerated in the official classifications of their positions continuously throughout the year, it is in my opinion doubtful if they are eligible to be classified permanently as Chiefs of Party and Assistants to Dominion Land Surveyor.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Secretary, Civil Service Commission.

CIVIL SERVICE COMMISSION, July 18, 1922.

DEAR SIR,—I am directed to inform you that the Civil Service Commission has carefully considered the correspondence submitted under date of the 11th of April last, in the above connection. It has carefully reviewed the figures you supply and has, in addition, taken into consideration the number of years of service, with the Topographical Surveys Branch, to the credit of each of the employees mentioned.

The Civil Service Commission is of the opinion, from the data available, that the positions in question are of a permanent nature and occupied in a bona fide manner.

Yours very truly,

W. FORAN, *Secretary.*

The Auditor General.

AUDIT OFFICE, July 29, 1922.

DEAR SIR,—I enclose herewith copy of a letter received from the Civil Service Commission in regard to the status of the employees of your department, who were classified as "Chief of Party, General Surveys," and "Assistant to Dominion Land Surveyor."

In view of the opinion of the Commission therein expressed that the positions are of a permanent nature and occupied in a bona fide manner, and thereby maintaining that their recommendations that these employees were eligible to be made permanent were in order, I will raise no further objections to your treating them as permanent employees.

I am, sir, your obedient servant,

WM. KEARNS, *Ass't. A.G.*

The Deputy Minister, Department of Interior.

Eligibility of Employees to be treated as permanent officials

AUDIT OFFICE, October 14, 1922.

DEAR SIR,—I find on an examination of the pay-lists of your department that certain of your staff of engineers, architects and other employees at Ottawa who were paid from your Outside Votes have been treated by you as permanent employees and given increases on reclassification and statutory increases similar to those granted the employees who received permanent appointments under the Civil Service Act.

I have to request to be informed of the statutory authority for considering them as other than temporary employees. They appear to have been in the same position as employees in other departments who were considered as temporary until granted permanent status as from April 1st, 1921, under the regulations contained in the Order in Council of December 16th, 1920, P.C. 2958.

Yours truly,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Public Works Department.

AUDIT OFFICE, November 16, 1922.

DEAR SIR,—Your attention is called to my letter of the 14th ultimo in which I requested certain information in regard to your staff of engineers, architects and other employees at Ottawa.

As this question concerns the status of these employees since April 1st, 1919, I would ask that the matter receive your early attention.

Yours truly,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Public Works Department.

DEPARTMENT OF PUBLIC WORKS, November 17, 1922.

SIR,—I beg to acknowledge receipt of yours of the 16th instant, concerning information requested relative to status of certain classes of employees of this Department, which will be taken up immediately with the Accountant's Branch of the Department.

Yours truly,

J. B. HUNTER, *D.M.*

The Assistant Auditor General.

Public Service Retirement Act

AUDIT OFFICE, November 7, 1922.

DEAR SIR,—Under an Order in Council of September 20th last your recommendation is approved that Colonel Duncan MacPherson be retired under the Public Service Retirement Act with an allowance based on his average salary for his period of seventeen years' service—nine years with the National Transcontinental Railway and eight with the Internment Operations Branch.

For the following reasons I am doubtful if it was ever contemplated that officers with such service as Colonel MacPherson's should be granted any privileges under the Public Service Retirement Act.

From July, 1905, to August, 1914, he was employed as an assistant engineer on the National Transcontinental Railway. That has always been considered as temporary employment. The conditions of such employment and the distinction that has always been drawn between it and employment under the control of the deputy heads in the Inside and Outside services of the various departments make it questionable whether the employees engaged on the building of that railway can be considered as "officers or employees in the public service—who were not appointed for a temporary purpose."

From December, 1914, to the present time he has been engaged as a staff officer on the Internment Operations Branch. That work would appear to be of a temporary nature also, as by an Order in Council of July 19th, 1920, P.C. 1610, Council approves of the report of the Minister of Justice in which he stated that "the work of the Internment Operations Branch of the Department of Justice is now completed." The Under Secretary of State, under whom Colonel MacPherson was subsequently placed, states that "although he occupies a temporary position it is one which may last indefinitely. The only certainty is that some time his services will not be required, but when that time will come it is not possible to say." The Deputy Minister of Justice has expressed the opinion that "he is not excluded as being a person appointed

'for a temporary purpose' for the reason that those words are to be construed having regard to the context as referring to the nature of the duties to be performed and not to a limitation affecting the duration of employment and status of the person appointed." The Act definitely states that an "officer" is not one employed for a temporary purpose, and the deputy minister of the department under whom Colonel MacPherson is now employed states that he occupies a temporary position. The minister of the department where he was formerly employed stated more than two years ago that the work of that branch was completed and Colonel MacPherson was then granted and paid a gratuity of one month's salary as a retiring allowance. These facts appear confirmative of the contention that he was employed for a temporary purpose only.

From the 1st September, 1914, to December, 1914, he was not in the service of the Government in any capacity. He therefore is excluded from the operations of the Act for the reason that subsection 2 of section 3, of the Act requires that every officer of his age to become eligible for an annuity "must have served continuously in the public service for not less than ten years." He has continued to draw salary as such officer from December, 1914, to August, 1922, a period of less than eight years. To overcome his exclusion under other sections of the Act because of this lack of service the Civil Service Commission recommended that he be made eligible under subsection 6 of section 3 of the Act. But in an opinion given by the Deputy Minister of Justice in a letter to the Civil Service Commission of October 27, 1921, he states: "In my opinion said subsection 6 merely enables the Commission to make a special recommendation concerning the determination of the amount of the gratuity or annuity which the officer is eligible to receive under other provisions of the Act. Hence if he were not otherwise eligible to receive an annuity he could not be made eligible under the authority of said section 6." As Colonel MacPherson was not eligible under other sections of the Act he cannot be made eligible in the manner recommended by the Civil Service Commission.

This Act was passed to provide for the dispensing with the services of officers charged with permanent duties. I find no evidence in it that Parliament intended to provide annuities for the occupants of positions, the duties of which would expire in the ordinary course of events. All the facts connected with Colonel MacPherson's case point to one conclusion, namely, that he was never an officer occupying a permanent position.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Secretary, Civil Service Commission.

CIVIL SERVICE COMMISSION, OTTAWA, November 13, 1922.

DEAR SIR,—I am in receipt of your communication of the 7th inst., with reference to the Order in Council of September 20th last authorizing the retirement of Lieutenant-Colonel Duncan MacPherson to be effected under the terms of the Public Service Retirement Act from the 1st July, 1922, and granting retiring allowances based on his average salary for a period of seventeen years' service.

You state that you are doubtful if it was ever contemplated that officers with such service as Colonel MacPherson should be granted any privilege under the Public Service Retirement Act, because you consider that Colonel MacPherson's service as Staff Officer of Internment Operations was of a temporary nature; that his service with the National Transcontinental Railway was also of a temporary nature, and therefore you do not consider that he was eligible for retirement under the terms of the

said Act. Furthermore, you consider that if Colonel MacPherson's last service was of such a nature as to entitle him to retirement under the said Act his continuous service would be considered to date from December, 1914, since there was a break in his service from the 1st September, 1914, to December, 1914. You therefore conclude that all the facts in connection with Colonel MacPherson's case point to one conclusion, namely, that he was never an officer occupying a permanent position.

In reply I may state that when a recommendation for Colonel MacPherson's retirement was first made to the Commission by the Under-Secretary of State the Commission considered Colonel MacPherson's eligibility for retirement doubtful and referred the matter to the Justice Department for a ruling. A copy of this ruling was sent you and I note you quote from it in your letter taking exception to the opinion of the Justice Department that Colonel MacPherson is not excluded as being a person appointed "for a temporary purpose." It was as a result of this ruling that the Civil Service Commission considered the recommendation of the Secretary of State for Colonel MacPherson's retirement.

In order to settle the point as to the amount of retiring allowances Colonel MacPherson should receive a further request for a ruling was made of the Justice Department as to the calculation of these allowances. This ruling dated November 3rd, a copy of which is enclosed, was later modified by a further ruling given on the 29th November, 1921, a copy of which is also enclosed.

Colonel MacPherson made an appeal against the amount of annuity he was to be granted asking to be given special consideration under subsection 6 of the Act. The Civil Service Commission was of the opinion that the special circumstances in his case would not warrant a report under the said subsection but Colonel MacPherson was so insistent that the matter was again referred to the Justice Department, which ruled that the Commission was competent to report the special circumstances to Council to grant Colonel MacPherson an annuity up to, but not in excess, of thirty-sixtieths of his average salary. However, the Civil Service Commissioners did not feel that the spirit of the Act would be carried out if a report to this effect were made and considered it undesirable to establish a precedent along these lines, and as a result of this decision the Commissioners reported the case to Council recommending that Colonel MacPherson's appeal be not allowed but that his retirement should be made effective with retiring allowances based on seventeen years' service. As a result of this the Order in Council to which you take exception was passed on the 20th September, 1922, and as this Order was passed as a result of the report made by the Civil Service Commissioners, based on the rulings of the Justice Department, with reference to Colonel MacPherson's case, the Commission is not in a position to take any further action with regard to the same.

Yours very truly,

W. FORAN, *Secretary.*

The Acting Auditor General.

JUSTICE DEPARTMENT, November 3, 1921.

SIR,—In reference to the proposed retirement of Lt.-Col. Duncan MacPherson, under the provisions of the Public Service Retirement Act, as amended, I desire to modify the view expressed in my letter to you of the 19th ultimo regarding Lt.-Col. MacPherson's title to an annuity under subsection 2 of section 3 of the said Act. I said that in view of the interruption of his continuous service in the "public service" between August, 1914, when he volunteered for active military service, and December, 1914, when he was appointed Staff Officer of Internment Operations, that he had not had the ten years' continuous service requisite to entitle him to an annuity

under the said provision, but on further consideration, I think this view must be modified. The terms of the definition of "officer," as amended by section 2 of chapter 49 of 1921, requires the words "served continuously in the public service" in subsection 2 of section 3 of the Act, to be understood in a larger and more liberal sense than that which they bore in the original enactment, namely, as comprehending not merely service which has been actually continuous throughout each year and from year to year, but also service for only a portion of each year if it has been continuous from year to year and not of the excepted description. The lapse in Lt.-Col. MacPherson's continuous service was of brief duration. Hence, I am of the opinion that Lt.-Col. MacPherson has "served continuously in the public service for not less than ten years" within the meaning of said subsection 2 of section 3 of the Act, and is, therefore, entitled to an annuity computed in the manner prescribed.

I am, sir, your obedient servant,

E. L. NEWCOMBE, *D.M. of J.*

The Secretary, Civil Service Commission.

JUSTICE DEPARTMENT, November 29, 1921.

SIR,—I have the honour to refer to your letters of the 5th and 14th instant, respectively, with accompanying copies of correspondence relating to the case of Lt.-Col. Duncan MacPherson, who is proposed to be retired under the provisions of the Public Service Retirement Act. The question which you submit is whether the Commission is competent to report the circumstances of employment previous to entrance into the public service, under subsection 6 of section 3 of the said Act, and to recommend that these circumstances should be taken into consideration in fixing the amount of Col. MacPherson's retiring allowance. It appears from the correspondence, however, that this is not the question which is raised by Col. MacPherson. It is quite clear from his letter of the 10th inst., to you, and from the Auditor General's letter of the 16th instant to you, that Col. MacPherson does not claim that his period of service with the Canadian Pacific Railway Company should be taken into account as part of his service for the purpose of computing his retiring allowance under the said Act. The question he is concerned about is whether it is competent to the Commission to recommend to the Governor in Council, under subsection 6 of section 3 of the said Act, that the special circumstances of his employment, length of service, and remuneration, to which he refers, should be taken into consideration with a view to increasing the annuity to which he is entitled, on the basis of his period of service in the public service, under subsection 2 of said section 3 of the Act, but not in excess of 30/60ths of his average salary; and I am of the opinion that this question is to be answered in the affirmative.

I am, sir, your obedient servant,

E. L. NEWCOMBE, *D.M. of J.*

The Secretary, Civil Service Commission.

Order in Council, P.C., 27th October, 1922.—The Committee of the Privy Council have had before them a report, dated 27th October, 1922, from the Secretary of State, submitting for consideration the subject of the retirement and superannuation of Lieutenant-Colonel Duncan MacPherson, Staff Officer in Charge of the Internment Operations Branch of the Department of the Secretary of State.

On account of the gradual decrease of the work of the Internment Operations Branch, and the prospect of an early absorption of the Branch by the Clearing Office,

a report was made to the Civil Service Commission by the Under-Secretary of State that Colonel MacPherson be retired under the provisions of the Public Service Retirement Act 1920, as amended 1921. This recommendation included a statement of reasons for special consideration of Colonel MacPherson's case, and a request that he be retired on an annuity based on thirty-sixtieths of his average salary.

The Minister states that among the special grounds for consideration in connection with Colonel MacPherson's case, the following circumstances should be considered:—

> Colonel MacPherson was born February 2, 1858, and is consequently 64 years of age. He was appointed Assistant Chief Engineer on the National Transcontinental Railway on the 1st July, 1905. In December, 1911, he was promoted to be Assistant to the Chairman, in charge of operation, which position he occupied until September, 1914. In August, 1914, he volunteered for active service, and in November of that year was given a position on the Militia Staff.
>
> In December, 1914, he was appointed Staff Officer Internment Operations, which position he has continued to occupy until the present time. Previous to his appointment on the National Transcontinental Railway, Colonel MacPherson had 24 years experience with the Canadian Pacific Railway, and he states that he was induced to leave that service and to sacrifice an accrued pension on the assurance of a better position and permanent employment on the operation of the Transcontinental Railway. He rose to the highest executive position on the Transcontinental Railway, with a salary of $7,500 per annum, which position he occupied on the outbreak of war.
>
> From the time that he entered work incident to the war his salary was reduced to less than half, so that his desire to do work of that nature cost him many thousands of dollars.

The Deputy Minister of Justice is of the opinion, in which the Secretary of State concurs, that the Superannuation allowance could be fixed on a basis of thirty-sixtieths of Colonel MacPherson's average salary for the last three years in Government Railway Service.

The Civil Service Commission, while expressing itself as in full sympathy with the claim put forward, has recommended retirement on a basis of seventeen-sixtieths of his average salary for full term of service, but in the lengthy correspondence between the Department of the Secretary of State and the Civil Service Commission the latter insist that they have no authority to make any recommendation as to the specific value of the very special circumstances, as they were chiefly matters of Departmental discipline, which they claim the Council alone have authority to adjust.

It is suggested that it would not be fair to Colonel MacPherson to reduce civil annuity based on Civil Service pay by allowing his small war service pay to lower the average on which to base the annuity, when by Orders in Council all other Government employees on service at least had their military pay supplemented up to the amount of civil pay, and all who enlisted prior to February 10th, 1915, had military pay plus full civil pay, and when they retire their pension will be based on their civil salaries, without considering military pay received on war service.

The Minister recommends that, in view of the unique circumstances of the case, Lieutenant Colonel Duncan MacPherson be retired from the Public Service on the 1st July, 1922, and that the amount of his superannuation allowance be fixed on a basis of thirty-sixtieths of his average salary during the last three years of his Government Railway service.

The Minister further recommends that Colonel MacPherson be allowed two months' salary from the date of his retirement, as provided for in the Act.

The Committee concur in the foregoing recommendations and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

AUDIT OFFICE, November 3, 1922.

DEAR SIR,—I am in receipt of an Order in Council of the 27th October, P.C. 2269, authorizing, on the recommendation of the Secretary of State, an annual allowance to Lt.-Col. Duncan MacPherson of thirty-sixtieths of his average salary during his last three years of service with the National Transcontinental Railway, approximately $7,500.

Under the Retirement Act an employee is entitled to an allowance of one-sixtieth for each year of service if he is an officer within the meaning of the Act. As Colonel MacPherson's period of service covered almost seventeen years an allowance of seventeen-sixtieths was recommended by the Civil Service Commission. The Act is equally explicit as to the process of calculation to be adopted so as to ascertain the average salary on which the allowance should be calculated. It is either the average salary of the last three years or the average for his whole length of service if this latter amount is the greater. His average salary for the last three years was $3,600, and the average for his whole service $4,655.87, and the Civil Service Commission recommended that the larger amount be accepted as the basis on which his allowance should be calculated. Their recommendation was approved by the Treasury Board and the Governor in Council, P.C. 138/1976. That Order in Council has now been cancelled by P.C. 2268 and another passed, P.C. 2269, which adds thirteen years to his service and increases the average salary by over $2,600. This Order in Council does not comply with the procedure established for making these retirements effective. The increased allowance has apparently not been approved by the Civil Service Commission nor in my opinion is it competent for the Civil Service Commission, under the powers given them in the Act, to recommend such increased allowance. Neither has the allowance been approved in the usual way by the Treasury Board.

If your department is under the impression that Colonel MacPherson may have his length of service and his average salary increased as provided in the Order in Council, please quote for my information the section or sections of the statute under which such power is conferred.

I should also like to have a copy of the opinion of the Deputy Minister of Justice that his superannuation allowance can be fixed on a basis of thirty-sixtieths of his average salary for the last three years in the Government Railway service.

I am, sir, your obedient servant,

The Under-Secretary of State. WM. KEARNS, *Asst. A.G.*

DEPARTMENT OF THE SECRETARY OF STATE, December 19, 1922.

SIR,—Referring to your letter of the 3rd ultimo, with reference to the proposed retirement of Lt.-Col. Duncan MacPherson under the provisions of the Retirement Act, I beg to enclose, herewith, copy of letter from Mr. E. L. Newcombe, Deputy Minister of Justice, to whom your letter was referred with a request for a ruling on the points raised therein.

I am, sir, your obedient servant,

THOMAS MULVEY, *Under-Sec. of State.*

The Assistant Auditor General.

DEPARTMENT OF JUSTICE, December 14, 1922.

SIR,—I have the honour to refer to your letter of the 7th ultimo, with accompanying papers, submitting, for my ruling, the question which the Assistant Auditor General has raised as to the validity of Orders in Council of the 27th October, 1922 (P.C. 2269, and P.C. 2268), relating to the retirement from the public service, under the provisions of the Public Service Retirement Act as amended, of Lt.-Col. D. MacPherson of the Internment Operations Branch of your department. The latter Order in Council purports to cancel Order in Council of the 20th September, 1922 (P.C. 138/1976), which, passed on the recommendation of the Civil Service Commission, provided for Col. MacPherson's retirement, under the said Act, on the basis of two months' salary gratuity plus a retiring annuity computed on the footing of 17/60ths of his average annual salary during the full period of his Government service; the former Order in Council (P.C. 2269), passed on the recommendation of the Honourable the Secretary of State for Canada and without reference to the Civil Service Commission, purports to provide for Lt.-Col. MacPherson's retirement, under the said Act, on the basis of two months' salary gratuity, plus retiring annuity calculated on the footing of 30/60ths of his average salary during the last three years of his Government railway service. The Assistant Auditor General impeaches the validity of these Orders in Council, on the ground that they were not passed in accordance with the procedure established by the Public Service Retirement Act in relation to the retirement of officers from the public service, and he adds his opinion that in any case the Civil Service Commission has not the power under this Act to recommend such an increased retiring allowance in the circumstances of Lt.-Col. MacPherson's case.

On the latter point, I desire to refer you to my letter of November 29, 1921, to the Secretary of the Civil Service Commission. I stated that the question raised by Lt.-Col. MacPherson was

> "Whether it is competent to the Civil Service Commission to recommend to the Governor in Council, under subsection 6 of section 3 of the said Act, that the special circumstances of his employment, length of service, and remuneration (to which he refers) should be taken into consideration with a view to increasing the annuity to which he is entitled, on the basis of his period of service in the public service, under subsection 2 of said section 3 of the Act, but not in excess of 30/60ths of his average annual salary."

and expressed my opinion in the affirmative. Accordingly, I do not maintain the Assistant Auditor General's objection on this point, and I may add that on my construction of said subsection 6 of section 3 of the Act, it is competent thereunder to the Governor in Council to approve of the recommendation of the Civil Service Commission, fixing an officer's retiring annuity at any amount, either less or more than what he would be entitled to receive under subsection 2 of said section 3.

I agree, however, that the Order in Council of October 27, 1922 (P.C. 2269), was not legally effective to authorize the computation of Lt.-Col. MacPherson's retiring annuity on the basis of 30/60ths of his average salary during the last three years of his Government railway service instead of 17/60th of his average annual salary during the full period of his employment in the public service, as this could only be done under subsection 6 of section 3 of the said Act upon the recommendation of the Civil Service Commission. In the narrative of the said Order in Council it is stated that the Civil Service Commission had insisted that "they have no authority to make any recommendation as to the specific value of the very special circumstances" of Lt.-Col. MacPherson's case, "as they were chiefly matters of departmental discipline, which they claim the Council alone have authority to adjust." This, however, is a mistaken view of the Act. The Commission is the authority, and the only

authority, whom the Act appoints to make any recommendation concerning the appraisal of "any special circumstances relating to the appointment, length of service, remuneration, salary or allowance" of any officer to be retired under the Act, in fixing the amount of his retiring gratuity or annuity. Their recommendation is subject to approval by the Governor in Council and no doubt this approval may be withheld in any particular case, but there can be no doubt that the duty of making any such recommendation is committed exclusively to the Commission.

I observe that the said Order in Council (P.C. 2269) contains the following statement:—

> "The Deputy Minister of Justice is of the opinion, in which the Secretary of State concurs, that the superannuation allowance could be fixed on a basis of 30/60ths of Colonel MacPherson's average salary for the last three years in Government railways service."

Lest any future action should be based upon this statement, I desire to say that I have no knowledge or record of ever having expressed an opinion in those terms, and it is necessary for me to add that such an opinion would be at variance with what I apprehend to be the clear sense and meaning of the Act. Under the provisions of subsection 2 of section 3, an officer's retiring annuity is required to be computed upon the basis "of his average salary for the last three years during which he was in the public service," or if that average is less than "the average of such officer's salary for the full term of his service," then upon the basis of the latter average. It was upon the latter basis that Lt.-Col. MacPherson was retired by Order in Council of September 20 last, and obviously the provision referred to does not admit of the computation of his retiring annuity on the basis of his average salary during the period of his employment with the National Transcontinental Railway, which was terminated in 1914.

I am, sir, your obedient servant,

E. L. NEWCOMBE, *D.M. of J,*

The Under-Secretary of State.

Public Service Retirement Act—Eligibility of persons retired from and reappointed to the service to be paid the full salary of their new position in addition to their retiring allowances.

AUDIT OFFICE, December 5, 1922.

DEAR SIR,—My attention has been called to the fact that Charles Groleau was employed in your department as Inspector of Works at Beloeil at $5 per day from October 19 to March 31 last.

Mr. Groleau was retired under the Public Service Retirement Act in August, 1921, with a retiring allowance of ten months' salary, the reason given being lack of employment.

If it was intended to employ Mr. Groleau in this new position why was he retired from the service of your department? It does not seem consistent with the purpose of the Act that an officer should be retired with an allowance of ten months' salary and shortly afterwards be assigned to another position in the service, thus enjoying at the same time the privileges of the Retirement Act and a salary in excess of that which he received before retirement.

Was the assignment to the new position made by the Civil Service Commission?

Yours truly,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Public Works Department.

DEPARTMENT OF PUBLIC WORKS, December 12, 1922.

SIR,—With reference to your letter of the 5th instant, stating that Mr. Charles Groleau was retired under the Public Service Retirement Act in August, 1921, with a retiring allowance of ten months' salary, and employed as inspector by this department at Beloeil at $5 per day from October 19 to March 31 last, please note the attached copy of a report from Mr. District Engineer J. L. Dansereau, dated November 16, 1921, explaining why Mr. Groleau was employed in this connection.

I would also direct your attention to the decision of the Department of Justice contained in letter from the Deputy Minister of Justice to the Secretary of the Civil Service Commission, dated November 22, 1921 (copy attached), in which it is stated that the Government is not entitled to be reimbursed payments of gratuity or an annuity which have been made to an employee retired under the provisions of the Public Retirement Act in the event of his re-employment in the Civil Service. It is to be pointed out that Mr. Groleau was not in receipt of a salary from September 1 to October 18 other than the amount received under his retiring allowance.

The assignment to the new position was not made by the Civil Service Commission for the reason given by Mr. Dansereau.

I quite agree with you that it does not seem consistent with the purpose of the Act that an officer should be retired with an allowance of ten months' salary and shortly afterwards be assigned to another position in the service, thus enjoying at the same time the privileges of retirement and the salary of the new position.

We have another similar case at the present time—that of Mr. H. C. Chapman. His position was abolished on the Engineering staff and he was retired with two months' leave and eight months' gratuity. He has been re-appointed by the Civil Service Commission as an Engineering Clerk on the staff of the Department of the Interior and, as this occured shortly after the two months' leave had expired, I called the attention of the Civil Service Commission to the necessity of a refund of the gratuity under the circumstances, and enclose you a copy of their reply.

It looks as if the point to which you call attention is recognized and legalized, notwithstanding its absurd features.

Yours truly,

J. B. HUNTER, *D.M.*

The Assistant Auditor General.

DEPARTMENT OF JUSTICE, November 22, 1921.

SIR,—Referring to your letter of the 31st ultimo, submitting, for my ruling, a question as to whether the Government is entitled to be reimbursed payments of gratuity or an annuity which have been made to an employee retired under the provisions of the Public Service Retirement Act in the event of his re-employment in the Civil Service, I am of the opinion that the question is to be answered in the negative.

I am, sir, your obedient servant,

E. L. NEWCOMBE, *D.M. of J.*

The Secretary, Civil Service Commission.

DEPARTMENT OF JUSTICE, October 25, 1922.

SIR,—I have the honour to reply to your letter of the 25th July last requesting a ruling on the following questions relating to the proposed re-employment of two employees of the Department of Customs and Excise, Mr. Narcisse Thibert, Windsor, Ont., and Mr. Martin Elliott, of Montreal, Que., who were retired from the service under the provisions of the Public Service Retirement Act, as amended.

(1) Are these employees eligible to be re-employed by the department in a temporary capacity; and

(2) If so should they be paid the difference between their former salary and their retiring allowance, or at the minimum salary of the class, or at the minimum salary of the class less the amount of their retiring allowance?

As to No. 1: These employees appear to have been retired on the recommendation of the Sub-committee of Council on Re-organization and Efficiency, and presumably, though no reason is expressly assigned, on account of lack of employment. In my opinion, they are eligible to be re-employed in a temporary capacity in the manner provided by the Civil Service Act and the regulations thereunder.

As to No. 2: They are entitled to be paid at the minimum rate for the class in which they are appointed, but I think it is competent to such an employee to contract himself out of the benefit of the statute in this respect by agreeing, as a term of his re-employment, to accept the difference between the said minimum rate and the amount of his retiring allowance.

I am, sir, your obedient servant,

E. L. NEWCOMBE, *D.M. of J.*

The Secretary, Civil Service Commission.

CIVIL SERVICE COMMISSION, December 11, 1922.

SIR,—I beg to acknowledge the receipt of your letter of the 7th instant with reference to the proposed assignment of Mr. H. D. Chapman to the Department of the Interior.

The Civil Service Commission is aware of the payments made to Mr. Chapman, but does not understand your reference to a special arrangement to be made in regard thereto on his reappointment to another position. Mr. Chapman was definitely retired from the Public Service under the provisions of the Public Service Retirement Act, 1920, as amended, and in recognition of his eight years' service he received a gratuity equal to eight months' salary. He received a further gratuity of two months' salary in lieu of one month's notice and one month's gratuity as provided by Section 3 (1) of the Act above mentioned. In view of the abolishment of his position he is eligible, under the provisions of subsection 3 of section 28 of the Civil Service Act, 1918. as amended, to be placed on the eligible list for the class of position from which he was laid off and this having been done his reassignment to the Department of the Interior as Engineering Clerk is quite in order. It is to be presumed that the eight months' salary gratuity given Mr. Chapman upon his retirement from the Department of Public Works is intended as compensation for the fact that his separation from the Service by Order in Council brings to a definite close that portion of his connection with the Public Service, and prevents any consideration of those years of service in reckoning the length of his appointment in connection with any future pension scheme, likewise the two months' salary gratuity in lieu of one month's notice and one month's salary gratuity can only be considered as the equivalent of the usual retiring leave granted to persons who are leaving the service. If Mr. Chapman had been placed on leave of absence with pay, for two months and had been assigned to another department within that period, his retiring allowance would have ceased as he could not receive pay from two departments for the same period of time. It may be pointed out, however, that the two months covered by the salary gratuity had already elapsed before any question of his reassignment arose and that he has actually been without employment or salary since the 1st December. It would not appear, therefore, that there can be any question of refund in this case.

I am, sir, your obedient servant,

WM. FORAN, *Secretary.*

The Deputy Minister, Public Works Department.

AUDIT OFFICE, January 2, 1923.

SIR,—In your letter of the 11th ultimo to the Department of Public Works in reference to the retirement of Mr. H. D. Chapman, under the Public Service Retirement Act and his re-assignment to the Service, you make the statement that "in view of the abolishment of his position he is eligible under the provisions of subsection 3 of section 28 of the Civil Service Act to be placed on the eligible list for the class of position from which he was laid off and this having been done his re-assignment to the Department of the Interior as Engineering Clerk is quite in order." I am of the opinion that the section of the Act to which you refer does not apply to those retired under the Public Service Retirement Act. An employee retired under this Act has his services terminated and he is no longer in the Service. He cannot be re-employed except under the same regulations that govern the employment of all persons appointed to the Service. In a letter from the Deputy Minister of Justice to you dated October 25th last he states "in my opinion those persons retired..... .....are eligible to be re-employed in a temporary capacity in the manner provided by the Civil Service Act and the regulations thereunder."

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Secretary Civil Service Commission.

AUDIT OFFICE, December 21, 1922.

DEAR SIR,—In the cases of certain of the employees retired under the Public Service Retirement Act, I find that after their retirement with the grant of either a gratuity or an annuity for life they have been reassigned to other positions in the service and are then paid the full salary of the new position in addition to the allowances under the Retirement Act. The Justice Department has ruled that it is permissible under that Act to pay these officials from these two sources no matter how much the amount received may be in excess of the salary of the former position. On the strength of this opinion the Civil Service Commission has reassigned these employees to the service with the full salary of the position and the department has paid that salary and the annuity is being paid as previously by the Finance Department.

I enclose copies of correspondence showing the opinions of the Justice Department on this matter.

As it seems to me that such a policy is contrary to the intent and purpose of the Act, I am bringing this matter to the attention of the Treasury Board so that if it sees fit it may take some action in the matter. As far as this office is concerned, I have no option in the matter but to approve the payments as authorized.

The evident purpose of the Government in submitting this legislation was one both of economy for the Government and justice to those retired. I do not consider it was ever contemplated that by this Act an official would be retired and subsequently re-appointed to the service, retaining at the same time his right to the retiring allowance granted him and the remuneration attached to his new position.

I am, sir, your obedient servant,

WM. KEARNS, *A.A.G.*

The Secretary of the Treasury Board.

CORRESPONDANCE GÉNÉRALE

Compétence du Conseil à accorder aux fonctionnaires tombant sous le coup de la Partie I de la Loi de la pension et du fonds de retraite le privilège de verser les retenues sur leurs appointements de fonctionnaires temporaires et d'ajouter ainsi à la durée de leurs services.

BUREAU DE L'AUDITEUR, 10 décembre 1921.

MONSIEUR,—J'inclus avec la présente une copie d'un arrêté en Conseil C.P. 4401, daté le 19 novembre dernier, qui accorde à six fonctionnaires du gouvernement le privilège de verser les retenues pour fins de pensions sur les appointements touchés pendant ces périodes d'emploi antérieures à leur nomination permanente.

J'ai reçu des demandes de remboursements de sommes versées en excédent en vertu du privilège susmentionné, mais avant d'autoriser le paiement de ces réclamations je désire connaître votre avis sur certaines questions.

1. Le Gouverneur en conseil avait-il le pouvoir de comprendre un fonctionnaire des bureaux du chemin de fer Intercolonial et un du service de l'Arpentage de la baie Georgienne, qu'ils soient temporaires ou permanents, dans l'application de la Loi de la pension du service civil?

2. Son éligibilité pourrait-elle être mise en doute du fait qu'il touchait un salaire quotidien ou mensuel plutôt que des appointements annuels? Est-ce que son service temporaire, non autorisé par arrêté en Conseil, est considéré comme emploi à un titre reconnu?

3. Est-ce que cet arrêté en Conseil est une autorisation suffisante pour permettre de faire des retenues actuellement sur les appointements versés à un tel fonctionnaire antérieurement à sa nomination permanente à Ottawa.

4. Si le fonctionnaire a été nommé à titre permanent après le 1er avril 1893, quelles sont les retenues qui doivent être faites sur les appointements touchés antérieurement à cette date?

J'attire votre attention sur un arrêté en Conseil du 7 janvier 1884 accordant le même privilège aux employés temporaires lorsqu'ils étaient nommés permanents. Les privilèges de cet arrêté en Conseil ont été abrogés par l'arrêté en Conseil du 9 février 1893.

Je suis, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le sous-ministre, ministère de la Justice.

Procès-verbal du Conseil de la Trésorerie, 15 novembre 1921, approuvé par Son Excellence le Gouverneur général le 19 novembre 1921.

FINANCE.—Le Conseil étudie actuellement un mémoire de l'honorable ministre des Finances. Il fait mention de plusieurs cas de fonctionnaires du Gouvernement qui tombent sous le coup de la Loi du fonds de retraite à partir de la date de leur nomination permanente et sur lesquels on a attiré son attention; fonctionnaires qui avaient cependant été à l'emploi du Gouvernement antérieurement à leur nomination permanente, et qui aux termes de la loi ne pourront pas faire compter la période de leur emploi antérieure à la date de leur permanence lorsqu'on les mettra à la retraite.

Le ministre déclare qu'antérieurement au mois de février 1893, par un arrêté en Conseil daté le 7 janvier 1884, les fonctionnaires temporaires lorsqu'ils étaient nommés permanents étaient autorisés à bénéficier des avantages de la Loi de la pension en ce qui concernait leur service temporaire.

En conséquence le ministre recommande que les fonctionnaires ci-dessous mentionnés soient autorisés à verser au Fonds de retraite les retenues alors en vigueur sur les appointements qu'ils

ont touchés au cours de leur période de service antérieure à leur nomination permanente; et en plus, qu'on leur accorde une période de trois mois pour faire ces versements et que l'on tienne compte de leur période de service antérieure à leur nomination permanente pour fins de pensions lorsqu'ils auront fait ces versements:

G. A Bell, sous-ministre des Chemins de fer et Canaux,
J. C. Saunders, sous-ministre des Finances,
D. C. Campbell, ministère de la Marine et des Pêcheries,
D. B. Dowlin, Commission Géologique,
B. H. Fraser, ministère de la Marine et des Pêcheries,
W. J. Stewart, ministère du Service naval.

Le Conseil approuve la recommandation susmentionnée et la soumet à votre approbation.

R. BOUDREAU, *Greffier, C.P.*

Conseil privé du Canada, C.P. 4655—Arrêté en Conseil du 21 décembre 1921.—Le comité du Conseil privé, à la demande du ministre des Finances, recommande que le procès-verbal du Conseil du 19 novembre 1921, (C.P. 48/4401), soit modifié en supprimant les mots "les fonctionnaires ci-dessous mentionnés" dans la première et la deuxième ligne du troisième paragraphe dudit procès-verbal et en les remplaçant par les mots "tous les fonctionnaires tombant sous le coup des dispositions de la Partie I de la Loi de la pension et du fonds de retraite du service civil qui ont été nommés avant le premier juillet 1898", et en biffant la liste des fonctionnaires mentionnée.

RODOLPHE BOUDREAU, *Greffier, C.P.*

MINISTÈRE DE LA JUSTICE, 5 janvier 1922.

MONSIEUR,—J'accuse réception de votre lettre du 10 décembre dernier dans laquelle vous attirez mon attention à la copie incluse d'un Arrêté en Conseil, portant la date du 19 novembre dernier (C.P. 48/4401), qui a pour but d'accorder à six fonctionnaires du gouvernement, qui y sont nommés, le privilège de verser les retenues pour fins de pension sur les appointements qu'ils ont touchés pendant ces périodes d'emploi temporaire antérieures à leur nomination permanente. L'arrêté en Conseil du 21 décembre dernier (C.P. 4655) biffe la liste des six fonctionnaires et a pour but d'étendre le dit privilège à tous les fonctionnaires tombant sous le coup de la Partie I de la Loi de la pension et du fonds de retraite du service civil qui ont été nommé avant le premier juillet 1898. Vous me demandez de me prononcer sur les quatre questions énumérées dans votre lettre. Voici mes réponses:

Quant au n° 1: Oui, dans le cas des fonctionnaires permanents qui touchaient des appointements annuels et aussi dans le cas des fonctionnaires temporaires qui étaient employés à un titre reconnu et touchaient des appointements annuels.

Quant au n° 2: Deux questions sont posées. Voici ma réponse à la première:

Si un fonctionnaire temporaire est payé à un taux quotidien ou mensuel plutôt qu'à un taux annuel, il ne tombe pas sous le coup du paragraphe (*b*) de l'article 2 des S.R.C., chapitre 17, 1906; mais s'il est permanent, je crois qu'il est éligible nonobstant le fait qu'il est payé d'après un taux quotidien ou mensuel parce que dans ce cas il touche virtuellement un salaire annuel représentant l'équivalent de son salaire quotidien ou mensuel. Cette interprétation—partiellement du moins, semble être l'interprétation adoptée par l'administration en 1870 et suivie je crois, depuis comme le prouve le paragraphe 33 des règlements approuvés par l'arrêté en Conseil du 1er décembre 1870, qui se lit comme suit:

> "Lorsqu'un fonctionnaire est employé en permanence à un taux fixe par jour, à l'avenir on portera son nom sur le bordereau de paie en donnant l'équivalent de son salaire annuel."

Voici ma réponse à la deuxième question: Si l'emploi n'a pas été autorisé par l'autorité compétente, c'est-à-dire, par le ministre des Chemins de fer et Canaux, dans le cas du fonctionnaire du chemin de fer Intercolonial, et par le ministre de la Marine et des Pêcheries, dans le cas du fonctionnaire du service de l'Arpentage de la baie Georgienne, ou par autorisation statutaire en leur nom, ou à défaut de telle autorisa-

tion statutaire, par ou en vertu d'un arrêté en Conseil, alors je suis d'avis que le service du fonctionnaire, même s'il se rapporte à l'accomplissement de fonctions de durée indéterminée continue, ne peut pas être considéré comme service à un titre reconnu. Il est certain que, dans le cas d'un fonctionnaire temporaire auquel s'appliquait les dispositions de la Loi du service civil alors en vigueur, l'emploi, s'il n'a pas été autorisé par arrêté en Conseil, ne peut pas être considéré comme un emploi à titre reconnu. Le jugement rendu par ce ministère à la demande du sous-ministre des Finances, le 24 avril 1896, dans le cas de M. D. A. McDonald, est basé sur cette opinion.

Quant au n° 3: Je crois que les arrêtés en Conseil du 19 novembre et du 21 décembre 1921, sont valides dans la mesure qu'ils ont pour but d'autoriser le versement de retenues pour la durée du service temporaire d'un fonctionnaire antérieurement à sa nomination permanente, afin de permettre à ce fonctionnaire de bénéficier de la période de son emploi temporaire aux fins de la Partie I de la Loi de la pension et du fonds de retraite du service civil, ou le fonctionnaire, bien que temporaire, a été employé à un titre reconnu, mais ils ne sont pas valides à d'autres titres.

L'expression "à titre reconnu" n'est pas une expression technique ou un terme d'art, et le sens particulier qui doit lui être attribué lorsqu'on le trouve dans une phrase quelconque est déterminé par le contexte. Dans la Loi de la pension et du fonds de retraite du service civil il est employé pour décrire le service à titre permanent ou déterminé dans une position ou un emploi de la division civile du service public dans un des divers ministères du Gouvernement exécutif du Canada Ainsi interprétée, l'expression s'applique (1) aux fonctionnaires permanents, et (2) à tels fonctionnaires temporaires qui ont été nommés conformément aux dispositions des Lois du service civil en vigueur de temps à autres, ou, dans le cas de ces parties du service civil auxquelles ces Lois ne s'appliquaient pas, qui ont été nommés par autorité compétente (i.e. par acte ou résolution du Parlement ou par le Gouverneur en Conseil dans l'exercice du pouvoir exécutif à cette fin, ou par un fonctionnaire ou représentant du Parlement ou de la Couronne dûment autorisé à cette fin) pour remplir à titre permanent les fonctions d'une position ou d'un emploi du gouvernement. Je crois que ces fonctionnaires temporaires doivent être classifiés avec ceux qui ont fait du service à titre reconnu, en se basant sur le fait que cette expression a trait à la nature des devoirs à accomplir plutôt qu'à une restriction concernant la durée du service ou le statut du fonctionnaire.

Quant au n° 4: Le montant de la retenue qui doit être faite dans le cas de ces fonctionnaires sera déterminé selon le taux prescrit par la loi en vigueur au cours de la période de leur service temporaire.

Je suis, monsieur, votre obéissant serviteur,

E. L. NEWCOMBE, *S.-M. de la Justice.*

L'Auditeur général.

Eligibilité des employés temporaires à la permanence

BUREAU DE L'AUDITEUR GÉNÉRAL, 17 mars 1922.

MONSIEUR,—En vertu de l'arrêté en Conseil du 31 octobre dernier, P.C. 4045, on accorde la permanence à certains employés temporaires de la division des Arpentages topographiques de votre ministère, d'après les termes de l'arrêté général du 16 décembre 1920 (P.C. 2958).

Cet arrêté en conseil général posait comme condition que les employés devaient occuper des positions d'une nature permanente au point de vue du ministère et de la Commission du Service civil. Les deux classes de positions dont il s'agit sont celles de chef de parti (arpentages généraux) et d'arpenteur fédéral adjoint. D'après la

classification officielle, ces deux emplois comportent une rémunération de $9 et $7 par jour, respectivement, pour chaque journée de service, ce qui indiquerait qu'on les considère comme des emplois temporaires plutôt que des emplois continus durant toute l'année, ou d'année en année. Le Manuel d'instructions dit que le salaire d'un arpenteur doit lui être payé à compter du jour où il quitte son domicile pour se rendre au lieu de son travail, pour chaque journée qu'il emploie à un ouvrage quelconque se rapportant à l'arpentage, jusqu'à ce que sa mission soit terminée. On doit cependant faire des déductions pour tout le temps qu'il emploie à des travaux qui ne se rapportent pas à l'arpentage.

La position de chef de parti comporte le travail sur le terrain et la compilation des rapports des différents employés. Ce dernier travail doit être commencé immédiatement après le retour de l'arpentage, mais ne doit pas occuper un plus grand nombre de journées d'ouvrage qu'il n'en faut, d'après l'opinion de l'Arpenteur général.

Le travail de l'arpenteur fédéral adjoint se fait entièrement sur le terrain et on lui paie son salaire à compter du jour où il quitte son domicile pour aller se mettre sous les ordres du chef de parti, jusqu'à la journée où il revient chez lui. En conséquence, ces deux positions ne paraissent pas être d'une nature permanente, comme on l'entend ordinairement. Cette opinion semble corroborée par l'arrêté en conseil du 20 mai 1918 (P.C. 58/1233), qui augmente le taux du salaire des arpenteurs fédéraux, parce que "l'on s'est aperçu que les taux actuels sont insuffisants pour des hommes de profession dont l'emploi est temporaire et limité à une courte saison d'arpentage".

Veuillez me fournir un état détaillé des services de ces employés pendant les cinq dernières années.

Pendant cette période, les chefs de partis revenaient-ils au ministère, à Ottawa, pour y compiler leurs rapports, après le travail sur le terrain? Quelques-uns d'entre eux ont-ils fait du travail pour leur compte personnel pendant ces saisons d'arpentage, soit indépendamment de leur travail pour le gouvernement, soit concurremment avec leur emploi?

Votre dévoué,

E. D. SUTHERLAND, *A.G.*

Au sous-ministre, ministère de l'Intérieur.

MINISTÈRE DE L'INTÉRIEUR, 1er avril 1922.

CHER MONSIEUR,—J'accuse réception de votre lettre du 17 mars dans laquelle vous faites des objections à la nomination permanente, par l'arrêté en conseil du 31 octobre dernier, R.C. 4045, de certains employés temporaires de la division des Arpentages topographiques. Les deux classes d'employés auxquelles s'appliquent vos remarques sont celles de Chef de parti et d'Arpenteur fédéral adjoint.

J'inclus avec la présente lettre un rapport de l'Arpenteur général suppléant, qui donne les renseignements demandés dans votre lettre. Nous sommes d'avis qu'il est impossible de continuer l'ancien système. La Commission du service civil a exprimé l'avis que ces positions sont d'une nature permanente et que l'on ne saurait continuer de les considérer comme emplois temporaires. C'est ce qu'explique une lettre du Secrétaire adjoint de la Commission, en date du 5 février 1922, dont vous trouverez une copie ci-jointe. Les membres actuels du personnel sont à l'emploi du ministère depuis longtemps, quelques-uns depuis plus de quinze ans. Ils ont acquis une expérience précieuse et ce serait agir au détriment du service que de démembrer une division aussi bien organisée.

J'aimerais à connaître votre opinion sur la meilleure manière de résoudre ce problème.

Votre tout dévoué,

A l'Auditeur général, Ottawa. W. W. CORY, *S.-M.*

MINISTÈRE DE L'INTÉRIEUR, OTTAWA, 27 mars 1922.

Mémoire.—Relativement à votre mémoire du 20 mars, accompagnant une lettre de l'Auditeur général au sujet de la nomination permanente en bloc des arpenteurs et de leurs assistants, il est évident que le bureau de l'Auditeur général n'est pas au courant des changements qui ont eu lieu dans la nature du travail de la division des Arpentages topographiques au cours des dernières années et de leur effet sur les conditions d'emploi des arpenteurs.

L'Auditeur général mentionne le Manuel d'instructions et un arrêté en conseil, du 20 mai 1918, à l'appui de son opinion que les arpenteurs ne font pas un travail "ininterrompu durant toute l'année ou d'année en année". Comme il y a eu des changements considérables dans la nature de l'ouvrage des arpenteurs depuis la dernière édition du Manuel (1917) et la date de l'arrêté en conseil mentionné, on ne saurait se baser sur ces documents pour discuter la question de l'emploi des arpenteurs.

Antérieurement à 1915, les arpentages étaient exécutés à forfait, ou par des arpenteurs payés à la journée. On abandonna ensuite le système des arpentages à forfait et tout le travail fut fait d'après la deuxième méthode. Jusqu'en 1918, ce travail comprenait principalement l'arpentage des townships, des lignes frontières et des lacs. Les arpenteurs n'étaient pas alors employés durant toute la saison, mais étaient engagés de nouveau d'une saison à l'autre, sans qu'ils aient à en faire la demande. En 1918, et subséquemment, on nous a demandé des renseignements au sujet des terres fédérales destinées aux anciens combattants, ainsi que des cartes topographiques et des arpentages demandant des compilations de beaucoup de détails qui ont exigé la présence d'un arpenteur et de ses assistants au bureau pendant toute une année, afin que le ministère puisse avoir l'avantage de profiter de leur expérience sur le terrain, en préparant ces cartes et ces rapports. Non seulement ce travail exigea l'emploi continu de l'arpenteur, mais il fallut le garder à ce travail spécial afin d'en faire un expert. Par exemple, en 1918, on a commencé des arpentages spéciaux afin de classer les terres destinées à l'établissement des soldats et à la colonisation en général. Il a fallu choisir et entraîner des employés pour ce travail, car il est évident que, sans expérience préalable, ces arpenteurs seraient exposés à faire des rapports inexacts et les colons iraient s'établir dans des endroits défavorables. Non seulement ce travail a exigé l'emploi d'un arpenteur durant toute l'année, mais l'expérience acquise a rendu nécessaire son emploi d'année en année. Il en est de même pour la revision des cartes de sections et des autres arpentages.

Durant la guerre, en vue d'exercer la plus grande économie et afin de libérer le plus grand nombre d'hommes possible pour le service militaire, nous avons réduit les arpentages à leur minimum et abrégé les saisons d'ouvrage. On n'employait pas alors les arpenteurs durant toute l'année. Les crédits qui étaient de plus d'un million furent réduits à six cent mille dollars; si l'on tient compte de la dépréciation du dollar, l'économie est encore plus marquée que les chiffres ne l'indiquent. Le personnel employé sur le terrain était composé de soixante-treize chefs de parti en 1914; aujourd'hui, il n'y en a plus que trente-neuf, dont vingt-sept ont été nommés d'une manière permanente. En 1914, on employait ces soixante-treize chefs de partis pendant dix mois de l'année; à l'heure actuelle, le personnel réduit et les assistants sont employés durant toute l'année.

Au sujet de l'emploi des arpenteurs d'année en année, il est remarquable que tous les chefs de partis employés aujourd'hui, avaient été nommés pour la première fois avant 1914; c'est-à-dire il y a sept ans, alors que plusieurs ont plus de dix ans, et quelques-uns plus de quinze ans, de service à leur crédit.

Quant aux questions posées par l'arpenteur général dans le dernier paragraphe de sa lettre, la plus grande partie des arpenteurs venaient à Ottawa, pour préparer leurs rapports. D'autres faisaient leurs rapports au bureau de nivellement de

Calgary, tandis que deux seulement allaient aux bureaux des terres fédérales, à Kamloops et à New Westminster. L'un d'eux demeurait à Edmonton et est actuellement sur le terrain, occupé à ouvrir un chemin d'hiver, dont on a fait le tracé l'an dernier. A l'exception de trois arpenteurs, aucun n'a fait d'autre travail que celui du gouvernement. Dans ces trois cas particuliers, où il s'agissait de vétérans, on leur accorda un congé sans traitement, le printemps dernier, avant leur nomination permanente.

C'est à cause de la nature de l'ouvrage confié aux arpenteurs depuis 1918, et qui nécessite leur emploi durant toute l'année, à cause de la nécessité d'un entraînement spécial pour certains travaux et d'une expérience antérieure, et à cause de leurs nombreuses années de service que le ministère considère ces positions permanentes.

Respectueusement soumis,

T. SHANKS, *pour l'Arpenteur général.*

BUREAU DE L'AUDITEUR, le 11 avril 1922.

MONSIEUR,—Vous trouverez ci-inclus copie de la correspondance échangée entre ce bureau et le ministère de l'Intérieur au sujet de certains employés surnuméraires de la division des levés topographiques à qui on a accordé la permanence par arrêté du Conseil du 31 octobre dernier, C.P. 4045.

Comme cet arrêté du Conseil fut passé à la recommandation de la Commission du service civil et comme cette commission aussi bien que le ministère ont rapporté qu'ils considéraient les positions remplies par ces employés comme étant d'un caractère permanent je suis forcé de vous demander si vous étiez alors au courant des faits relatés dans cette correspondance et si vous considérez encore que ces positions peuvent être justement désignées comme des positions permanentes.

Le tableau annexé démontre que dans la majorité des cas les services n'ont pas duré toute l'année. Dans nombre de cas, des employés classifiés et rémunérés comme chefs de brigades et adjoints d'arpenteurs des terres fédérales, ont travaillé plus de la moitié de l'année au bureau. En 1921-22 les employés nommés dans ce tableau ont passé moins de temps dans les champs qu'au bureau. Un examen de la classification révèle que les fonctions de ces positions comporte plutôt des travaux d'arpentage que des travaux de bureau. Cette opinion est confirmée par le Manuel d'instructions qui ne contient aucune stipulation au sujet du temps passé au bureau par les adjoints d'arpenteurs des terres fédérales et qui n'autorise les chefs de brigades à passer au bureau que le temps nécessaire pour la préparation de leurs rapports.

A cause du fait que ces fonctionnaires sont employés chaque année et que, dans la majorité des cas ils ne remplissent pas toute l'année les fonctions énumérées dans la classification officielle, je doute qu'ils puissent être classifiés comme chefs de brigades et adjoints d'arpenteurs des terres fédérales permanents.

J'ai l'honneur d'être monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le Secrétaire de la Commission du Service civil.

COMMISSION DU SERVICE CIVIL, le 18 juillet 1922.

CHER MONSIEUR,—Je suis chargé de vous informer que la Commission du Service civil a soigneusement étudié la correspondance qu'on lui a soumise jusqu'au 11 avril dernier relativement au sujet précité. Elle a minutieusement examiné les chiffres que vous nous communiquez et, en outre, elle a tenu compte du nombre d'années de service de chacun des employés mentionnés, chiffres fournis par la division des levés topographiques.

La Commission du Service civil croit, d'après les données disponibles, que les positions en question sont d'un caractère permanent et sont remplies de bonne foi.

Votre tout dévoué,

W. FORAN, *secrétaire.*

L'Auditeur général.

BUREAU DE L'AUDITEUR, le 29 juillet 1922.

CHER MONSIEUR,—Vous trouverez ci-inclus une copie d'une lettre reçue de la Commission du Service civil au sujet du status des employés de votre ministère qui ont été classifiés comme "chefs de brigades, arpenteurs généraux" et "adjoints d'arpenteurs des terres fédérales".

Vu l'opinion que la Commission y exprime que les positions sont d'un caractère permanent et remplies de bonne foi, soutenant par là que leur recommandation quant à l'éligibilité à la permanence était motivée, je ne m'opposerai pas davantage à ce que vous les traitiez comme des employés permanents.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

Le sous-ministre, ministère de l'Intérieur.

Eligibilité des employés à être traités comme officiers permanents

BUREAU DE L'AUDITEUR, le 14 octobre 1922.

CHER MONSIEUR,—Je constate en examinant la feuille d'émargement de votre ministère que vous avez traité comme employés permanents, gratifiés d'augmentations lors de la reclassification et d'augmentations statutaires semblables à celles qu'on accorde aux employés qui ont été nommés permanents aux termes de la Loi du Service civil, certains employés de votre personnel d'ingénieurs, d'architectes et autres, à Ottawa, qui étaient payés à même les crédits votés pour le service extérieur.

Je dois vous demander en vertu de quelle autorité statutaire vous les traitez autrement que des employés surnuméraires. Ils semblent être dans la même posture que des employés des autres ministères qu'on a considérés comme surnuméraires jusqu'à ce qu'ils fussent nommés permanents à partir du 1er avril 1921, en vertu des règlements contenus dans l'arrêté du Conseil du 16 décembre 1920, P.C. 2958.

Votre dévoué,

WM KEARNS, *A.G. adj.*

BUREAU DE L'AUDITEUR, le 16 novembre 1922.

CHER MONSIEUR,—J'attire votre attention sur ma lettre du 14 du mois dernier dans laquelle je demande certains renseignements sur votre personnel d'ingénieurs, d'architectes et autres employés, à Ottawa.

Comme il s'agit du status de ces employés depuis le 1er avril 1919, je vous prierais de prêter votre attention à cette question le plus tôt possible.

MINISTÈRE DES TRAVAUX PUBLICS, le 17 novembre 1922.

MONSIEUR,—J'accuse réception de la vôtre du 16 courant demandant certains renseignements relativement à certaines catégories de fonctionnaires de ce ministère. Nous allons prier la division du comptable de s'occuper de la chose immédiatement.

Bien à vous,

J. B. HUNTER, *Sous-ministre.*

L'auditeur général adjoint.

Loi de retraite du service public

BUREAU DE L'AUDITEUR, 7 novembre 1922.

CHER MONSIEUR,—En vertu d'un arrêté de l'Exécutif en date du 20 septembre dernier, la recommandation que vous avez faite du retrait du colonel Duncan MacPherson est approuvée, conformément à la Loi de retraite du service public, avec une allocation basée sur son salaire moyen pour ses dix-sept années de service—neuf avec le chemin de fer Transcontinental National et huit avec la division des Internements.

Pour les raisons suivantes, je doute si on a jamais voulu accorder aux fonctionnaires de la catégorie du colonel MacPherson aucun des privilèges que permet la Loi de retraite du service public.

De juillet 1905 à août 1914, il fut employé comme ingénieur adjoint sur le Transcontinental National. Cette position a toujours été considérée comme temporaire. Les conditions de cet emploi et la distinction que l'on a toujours faite entre cet emploi et ceux qui se trouvent sous le contrôle des sous-ministres dans les services intérieur et extérieur des divers ministères créent un doute quant à savoir si les employés qui travaillent à la construction de ce chemin de fer peuvent être considérés comme "des officiers ou fonctionnaires du service public—qui n'ont pas été nommés à un emploi temporaire".

De décembre 1914 jusqu'à aujourd'hui, il a fait partie du personnel de la division des Internements. Ce travail semble également temporaire, vu qu'un arrêté de l'Exécutif en date du 19 juillet 1920, C.P. 1610, approuve le rapport du ministre de la Justice dans lequel on dit que "le travail de la division des Internements du ministère de la Justice est maintenant terminé". Le sous-secrétaire d'Etat, sous qui le colonel MacPherson fut ensuite placé, déclare que "bien qu'il occupe un emploi temporaire, cet emploi peut durer indéfiniment. Une chose certaine, c'est qu'un temps viendra où ses services ne seront plus requis; quand, il est impossible de le dire". Le sous-ministre de la Justice a exprimé l'opinion "qu'il n'est pas exclu comme étant une personne nommée à un emploi temporaire pour la raison que ces mots doivent se rapporter d'après

le contexte à la nature des devoirs à remplir et non de la durée de l'emploi et au status de la personne nommée." La loi dit expressément qu'un "fonctionnaire" ne comprend pas celui qui est nommé à un emploi temporaire et le sous-ministre du ministère sous lequel se trouve actuellement le colonel MacPherson déclare que ce dernier occupe une position temporaire. Le ministre du département où il travaillait auparavant, a dit il y a plus de deux ans, que le travail de cette division était terminé, et on accorda alors et paya au colonel MacPherson une gratification d'un mois de salaire comme allocation de retraite. Ces faits semblent appuyer la prétention qu'il n'était qu'un employé temporaire.

Du 1er septembre 1914 à décembre 1914 il n'a été, à aucun titre, employé du gouvernement. Conséquemment, les dispositions de la loi ne s'appliquent pas à son cas parce que la classe 2 de l'article 3 de la loi exige que tout fonctionnaire de son âge, pour avoir droit à une retraite "doit avoir servi sans interruption dans le service public pour une période d'au moins dix ans." Il a continué à retirer un salaire comme fonctionnaire de décembre 1914 à août 1922, une période de moins de huit ans. Pour le rendre, malgré cette insuffisance de service, éligible en vertu des autres articles de la loi, la Commission du Service civil a recommandé qu'il soit déclaré éligible en vertu de la clause 6 de l'article 3 de la loi. Mais le sous-ministre de la Justice, dans une opinion donnée à la Commission du Service civil, dans une lettre datée du 27 octobre 1921, déclare, "A mon avis, ladite clause 6 ne fait que permettre à la Commission de soumettre une recommandation spéciale relativement au montant de la gratification ou allocation qu'un fonctionnaire peut recevoir en vertu des autres dispositions de la loi. Conséquemment, s'il n'est pas autrement éligible, il ne peut recevoir une allocation sous l'autorité de ladite clause 6. Comme le colonel MacPherson n'est pas éligible en vertu des autres articles de la loi, il ne peut le devenir de la manière qu'a recommandée la Commission du Service civil.

Cette loi a été adoptée pour se dispenser des services de fonctionnaires occupant des positions permanentes. Je n'y trouve rien qui indique que le parlement désirait accorder des allocations à ceux qui occupent des positions dont les devoirs doivent disparaître dans le cours ordinaire des choses. Tous les faits se rapportant au cas du colonel MacPherson mènent à la même conclusion, à savoir, qu'il n'a jamais été un fonctionnaire occupant une position permanente.

Je suis, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

Au Secrétaire de la Commission du Service civil.

COMMISSION DU SERVICE CIVIL, OTTAWA, le 13 novembre 1922.

CHER MONSIEUR,—Je reçois votre lettre du 7 de ce mois relative à l'arrêté ministériel du 20 septembre dernier qui autorise la mise à la retraite du lieutenant-colonel Duncan MacPherson conformément à la Loi de retraite du service public, avec effet rétroactif à partir du 1er juillet 1922 et accordant des allocations de retraite fixées sur le chiffre moyen de son salaire pour les dix-sept dernières années de service.

Vous déclarez ne pas être certain que l'on ait jamais pensé que des officiers de la catégorie du colonel MacPherson dussent profiter d'aucun privilège émanant de la Loi de retraite du service public, en ce que vous jugez que les états de service du colonel MacPherson en sa capacité d'officier d'état-major général pour les opérations d'Internement revêtent un caractère temporaire; qu'il en est de même pour ses activités au sein du chemin de fer Transcontinental National, et que, de ce fait, il n'a, à votre sens, aucun droit à la retraite, aux termes de cette loi Vous ajoutez que si les dernières activités du colonel MacPherson étaient telles qu'elles dussent lui donner droit

à la retraite aux termes de ladite loi, il faudrait alors faire dater son service interrompu de décembre 1914, vu la solution de continuité survenue du 1er septembre 1914 à décembre 1914 dans son service. Vous en concluez que tous les faits rattachés au cas du colonel MacPherson conduisent à une conclusion unique à savoir qu'il n'a jamais été un officier occupant une situation permanente.

En réponse, je puis dire que le jour où la recommandation de mise à la retraite du colonel MacPherson fut tout d'abord faite à la Commission par le sous-secrétaire d'Etat, la Commission jugea que les droits du colonel MacPherson à la retraite étaient douteux et soumit l'affaire à la décision du département de la Justice On vous a fait tenir copie de cette décision et je constate que dans votre lettre vous en faites état pour différer d'avis avec le département de la Justice à l'effet que le colonel MacPherson n'est pas exclus du bénéfice de la Loi au titre d'employé "pour fins temporaires". C'est en conséquence de cette décision que la Commission du Service civil a pris en considération la recommandation du secrétaire d'Etat pour la mise à la retraite du colonel MacPherson.

En vue de régler la question du chiffre des allocations de retraite que le colonel MacPherson devrait recevoir, on s'adressa de nouveau au département de la Justice en lui demandant de fixer une base de calcul de ces allocations. Cette base établie à la date du 3 novembre, et dont copie est annexée ci-contre, fut plus tard modifiée par une décision subséquente survenue le 29 novembre 1921, dont copie est également annexée ci-contre.

Le colonel MacPherson en a appelé du chiffre de l'annuité dont il devait bénéficier et a demandé à jouir de certains privilèges sous l'empire du sous-article 6 de la Loi. La Commission du Service civil était d'avis que les circonstances spéciales rattachées à son cas ne justifiaient pas de rapport inspiré par ce sous-article, cependant le colonel MacPherson y mit tant d'insistance que l'affaire fut de nouveau soumise au département de la Justice, ce dernier décidant que la Commission était compétente à établir devant le conseil les attendus d'un caractère spécial à l'effet d'accorder au colonel MacPherson une annuité atteignant mais ne devant pas dépasser les trente-soixantièmes de son salaire moyen. Toutefois les commissaires du Service civil jugèrent que l'esprit de la Loi ne serait pas respecté s'ils rédigeaient un rapport à cet effet et crurent inopportun d'établir un précédent en ce sens, et en conséquence les commissaires renvoyèrent l'affaire au conseil avec la recommandation que l'appel du colonel MacPherson fût débouté mais en même temps, que sa mise à la retraite fût reconnue effective et dotée d'allocations de retraite fixées sur les dix-sept ans de service. Il s'ensuivit que l'arrêté ministériel que vous désapprouvez a été émis le 20 septembre 1922, et cet arrêté venant à la suite du rapport émané des commissaires du Service civil et étayé sur les décisions du département de la Justice, dans l'affaire du colonel MacPherson, la Commission n'est pas dans une situation qui lui permet de s'immiscer davantage en l'espèce.

Bien à vous,

WM FORAN, *secrétaire.*

L'Auditeur général suppléant.

MINISTÈRE DE LA JUSTICE, 3 novembre 1921.

MONSIEUR,—Relativement à la mise à la retraite projetée du colonel Duncan MacPherson, sous l'autorité des dispositions de la Loi de Retraite du Service public telles que modifiées, je désire corriger le sentiment que j'exprimais dans ma lettre à vous adressée le 19 du mois dernier au sujet des titres du lieutenant-colonel MacPherson à une annuité en conformité du sous-article 2 de l'article 3 de ladite loi Je disais que, vu la solution de continuité dans ses activités au "service public" entre

août 1914, alors qu'il s'enrôla volontairement dans le service militaire actif, et décembre 1914, date de sa nomination aux fonctions d'officier d'état-major général pour les opérations d'internement, il n'avait pas à son actif les dix années de service ininterrompu exigibles pour assurer le droit à une annuité en conformité avec ladite disposition, mais après plus ample examen, je suis d'avis que ce point de vue doit être modifié. La définition d'"officier" telle que modifiée par l'article 2 du chapitre 49 de 1921, demande que les mots "ayant servi sans interruption dans le service public" du sous-article 2 de l'article 3 de la loi, doivent être pris dans un sens plus large et plus libéral que ne le comportait la promulgation originelle, à savoir qu'il faut y entendre non seulement un service réellement ininterrompu dans l'année et d'année en année, mais également le service effectué pour une partie seulement de l'année pourvu qu'il se soit continué d'une année à l'autre mais non pas comme le portait mon interprétation dissidente. La solution de continuité dans le service ininterrompu du lieutenant-colonel MacPherson n'a pas eu de durée. Je suis donc d'avis que le lieutenant-colonel MacPherson a "servi sans interruption dans le service public pas moins de dix années", au sens A-29 du sous-article 2 de l'article 3 de la loi, et se trouve de ce fait à avoir droit à une annuité calculée de la façon prescrite.

Je suis, monsieur, votre obéissant serviteur,

E. L. NEWCOMBE, *D.M. de la J.*

Le secrétaire de la Commission du Service civil.

MINISTÈRE DE LA JUSTICE, le 29 novembre 1921.

MONSIEUR,—J'ai l'honneur de me référer à vos lettres des 5 et 14 de ce mois, avec copies jointes de la correspondance relative au lieutenant-colonel Duncan MacPherson que l'on propose de mettre à la retraite sous l'empire des dispositions de la loi de Retraite du Service public. Vous posez la question de savoir si la commission est compétente pour mettre en cause les circonstances professionnelles antérieures à l'entrée dans le service public, conformément au sous-article 6 de l'article 3 de ladite loi, et pour recommander que l'on tienne compte de ces circonstances dans l'établissement du chiffre de l'allocation de retraite du colonel MacPherson. Il semble cependant, à en juger par la correspondance échangée, que là n'est pas le point soulevé par le colonel MacPherson. Il apparaît clairement par sa lettre du 10 de ce mois adressée à vous-même, de même que par la lettre de l'Auditeur général du 16 à vous adressée, que le colonel MacPherson ne prétend pas que la période de service à l'emploi de la compagnie du Pacifique-Canadien doive compter comme partie de son temps de service aux fins d'établir le chiffre de l'allocation de retraite qu'accorde ladite loi. Ce qu'il veut est de savoir si la commission est compétente pour recommander au Gouverneur en conseil, sous l'empire du sous-article 6 de l'article 3 de ladite loi, que les circonstances spéciales de service, de sa durée et du traitement y attaché, et auxquelles il se réfère, devraient entrer en ligne de compte en vue d'une augmentation du chiffre de l'annuité à laquelle il a droit, le tout basé sur la durée de service effectué dans le service public, conformément au sous-article 2 dudit article 3 de la loi, non toutefois de façon à dépasser les 30/60es de la moyenne du salaire encaissé; et je suis d'avis que la réponse doive comporter l'affirmative.

Je suis, monsieur, votre obéissant serviteur,

E. L. NEWCOMBE, *D.M. de la J.*

Le secrétaire de la Commission du Service civil.

Arrêté du Conseil, le 27 octobre 1922.—Le comité du Conseil privé a étudié un rapport, daté du 27 octobre 1922, émanant du secrétaire d'Etat, soumettant à sa considération le sujet de la retraite et du fonds de pension du lieutenant-colonel Duncan MacPherson, officier d'état-major aux opérations d'internement du ministère du secrétariat d'Etat.

Par suite de la diminution graduelle de l'ouvrage aux opérations d'internement, et de la perspective de l'absorption hâtive de la division par le bureau d'évacuation, le sous-secrétaire d'Etat a fait rapport à la Commission du Service civil à l'effet que le colonel MacPherson soit mis à sa retraite en vertu des dispositions de la Loi de retraite du service public de 1920, telle que modifiée en 1921. Cette recommandation renfermait un exposé des raisons afin de considérer d'une manière toute spéciale, le cas du colonel MacPherson, et la demande qu'il soit mis à sa retraite avec une rente viagère basée sur les 30/60èmes de son traitement moyen.

Le ministre déclare que parmi les motifs spéciaux pour la considération du cas du colonel MacPherson, il faut tenir compte des circonstances suivantes:—

> Le colonel MacPherson est né le 2 février 1858, et est par conséquent âgé de 64 ans. Il a été nommé ingénieur en chef adjoint du chemin de fer Transcontinental national, le 1er juillet 1905. En décembre 1911, il a été promu à la position d'adjoint au président, avec la direction de l'exploitation, poste qu'il a occupé jusqu'en septembre 1914. En août 1914, il s'est offert pour le service actif, et en novembre de cette année, on lui a donné une position à l'état-major de la Milice.
>
> En décembre 1914 il a été nommé officier d'état-major aux opérations d'internement, poste qu'il a rempli continuellement jusqu'à date. Avant sa nomination au chemin de fer Transcontinental national, le colonel MacPherson avait acquis une expérience de 24 ans à l'emploi du chemin de fer Pacifique-Canadien, et il déclare qu'on l'a engagé à quitter son emploi et de sacrifier une augmentation de pension, parce qu'on lui avait assuré une meilleure position et un emploi permanent avec l'exploitation du chemin de fer Transcontinental. Il s'est élevé jusqu'à la position exécutive la plus importante du chemin de fer Transcontinental, avec un traitement de $7,500 par année, poste qu'il occupait avant la déclaration de la guerre.
>
> A partir de l'époque où il s'est occupé de besogne relevant de la guerre, son traitement a été réduit à moins de la moitié de sorte que son désir de s'occuper d'une besogne de ce genre, lui a coûté bien des milliers de piastres.
>
> Le sous-ministre de la Justice est d'avis, de même que le secrétaire d'Etat, que l'on pourrait fixer l'allocation pour fonds de retraite, d'après la base des 30/60èmes de la moyenne du traitement du colonel MacPherson, pendant les trois dernières années qu'il a passées dans le service des chemins de fer de l'Etat.

La Commission du Service civil, tout en exprimant son entière sympathie relativement à cette réclamation, a recommandé sa mise à la retraite, d'après la base des 17/60èmes de son traitement moyen pendant toute la durée de son service, mais dans la longue correspondance échangée entre le ministère du Secrétariat d'Etat et la Commission du Service civil, celle-ci insiste sur le fait qu'elle ne possède aucune autorisation qui lui permette de faire aucune recommandation en ce qui se rapporte à la valeur précise de circonstances très spéciales, vu que c'étaient surtout des questions de discipline du ministère, qu'elle prétend que le Conseil seul a l'autorisation de régler.

On recommande qu'il ne serait pas juste pour le colonel MacPherson que l'on diminue sa rente viagère civile basée d'après son traitement dans le Service civil, en permettant que son faible traitement pour service de guerre abaisse la moyenne d'après laquelle établir la rente viagère, alors qu'en vertu d'arrêtés ministériels tous les autres fonctionnaires du gouvernement en activité de service, avaient reçu un supplé-

ment de solde afin de la rendre égale au traitement civil. Et tous ceux qui s'étaient enrôlés avant le 10 février 1915, avaient retiré leur solde plus leur traitement civil entier, et lorsqu'ils prendront leur retraite, leurs pensions seront basées d'après leurs traitements civils, sans tenir compte de la solde reçue pendant le service de guerre.

Le ministre recommande qu'à cause des circonstances exceptionnelles de son cas, le lieutenant-colonel Duncan MacPherson soit retiré du service public à partir du 1er juillet 1922, et que le montant de son allocation de fonds de retraite soit établi d'après la base des 30/60èmes de son traitement moyen, pendant les trois dernières années qu'il a passées dans le service des chemins de fer de l'Etat.

Le ministre recommande en outre que le colonel MacPherson retire deux mois de traitement à partir de la date de la mise à la retraite, tel que stipulé par la loi.

Le comité approuve les recommandations précitées et les soumet à votre approbation.

RODOLPHE BOUDREAU, *Greffier du C.P.*

BUREAU DE L'AUDITEUR, le 3 novembre 1922.

MONSIEUR,—Je viens de recevoir un arrêté en conseil en date du 27 octobre, C.P. 2269, autorisant, sur la recommandation du Secrétaire d'Etat, une allocation annuelle au lieutenant-colonel MacPherson de 30/60 de la moyenne du traitement qu'il recevait pendant les trois dernières années qu'il était au service du chemin de fer Transcontinental National, soit $7,500.

Sous l'empire de la loi de la pension un employé a droit à une allocation de 1/60 pour chaque année de service s'il est un officier aux termes de la loi. Vu le fait que la période de service du colonel MacPherson couvre presque dix-sept années, la Commission du Service civil a recommandé une allocation de 17/60. La loi est également explicite en ce qui concerne la méthode de calcul à adopter pour connaître la moyenne de traitement d'après laquelle l'allocation sera calculée Il s'agit de prendre soit la moynnne du traitement reçu pendant les trois dernières années, ou soit la moyenne pour toute la durée du service si ce dernier montant est le plus élevé. La moyenne de son traitement pendant les trois dernières années était de $3.600, et la moyenne pour toute la durée de son service, de $4,655.87, et la Commission du Service civil a recommandé que ce dernier montant soit accepté pour servir de base à l'estimation de son allocation. La recommandation a été approuvée par le bureau de la Trésorerie et le Gouverneur en conseil, C.P. 138/1976. Cet arrêté en conseil a été maintenant révoqué par C.P. 2268 et un autre a été édicté, C.P. 2269, lequel ajoute treize années à sa période de service et augmente la moyenne de son traitement par plus de $2,600. Cet arrêté en conseil ne se conforme pas à la procédure établie en vue de donner effet à ces pensions. L'allocation, telle qu'augmentée, ne semble pas avoir été approuvée par la Commission du Service civil, et cette dernière n'a pas d'autorité, à mon avis, en conformité des pouvoirs que la loi lui confère, pour recommander telle augmentation des allocations. Cette allocation n'a pas été, non plus, approuvée par le bureau de la Trésorerie.

Si votre ministère est sous l'impression que le colonel MacPherson peut faire accroître la durée de son service et la moyenne de son traitement tel que pourvu dans l'arrêté en conseil, veuillez me désigner, pour mon information, l'article ou les articles en vertu desquels ce pouvoir est conféré.

J'aimerais bien aussi à avoir une copie de l'opinion du sous-ministre de la Justice pour savoir si l'allocation pour sa pension peut être établie sur une base de 30/60 de la moyenne de son traitement pendant les trois dernières années passées au service du chemin de fer du gouvernement.

Je demeure, monsieur, votre obéissant serviteur,

Le sous-secrétaire d'Etat. WM KEARNS, *A.G. adj.*

SECRÉTARIAT D'ETAT, le 19 décembre 1922.

MONSIEUR,—Relativement à votre lettre du 3 du mois dernier portant sur la retraite projetée du lieutenant-colonel Duncan MacPherson, aux termes de la Loi de retraite, permettez-moi de joindre à la présente copie d'une lettre de M. E. L. Newcombe, sous-ministre de la Justice, à qui nous avons référé votre lettre en le priant de donner son avis sur les difficultés dont il y est parlé.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

THOMAS MULVEY, *sous-sec. d'Etat.*

L'Auditeur général adjoint.

MINISTÈRE DE LA JUSTICE, le 14 décembre 1922.

MONSIEUR,—J'ai l'honneur de référer à votre lettre du 7 dernier qui renfermait les documents concernant la question qui m'était soumise pour ma décision et qui avait été soulevée par l'Auditeur général adjoint touchant la validité des arrêtés en conseil du 27 octobre 1922 (C.P. 2269), et C.P. 2268, relativement à la retraite du service public, en conformité des dispositions de la Loi de la pension et du fonds de retraite du service civil telle qu'amendée, du lieutenant-colonel MacPherson, de la division des opérations d'internement de votre ministère. Le dernier de ces arrêtés en conseil comporte l'annulation de l'arrêté en conseil du 20 septembre 1922 (C.P. 138/1976), qui a été édicté sur la recommandation de la Commission du Service civil et qui sanctionnait la mise à la retraite du colonel MacPherson, en conformité de ladite loi, ayant pour base une gratification de deux mois de traitement plus une rente annuelle calculée d'après les 17/60 de la moyenne de son traitement annuel pendant tout le temps qu'il a été à l'emploi du gouvernement; tandis que le premier (C.P. 2269), adopté sur la recommandation de l'honorable Secrétaire d'Etat pour le Canada, et sans consulter la Commission du Service civil, a pour objet de pourvoir à la mise à la retraite du lieutenant-colonel MacPherson, sous le régime de ladite loi, avec une gratification de deux mois de traitement et une rente ou pension annuelle égale au 30/60 de la moyenne du traitement qu'il recevait pendant les trois dernières années qu'il a passées au service des chemins de fer du gouvernement. L'Auditeur général adjoint récuse la validité de ces arrêtés en conseil pour le motif qu'ils n'ont pas été édictés en conformité de la procédure établie par la Loi de la pension et du fonds de retraite en ce qui concerne la mise à la retraite des officiers du service public, et il ajoute que, dans son opinion, la Commission du Service civil ne possède aucunement le pouvoir de recommander une pension plus élevée telle que celle dont il s'agit dans le cas du lieutenant-colonel MacPherson.

Concernant ce dernier point je désire vous rappeler ma lettre du 29 novembre 1921 au secrétaire de la Commission du Service civil. Je disais dans cette lettre que la question soulevée dans le cas du lieutenant-colonel MacPherson était,

> "De savoir si la Commission du Service civil était autorisée à recommander au Gouverneur en conseil, sous l'empire du paragraphe 6 de l'article 3 de ladite loi, que les circonstances particulières de son emploi, son temps de service, et la rémunération (à laquelle il fait allusion) seront pris en considération en vue d'augmenter le montant de la pension à laquelle il a droit, sur la base de la durée de son emploi dans le service public, sous l'empire du paragraphe 2 dudit article 3 de la loi, lequel cependant ne doit pas dépasser les 30/60 de la moyenne de son traitement annuel."

et mon opinion exprimée alors était une réponse affirmative. Par conséquent, je ne maintiens pas sur ce point l'objection de l'Auditeur général adjoint, et j'ajouterai que selon mon interprétation dudit paragraphe 6 de l'article 3 de la loi, le Gouverneur en

conseil, peut, en conformité dudit paragraphe, approuver la recommandation de la Commission du Service civil ayant pour effet de fixer à un montant quelconque la pension de tout officier, que ce montant soit moins ou plus élevé que celui qu'il serait en droit de recevoir sous l'empire du paragraphe 2 dudit article 3.

Je concède, cependant, que l'arrêté en conseil du 27 octobre 1922 (C.P. 2269), ne pouvait légalement autoriser le calcul de la pension du lieutenant-colonel MacPherson sur la base de 30/60 de la moyenne de son traitement annuel pendant les trois dernières années passées au service du chemin de fer du gouvernement au lieu des 17/60 du traitement annuel qu'il a reçu pendant toute la durée de son emploi dans le service public, vu que cela ne pouvait être effectué que sous l'empire du paragraphe 6 de l'article 3 de ladite loi sur la recommandation de la Commission du Service civil. Dans l'exposé contenu dans ledit arrêté en conseil il est déclaré que la Commission du Service civil a appuyé sur le fait qu'"elle n'a aucune autorité pour faire une recommandation concernant la valeur spécifique des circonstances très spéciales" qui entourent le cas du lieutenant-colonel MacPherson, "vu que c'était là matière disciplinaire relevant des autorités du département, pour l'ajustement de laquelle, prétendait-elle il incombait uniquement au Conseil d'intervenir". Cependant, cette interprétation de la loi est erronée. La Commission est l'autorité, et la seule autorité, constituée par la loi qui puisse faire une recommandation concernant l'estimation de "toute circonstance spéciale touchant la nomination, le temps du service, la rémunération, le traitement ou l'allocation" de tout officier devant être mis à la retraite sous l'empire de la loi, ainsi que le montant à fixer pour la gratification de retraite ou pour sa pension. La recommandation de la Commission est sujette à l'approbation du Gouverneur en conseil qui, sans doute, peut la refuser dans un cas particulier, mais il ne saurait y avoir aucun doute que le devoir de faire cette recommandation incombe exclusivement à la Commission.

Je remarque que ledit arrêté en conseil (C.P. 2269), contient ce qui suit:

> "Le sous-ministre de la Justice est d'opinion, laquelle opinion est agréée par le Secrétaire d'Etat, que l'allocation de retraite peut être fixée sur la base des 30/60 de la moyenne du traitement du lieutenant-colonel MacPherson pendant les trois dernières années qu'il a été dans le service des chemins de fer du gouvernement."

De peur que l'on ne se base sur cette déclaration pour toute action future je désire vous faire savoir que je n'ai aucune connaissance ni aucun mémoire indiquant que jamais telle opinion ait été exprimée par moi en ces termes et je crois nécessaire d'ajouter qu'une semblable opinion serait en contradiction avec ce qui me semble être clairement l'esprit et la signification de la loi. Sous l'empire des dispositions du paragraphe 2 de l'article 3 il est stipulé que la pension d'un officier doit être calculée sur la base "de la moyenne de son traitement pendant les trois dernières années qu'il a été employé dans le service public", ou si cette moyenne est inférieure à "la moyenne du traitement que cet officier a reçu pendant toute la durée de son service", alors sur la base de cette dernière moyenne. C'est d'après cette dernière base que le lieutenant-colonel MacPherson a été mis à la retraite par l'arrêté en conseil du 20 septembre dernier, et évidemment la disposition sus-mentionnée ne saurait faire admettre le calcul de sa pension de retraite sur la base de la moyenne du traitement qu'il a reçu pendant qu'il était à l'emploi du chemin de fer Transcontinental National vu qu'il a abandonné cette position en 1914.

Je demeure, monsieur, votre obéissant serviteur,

E. L. NEWCOMBE, *S.-M. de la J.*

Le sous-secrétaire d'Etat.

Loi de la pension et du fonds de retraite du service civil.—Eligibilité d'une personne mise à la retraite et nommée de nouveau à une position du service civil à recevoir le plein salaire de la nouvelle position en plus des allocations de retraite.

BUREAU DE L'AUDITEUR, le 5 décembre 1922.

CHER MONSIEUR,—On a attiré mon attention sur le fait que Charles Grosleau a été employé dans votre département en qualité d'inspecteur des travaux à Belœil au salaire de $5.00 par jour du 19 octobre au 31 mars dernier.

M. Grosleau a été mis à la retraite aux termes de la loi de la pension et du fonds de retraite du service civil au mois d'août 1921 avec une allocation de dix mois de traitement, la raison donnée étant le manque d'emploi.

Si l'on avait l'intention d'employer M. Grosleau à cette nouvelle position, pourquoi l'a-t-on mis à la retraite dans votre département. Il ne semble pas conforme au but de la loi qu'un fonctionnaire soit mis à la retraite avec une allocation de dix mois de traitement et, peu de temps après, soit nommé à une nouvelle position dans le service jouissant ainsi en même temps des privilèges de la loi de la mise à la retraite et d'un traitement plus élevé que celui qu'il touchait avant sa mise à la retraite.

La nomination à la nouvelle position a-t-elle été faite par la Commission du Service civil?

Votre dévoué,

WM KEARNS, *A.G. adj.*

Au sous-ministre des Travaux publics.

MINISTÈRE DES TRAVAUX PUBLICS, le 12 décembre 1922.

MONSIEUR,—Au sujet de votre lettre du 5 courant, dans laquelle il est déclaré que M. Charles Grosleau a été mis à la retraite aux termes de la loi de la pension et de la mise à la retraite au mois d'août 1921, avec une allocation de retraite de dix mois de traitement, et employé en qualité d'inspecteur par ce ministère à Belœil à $5.00 par jour du 19 octobre au 31 mars dernier, veuillez prendre connaissance de la copie ci-jointe d'un rapport de l'ingénieur de district J. L. Dansereau, en date du 16 novembre 1921, expliquant pourquoi M. Grosleau a été employé dans ce cas.

Je voudrais aussi attirer votre attention sur la décision du ministère de la Justice exposée dans la lettre que le sous-ministre de la Justice a adressée au secrétaire de la Commission du Service civil le 22 novembre 1921 (dont vous trouverez une copie ci-jointe) dans laquelle il déclare que l'Etat n'a pas le droit de se faire rembourser les paiements des gratifications ou des rentes viagères accordées à un employé mis à la retraite aux termes de la loi de la pension et de la mise à la retraite du service civil lorsque cet employé est nommé à une nouvelle position dans le service civil. Il est à remarquer que M. Grosleau n'a pas touché de salaire du 1er septembre au 18 octobre autre que le montant provenant de son allocation de mise à la retraite.

La nomination à la nouvelle position n'a pas été faite par la Commission du Service civil pour la raison donnée par M. Dansereau.

Je conviens bien comme vous qu'il ne semble pas conforme au but de la loi qu'un fonctionnaire touche une allocation de dix mois de traitement et, peu de temps après, soit nommé à une autre position dans le service, jouissant ainsi en même temps des privilèges de la mise à la retraite et du traitement attaché à sa nouvelle position.

Nous avons actuellement un autre cas du même genre,—celui de M. H. C. Chapman. Sa position a été abolie dans le personnel de génie et il a été mis à la retraite avec un congé de deux mois et une gratification de huit mois. Il a de nouveau été nommé par la Commission du Service civil à titre de commis du génie dans le personnel du ministère de l'Intérieur et, comme cette nomination a été faite peu de temps

après l'expiration de son congé de deux mois, j'ai attiré l'attention de la Commission du Service civil sur la nécessité d'un remboursement de sa gratification par suite de ces circonstances. Vous trouverez sous ce pli une copie de la réponse de la Commission.

Il semble que le point sur lequel vous attirez mon attention est reconnu et admis au sens de la loi, nonobstant tout ce qu'il présente d'absurde.

Votre dévoué,

J. B. HUNTER, *Sous-ministre.*

A l'Auditeur général adjoint.

MINISTÈRE DE LA JUSTICE, le 22 novembre 1922.

MONSIEUR,—Au sujet de votre lettre en date du 31 du mois dernier, demandant mon opinion sur la question de savoir si l'Etat a le droit de se faire rembourser des paiements de gratification ou de rente viagère accordées à un employé mis à la retraite aux termes de la loi de la pension et de la mise à retraite du service civil lorsque cet employé est nommé à une autre position dans le service civil, je suis d'avis que la réponse à cette question doit être négative.

Je suis, monsieur, votre obéissant serviteur,

E. L. NEWCOMBE, *S.-M. de la J.*

Le Secrétaire de la Commission du Service civil.

MINISTÈRE DE LA JUSTICE, le 25 octobre 1922.

MONSIEUR,—J'ai l'honneur de répondre à votre lettre du 25 juillet écoulé, concernant une décision sur les questions suivantes ayant trait au nouvel emploi projeté de deux fonctionnaires du ministère de la Douane et de l'Accise, M. Narcisse Thibert, de Windsor, Ontario, et M. Martin Elliott, de Montréal, Qué., qui ont été mis à leur retraite du service, sous l'empire des dispositions de la Loi de la pension et du fonds de retraite du service civil, telles que modifiées.

(1) Est-ce que ces fonctionnaires sont éligibles à être réemployés par le ministère dans une position temporaire; et

(2) Dans l'affirmative, est-ce qu'on devrait leur payer la différence entre leur ancien traitement et leur allocation de retraite, ou selon le traitement minimum de la classe, ou selon le traitement minimum de la classe, moins le montant de leur allocation de retraite?

Au sujet de la première question: Ces fonctionnaires semblent avoir été mis à leur retraite d'après la recommandation du sous-comité du Conseil sur la réorganisation et l'efficacité, et probablement, bien qu'il n'en ait pas été donné de raison précise, à cause du manque d'emploi. Suivant moi, ils sont éligibles à être réemployés dans une position temporaire, de la manière prescrite par la Loi du service civil et par les règlements qui en découlent.

Au sujet de la deuxième question: Ils ont le droit de retirer le traitement minimum de la classe dans laquelle ils sont nommés, mais je pense qu'un fonctionnaire peut, dans un cas de ce genre, ne pas profiter de l'avantage que lui donne le statut à cet égard, en consentant, comme condition de son nouvel emploi, d'accepter la différence entre ladite échelle minimum, et le montant de son allocation de retraite.

Je suis, monsieur, votre obéissant serviteur,

E. L. NEWCOMBE, *S.-M. de la J.*

Le Secrétaire de la Commission du Service civil.

COMMISSION DU SERVICE CIVIL, le 11 décembre 1922.

MONSIEUR,—J'ai reçu votre lettre du 7 courant, relativement à la nomination projetée de M. H. D. Chapman au ministère de l'Intérieur.

La Commission du Service civil est au courant des paiements que l'on a faits à M. Chapman, mais ne comprend pas votre allusion à des arrangements spéciaux qu'il faudrait conclure en le nommant à une autre position. M. Chapman fut définitivement mis à la retraite en vertu des dispositions de la "loi de mise à la retraite de certains membres du service public, 1920" et de ses modifications ultérieures. En reconnaissance de ses huit années de service, on lui accorda une gratification égale à huit mois d'appointements. On lui donna en outre une gratification égale à deux mois d'appointements, au lieu d'un mois d'avis et d'un mois d'appointements, conformément à l'article 3 (1) de la loi citée plus haut. A cause de l'abolition de sa position, M. Chapman a le droit, en vertu du paragraphe 3, de l'article 28, de la "loi du Service civil, 1918", d'être placé sur la liste des personnes éligibles aux positions de la même catégorie. Comme l'on s'est conformé à cette disposition de la loi, la nomination de M. Chapman au ministère de l'Intérieur, à titre de commis du génie, est tout à fait régulière.

La gratification de huit mois d'appointements accordée à M. Chapman lorsqu'il fut mis à la retraite au ministère des Travaux publics, doit être considérée comme une compensation pour le fait que sa mise à la retraite par arrêté en conseil termine définitivement cette période de service et empêche que l'on en tienne compte lorsqu'il s'agira de calculer la durée de son emploi pour les fins des systèmes futurs de pensions. De même, la gratification de deux mois d'appointements, au lieu d'un mois d'avis et d'un mois d'appointements, ne peut être considérée que comme équivalent au congé accordé habituellement aux personnes qui quittent le service.

Si l'on avait accordé à M. Chapman, un congé de deux mois, avec appointements, et s'il avait été nommé à un autre ministère pendant cette période, il eût fallu cesser le paiement de sa pension, parce qu'il n'est pas permis de recevoir un traitement de deux ministères différents pour une même période. Les deux mois couverts par sa gratification étaient cependant expirés quand il fut question de le nommer de nouveau et il avait été sans emploi, et sans traitement, depuis le 1er décembre. Il ne semble donc pas qu'il puisse être question de remboursement dans ce cas.

Votre humble serviteur,

WM. FORAN, *Secrétaire.*

BUREAU DE L'AUDITEUR, le 2 janvier 1923.

MONSIEUR,—Dans votre lettre adressée au ministère des Travaux publics le 11 du mois dernier au sujet de la mise à la retraite de M. H. D. Chapman, conformément aux dispositions de la Loi de la mise à la retraite des fonctionnaires de l'Etat et à sa réintégration dans le service, vous déclarez que "à cause de l'abolition de sa position M. Chapman a le droit, en vertu du paragraphe 3, de l'article 28, de la Loi du Service civil, d'être placé sur la liste des personnes éligibles aux positions de la même catégorie, comme l'on s'est conformé à cette disposition de la loi, la nomination de M. Chapman au ministère de l'Intérieur, à titre de commis du génie, est tout à fait régulière". Je suis d'avis que le chapitre que vous invoquez ne s'applique pas dans le cas de ceux qui ont été mis à la retraite aux termes de la Loi de la mise à la retraite des fonctionnaires de l'Etat. Les services d'un fonctionnaire retraité en vertu de cette loi

sont terminés et il n'est plus dans le service. Il ne peut être remployé qu'en vertu des règlements qui régissent les nouvelles nominations. Le sous-ministre de la Justice dans la lettre qu'il vous adressait le 25 octobre, dit "à mon avis, les personnes retraitées .....sont susceptibles d'être remployées à titre provisoire, tel que prévu par la Loi du Service civil et les règlements qui en découlent".

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

Le secrétaire, Commission du Service civil.

COUR DES COMPTES, le 21 décembre 1922.

CHER MONSIEUR,—En ce qui concerne les cas de certains fonctionnaires mis à leur retraite d'après la Loi de la pension et du fonds de retraite du service civil, je constate qu'après leur mise à la retraite avec, soit une gratification, ou une rente viagère, ces fonctionnaires ont été placés dans d'autres positions dans le service, et on leur paie alors le traitement complet de leurs nouvelles positions, en outre des allocations qu'ils retirent d'après la Loi de la pension et du fonds de retraite. Le ministère de la Justice a décidé qu'il est permis d'après cette Loi de rémunérer ces fonctionnaires à même ces deux sources, peu importe de combien le montant reçu dépasse le traitement attaché à l'ancienne position. Forte de cette opinion, la Commission du Service civil a réintégré ces fonctionnaires dans le service avec le traitement complet attaché à leur position, le ministère a payé ce traitement et la rente viagère est payée comme antérieurement par le ministère des Finances.

J'inclus copies de la correspondance faisant voir les opinions du ministère de la Justice sur cette question.

Comme il me semble qu'une telle manière d'agir est contraire à la lettre et à l'esprit de la loi, je vais porter cette question à l'attention du bureau du Trésor, afin que s'il le juge à propos, il pourra s'occuper de la question. En tant que ce bureau est intéressé, je n'ai aucun choix dans la matière autre que d'approuver les paiements tels qu'autorisés.

Le but évident que se proposait le gouvernement en soumettant cette loi, en était un d'économie pour le gouvernement et de justice pour ceux mis à leur retraite. Je ne considère pas qu'on n'avait jamais eu l'intention que par cette loi, un fonctionnaire serait mis à sa retraite, et serait nommé de nouveau à une position dans le service, tout en conservant en même temps son droit à l'allocation de retraite qui lui aurait été accordée, et à la rémunération attachée à sa nouvelle position.

Je suis, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

Au secrétaire du bureau du Trésor.

Grant to Royal Agricultural Winter Fair Association, Toronto

AUDIT OFFICE, March 25, 1922.

SIR,—I beg to draw your attention to an item in the expenditure from Live Stock Industry appropriation for the fiscal year 1921-1922.

On October 11, 1921, Letter of Credit cheque No. 29595 was drawn in favour of the Royal Agricultural Winter Fair Association (A. P. Westervelt, Toronto, Treasurer) as a grant to the Winter Fair "to be held at Toronto, November 16 to 24, 1921."

I understand that this proposed Winter Fair was never held. If so, would you be good enough to inform me as to the disposal of the grant?

A circular issued by the Department of Finance, January 18, 1921, asked that no letter of credit cheque for $25,000 or over be issued by any Department. Please explain your failure, in this instance, to comply with this request.

I am, Sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

Deputy Minister of Agriculture.

DEPARTMENT OF AGRICULTURE, March 28, 1922.

DEAR SIR,—I have your letter of the 25th instant, in regard to the cheque, No. 29593, issued in favour of the Royal Agricultural Winter Fair Association for $25,000 on account of a fair that was to be held in Toronto in November of last year.

You are quite correct in your understanding that this proposed fair was never held, and arrangements are being made with the Royal Agricultural Winter Fair Association for a refund of the $25,000 paid them. It is expected that a cheque for this amount will be received in the course of a few days.

I might further add that it is intended to make a payment to this Winter Fair of $10,000 this year to be applied against certain indebtedness under which they are at present suffering. This $10,000 will, however, be subtracted from the total amount to be paid over a period of ten years to the Royal Agricultural Winter Fair under an agreement between the Federal Government and the Winter Fair Association.

As to the last paragraph of your letter with regard to the fact that a letter of credit cheque for $25,000 was issued by this Department, I would say that the Accountant informs me that before issuing this cheque he called up an officer of the Finance Department and asked permission to do so. In view of the fact that the money was required immediately for handling the matter in this way this permission was given, and, consequently, that is the reason why the cheque was issued by this Department instead of through the Finance Department.

Yours very truly,

A. E. JARVIS, *Acting D.M.*

The Auditor General.

AUDIT OFFICE, April 5, 1922.

SIR,—In your letter of March 28, 1922, you refer to an agreement made between the Federal Government and the Royal Agricultural Winter Fair Association through which the Association is to receive in annual instalments, covering a period of ten years, a fixed sum from the Government.

Please furnish this office with a copy of the agreement.

I am, Sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Minister of Agriculture.

BUREAU DE L'AUDITEUR, le 25 mai 1922.

MONSIEUR,—Je désire attirer votre attention sur un item des déboursés effectués à même les crédits pour l'industrie animale pour l'exercice 1921-1922.

Le 11 octobre 1921 un chèque portant le n° 29591 a été signé en faveur de la Royal Agricultural Winter Fair Association (A. P. Westervelt, trésorier) sous forme d'octroi pour une exposition d'hiver "devant être tenue à Toronto du 16 au 24 novembre 1921".

L'on me dit que telle exposition d'hiver n'a jamais eu lieu. Dans ce cas veuillez donc avoir la bonté de me dire ce qu'on a fait avec l'octroi.

Une lettre circulaire du ministère de la Finance, datée le 18 janvier 1921, défendait à tous les ministères d'émettre tout chèque de $25,000 ou plus. Veuillez donc expliquer pourquoi vous avez manqué de vous conformer à ces instructions.

Je demeure, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Sous-ministre de l'Agriculture.

MINISTÈRE DE L'AGRICULTURE, 28 mars 1922.

MONSIEUR,—Reçue votre du 25 courant concernant le chèque n° 29593 en faveur de la "Royal Agricultural Winter Fair Association" au montant de $25,000 comme octroi pour une exposition qui devait avoir lieu à Toronto au mois de novembre de l'année dernière.

Vous ne vous trompez guère en pensant que ce projet d'exposition d'hiver ne s'est point réalisé et des mesures sont en cours avec la Royal Agricultural Winter Fair Association en vue du remboursement de la somme de $25,000 qui lui a été payée. L'on s'attend d'ici à quelques jours à recevoir un chèque pour ce moment.

Vous me permettrez d'ajouter que c'est l'intention de faire cette année, en faveur de cette exposition d'hiver, un paiement de $10,000 pour servir à régler certaines dettes de l'association. Cependant cette somme de $10,000 sera soustraite du total qui doit être payé pendant une période de dix ans à la "Royal Agricultural Winter Fair Association" en vertu d'une convention entre le gouvernement fédéral et la dite association.

Pour ce qui concerne le dernier paragraphe de votre lettre où il est mentionné qu'un chèque de $25,000 a été émis par notre ministère, permettez-moi de vous dire, sur l'information de notre comptable, qu'avant d'émettre le chèque en question celui-ci a communiqué avec un des officiers du ministère de la Finance pour lui demander la permission d'en agir ainsi. Vu que cet argent était requis pour usage immédiat afin de régler l'affaire de cette façon, cette permission a été accordée, et par conséquent, c'est là la raison pourquoi le chèque a été émis par notre ministère au lieu de provenir du ministère de la Finance.

Bien à vous,

A. E. JARVIS, *S.-M. sup.*

L'Auditeur général.

BUREAU DE L'AUDITEUR, 5 avril 1922.

CHER MONSIEUR,—Dans votre lettre du 28 mars 1922, vous parlez d'un accord survenu entre le gouvernement fédéral et la "Royal Winter Fair Association" d'après lequel l'association doit recevoir du gouvernement par versements annuels couvrant une période de dix ans, une somme fixe.

Veuillez nous fournir une copie de ce contrat.

Je suis, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le sous-ministre de l'Agriculture.

AUDIT OFFICE, May 26, 1922.

SIR,—I beg to bring to your notice cheque 60,500 of the fiscal year ended March 31, 1922, in favour of the National Fat Stock Show, Toronto for $15,000.

Under an Order in Council—P.C. 2551—of December 20, 1919, the Department was authorized to pay from the appropriation for Live Stock Industry an annual grant of $25,000, for ten years to the National Fat Stock Show at Toronto which amount according to an agreement entered into between the National Fat Stock Show and the Department must be paid out for prizes &c. subject to certain conditions.

It would appear that there was no fat stock show at Toronto during the fiscal year ended March 31, 1922 and for that reason the grant of $25,000 paid by the Department for that year has been refunded.

I presume the refund was made for the reason that the National Winter Fair at Toronto was not held during the year. If so it seems to me the Department had no authority to issue subsequently a cheque for $15,000 as part of the expenditure of the past fiscal year.

This payment is evidently intended as a loan as provision has been made by the Department for repayment.

The Order in Council—P.C. 2551—does not authorize a transaction of this nature.

As this grant has been made under Order in Council I think it should be specially mentioned in the Supply Bill, as for instance, "Live Stock, including grant to National Fat Stock Show, Toronto, $25,000."

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Agriculture.

DEPARTMENT OF AGRICULTURE, May 29, 1922.

DEAR SIR,—I beg to acknowledge receipt of your letter of the 26th instant in regard to the grant made to the Royal Agricultural Winter Fair.

In this connection I would advise you that the Department asked for the refund of the grant of $25,000 made on account of last year for the reason that it was decided that the Department should not make the full grant for last year in view of the fact that no Fair had been held. By reason of the fact, however, that considerable expenditure had been incurred by the Fair Association and the Fair itself was called off at the last moment only, due to the necessary buildings not being in shape, the Minister decided that this Department should make a grant of $15,000 on last year's account as it was expected a similar grant would be made by the Ontario Department of Agriculture and the whole expenditure made up in this way. This was done in full conformity with the Order in Council of the 20th December, 1919, which authorizes the grant to be made, one paragraph of which Order reads:

> "The Minister, therefore, recommends that he be authorized to make a grant to the said National Fat Stock Show of $25,000 per year for the next ten years, similar to the contribution of the Provincial Government."

This paragraph, I am sure you will admit, makes it possible for us to grant this money whether the Fair is held or not, provided, of course, that the Winter Fair Association has, during the year covered, incurred certain expenditures which would make a grant necessary and advisable.

BUREAU DE L'AUDITEUR, 26 mai 1922.

CHER MONSIEUR,—Je désire appeler votre attention sur le chèque 60,500 de l'exercice terminé le 31 mars 1922, en faveur du "National Fat Stock Show", de Toronto, pour $15,000.

D'après l'arrêté en Conseil—C.P. 2551—du 20 décembre 1919, le ministère a été autorisé à verser à même le crédit de l'industrie animale, un octroi de $25,000, pour dix ans, à la "National Fat Stock Show" de Toronto, montant qui, en vertu d'une convention intervenue entre la "National Fat Stock Show" et le ministère, doit être versé pour prix, etc., sujet à certaines conditions.

Il semblerait qu'il n'y a pas eu de foire d'animaux gras à Toronto pendant l'exercice terminé le 31 mars 1922, et pour cette raison la subvention de $25,000 versée par le ministère pour cet exercice lui a été remboursée.

Je présume que le remboursement s'est fait parce que la "National Winter Fair" de Toronto n'a pas eu lieu pendant l'exercice. Dans ce cas, il me semble que le ministère n'avait aucune autorisation pour émettre subséquemment un chèque de $15,000, comme partie de la dépense de l'exercice écoulé.

Ce versement est évidemment censé être un prêt puisque le ministère a prévu son remboursement.

L'arrêté en Conseil—C.P. 2551—n'autorise pas une transaction de cette nature.

Comme cette subvention a été accordée en vertu d'un arrêté en Conseil, je crois qu'il faudrait la mentionner particulièrement dans le bill des subventions, indiquant, par exemple: "Industrie animale, y compris octroi au "National Fat Stock Show", Toronto, $25,000."

Je suis, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. adjoint.*

Le sous-ministre de l'Agriculture.

MINISTÈRE DE L'AGRICULTURE, 29 mai 1922.

CHER MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre en date du 26 courant touchant l'octroi fait au "Royal Agricultural Winter Fair".

Je me permets de vous faire remarquer, à ce sujet, que le ministère a demandé le remboursement de l'octroi de $25,000 fait l'an dernier pour la raison que le ministère, a-t-on décidé, ne devrait pas accorder le plein montant de l'octroi pour l'an dernier puisque l'on n'a pas tenu d'exposition. Toutefois, par suite du fait que la "Fair Association" a fait des déboursés considérables et que c'est au dernier moment seulement que l'on a décidé de ne pas tenir d'exposition parce que les édifices n'étaient pas dans un état convenable, le ministre a décidé que son ministère accorderait un octroi de $15,000 pour l'an dernier. On était sous l'impression que le ministère de l'Agriculture d'Ontario ferait un octroi semblable de sorte que les dépenses se trouveraient entièrement défrayées de cette manière. Tout cela a été fait conformément aux termes de l'arrêté du Conseil en date du 20 décembre 1919 autorisant cet octroi et dont un des paragraphes se lit comme suit:

> "Le ministre recommande donc qu'il soit autorisé à accorder un octroi de $25,000 au dit "National Fat Stock Show" chaque année pendant les dix années qui suivront, lequel octroi sera semblable à la contribution du gouvernement provincial."

Ce paragraphe, vous en conviendrez, j'en suis certain, nous permet d'accorder un octroi, que l'exposition ait ou n'ait pas lieu à la condition, sans doute, que la "Winter Fair Association" ait, pendant l'année pour laquelle l'octroi est accordé, encouru certaines dépenses de nature à rendre l'octroi nécessaire et opportun.

I note your statement that "This payment is evidently intended as a loan as provision has been made by the Department for re-payment." I am afraid I cannot agree with this statement as the grant is not intended as a loan but rather as part of the total grant covering the whole ten years.

I cannot see any reason for your opinion that this grant should be specially mentioned in the Supply Bill. It was properly made under Order in Council and the reason the Order in Council was passed was because the situation was rather out of the ordinary and the grant was to be made for a certain stated period. If similar procedure had been followed as is the case with grants to our other Exhibitions, no Order in Council would have been passed. It was recognized, however, that there would have been some reason for argument and continued correspondence each year as to the grant to be paid, etc., and under these circumstances it was decided to ask for the authority of Council in order that these matters could be definitely settled for the whole period.

Yours very truly,

J. H. GRISDALE, *D.M.*

The Auditor General.

AUDIT OFFICE, June 2, 1922.

DEAR SIR,—Referring to your letter of the 29th ultimo in explanation of a grant of $15,000 made during the fiscal year 1921-22 to the Royal Agricultural Winter Fair or National Fat Stock Show at Toronto in which you take the view that under the Order in Council of December 1919 in which the grant was authorized that it was competent for the Department to pay the grant in part at least whether the Fair was held or not, I beg to call your attention to the purposes to which the grant is to be applied as stated in the Order in Council (P.C. 2551) and the agreement of July 5, 1920 between the Department and the Royal Agriculture Association.

The Order in Council authorized a grant of $25,000, annually for the next ten years similar to the grant of an equal amount by the Provincial Government which, according to the Order in Council, quoted above, is for the purpose of helping to pay the upkeep and general expenses.

I presume therefore it would not be a strictly proper application of the provincial grant to apply any portion of it to the construction of the buildings or the original cost of the laying out of the grounds, that is the fat stock show should be a going concern before a claim might be made for the grant.

According to the agreement signed by the Honourable Dr. S. F. Tolmie, Minister of Agriculture, the Federal grant must be used for—

(1) Payment of prizes won on agricultural exhibits in regular Winter Fair Classes at Fairs held under said Association.

(2) Payment of legitimate upkeep and general expenses.

(3) To submit auditors' statement of previous year to party of first part before grant is made to Association.

Under these provisions of the agreement it seems to me the Department contemplated payment of the grant in case a Fair was held and prizes awarded, and the Order in Council I think should be so interpreted.

I am still of opinion that specific grants for any particular purpose may not be paid under a Departmental Letter of Credit unless Parliament has specially authorized such grants either in the Supply Bill or by some other statutory provision.

Je remarque votre déclaration que "Ce paiement est évidemment fait à titre de prêt puisque le ministère a pris des mesures en vue du remboursement". J'ai bien peur de ne pouvoir admettre cette déclaration puisque l'octroi n'a pas été fait à titre de prêt mais plutôt comme une partie du total de l'octroi représentant toute la période des dix ans.

Je ne vois aucune raison à l'appui de votre opinion voulant qu'il soit fait une mention spéciale de cet octroi dans le bill des subsides. Cet octroi a été fait conformément aux termes d'un arrêté du Conseil. Cet arrêté du Conseil a été adopté parce que la situation était extraordinaire et que l'octroi devait être accordé pour une certaine période déterminée. Si l'on avait suivi la procédure que l'on suit lorsqu'il s'agit des octrois à nos autres expositions, aucun arrêté du Conseil n'aurait été adopté. On a constaté toutefois que certaines raisons auraient pu motiver une discussion et un échange de correspondance, chaque année, touchant l'octroi à accorder, etc., et, dans ces circonstances, on a décidé de demander l'autorisation du conseil afin de règler définitivement ces questions pour toute la période.

Votre bien dévoué,

J. H. GRISDALE, *sous-ministre.*

A l'Auditeur général.

BUREAU DE L'AUDITEUR, 2 juin 1922.

CHER MONSIEUR,—Dans votre lettre, datée le 29 mai, vous donnez des explications concernant l'octroi de $15,000 fait au cours de l'exercice 1921-22 au "Royal Agricultural Winter Fair or National Fat Stock Show" à Toronto. Vous prétendez qu'en vertu de l'arrêté en Conseil de décembre 1919, qui autorise cet octroi, le département avait le pouvoir d'accorder cet octroi en partie au moins, que cette exposition ait lieu ou non. A ce sujet j'attire votre attention sur les fins auxquelles cet octroi doit servir tel qu'énoncé dans l'arrêté du Conseil (C.P. 2551) et l'entente du 5 juillet 1920 entre le département et la "Royal Agriculture Association".

L'arrêté en Conseil autorise le paiement d'un octroi de $25,000, annuellement au cours des dix prochaines années à condition que le gouvernement provincial accorde un montant semblable lequel, en vertu de l'arrêté en Conseil susmentionné, doit servir à couvrir les frais d'entretien et les frais généraux.

En conséquence je suppose qu'il n'est pas tout à fait approprié de faire servir une partie de l'octroi provincial à la construction des édifices ou au coût original de la préparation du terrain—que l'exposition des animaux gras doit être une chose établie avant que l'on puisse faire la demande d'un octroi.

Aux termes de l'entente signée par l'honorable Dr F. S. Tolmie, ministre de l'Agriculture, l'octroi fédéral doit servir au:

(1) Paiement des prix gagnés pour exhibits agricoles au cours d'expositions régulières d'hiver tenues sous les auspices de ladite association.

(2) Paiement des frais légitimes d'entretien et frais généraux.

(3) Le rapport du vérificateur pour l'année précédente devra être soumis à la partie de la première part avant que l'octroi soit accordé à l'association.

Aux termes de cette entente il me semble que le département ne s'engageait à verser cet octroi qu'au cas ou une exposition serait tenue et des prix accordés, et l'arrêté en Conseil devrait être ainsi interprété.

Je suis encore d'avis que des octrois spéciaux pour une fin particulière quelconque ne peuvent pas être payés au moyen d'une lettre de crédit d'un département à moins que le Parlement n'ait tout particulièrement autorisé ces octrois soit dans le bill des subsides ou par quelqu'autre mesure statutaire.

I think you will find that the practice in the case of grants such as the one in question has been to obtain the authority of Parliament in the form of an item in the Supply Bill whether such item stood alone or was part of a general vote.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Agriculture.

DEPARTMENT OF AGRICULTURE, June 6, 1922.

DEAR SIR,—I have your letter of the 2nd instant in regard to the grant made to the Royal Agricultural Winter Fair.

I have read your letter with interest and agree in a great part with what you have to say in regard to this matter. I would point out, however, that none of the money granted by this Department was used for the purpose of erecting buildings or laying out grounds but was used in connection with the preparatory work, such as arranging prize lists, getting out catalogues, advertising, etc., which work unfortunately proved quite abortive in so far as the holding of a successful exhibition was concerned on account of the city of Toronto not having made proper arrangements in regard to the buildings.

I think that this use of the money granted by the Federal Government was quite within the meaning of the Order in Council and the agreement between the Department and the Association. I might say also that an auditor's statement was submitted to the Department before the cheque was issued.

As to your last paragraph, I might point out that this Department makes grants to a large number of exhibitions and winter fairs every year and these grants are not specially authorized by the Supply Bill or any other statutory provision; provision is made for them in the Vote for Live Stock and similar provision was made for the grant to the Royal Agricultural Winter Fair.

Yours truly,

J. H. GRISDALE, *D.M.*

The Auditor General.

AUDIT OFFICE. June 15th, 1922.

DEAR SIR,—I beg to acknoweldge receipt of your letter of the 6th instant with further reference to the grant of $25,000 authorized by Order in Council in aid of the Royal Agricultural Fair at Toronto.

As I have already informed you I am of opinion that grants of specific amounts may not be paid unless authorized by Parliament either by special statute or by a provision in the Supply Bill empowering the Governor in Council or the Minister of the Department concerned to do so.

I am aware that grants similar to that authorized by the Governor in Council for the Royal Agricultural Fair have been paid heretofore by your Department from votes provided for general purposes, but, notwithstanding this fact I hold to the opinion that all such grants should in some form be brought to the notice of Parliament in the Estimates unless there is other statutory authority for them.

If you do not agree with my view in this regard I would suggest that you refer the point I have raised to the Finance Department and the Department of Justice.

Yours truly,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Agriculture.

Je crois que la coutume suivie dans les cas d'octrois semblables à celui-ci consiste à obtenir l'autorisation du Parlement en faisant insérer cet item dans le bill des subsides, soit que cet item soit présenté seul ou comme partie d'un crédit général.

Je suis, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. adjoint.*

Le sous-ministre de l'Agriculture.

MINISTÈRE DE L'AGRICULTURE, le 6 juin 1922.

MONSIEUR,—J'ai reçu votre lettre du 2 courant traitant de l'octroi accordé à la "Royal Agricultural Winter Fair".

J'ai lu votre lettre avec intérêt et j'approuve en grande partie ce que vous dites à ce sujet. Je vous ferai remarquer, cependant, qu'aucune partie des deniers octroyés par notre ministère ne fut employée pour l'érection de bâtiments ou la préparation de terrains, mais la somme fut entièrement consacrée aux travaux préparatoires, comme la préparation de listes de prix, la publication de catalogues, la publicité, etc., tous travaux qui furent inutiles au point de vue de la tenue fructueuse d'une exposition, parce que la ville de Toronto n'avait pas pris les dispositions nécessaires pour assurer l'usage de pavillons.

Je crois que cet emploi de l'octroi du gouvernement fédéral est conforme aux dispositions de l'arrêté du Conseil et de l'arrangement conclu par le ministère et l'association. Je puis dire de plus qu'un compte rendu vérifié fut présenté au ministère avant l'émission du chèque.

Pour ce qui est de votre dernier paragraphe, je puis vous signaler que notre ministère subventionne chaque année un grand nombre d'expositions d'été et d'hiver sans que ces subventions soient nommément autorisées par la loi des subsides ou aucune autre disposition statutaire; cette dépense est autorisée par le crédit pour le bétail et c'est ce qui nous a autorisés à subventionner la "Royal Agricultural Winter Fair".

Respectueusement votre,

J. H. GRISDALE, *sous-ministre.*

L'Auditeur général.

BUREAU DE L'AUDITEUR, 15 juin 1922.

CHER MONSIEUR,—J'accuse réception de votre lettre du 6 courant traitant de nouveau de l'octroi de $25,000 autorisé par arrêté de l'Exécutif en aide à l'exposition agricole royale de Toronto.

Comme je vous l'ai déjà dit, je crois que les octrois de montants fixes ne peuvent être payés qu'avec l'autorisation du Parlement, soit par statut spécial, soit par stipulation du bill des subsides autorisant l'Exécutif ou le ministre du département à ce faire.

Je sais que des octrois comme celui que l'Exécutif a autorisé pour l'exposition agricole royale ont été payés dans le passé par votre département à même les crédits votés pour fins générales, mais, en dépit de ce fait, je soutiens que tous ces octrois doivent, sous une forme ou une autre, être portés à la connaissance du parlement dans les subsides, à moins qu'un autre statut quelconque les autorise.

Si vous différez d'opinion à ce sujet, je vous conseillerais de soumettre le point que j'ai soulevé au ministère des Finances et au ministère de la Justice.

Bien à vous,

WM KEARNS, *A.G. adjoint.*

Au sous-ministre de l'Agriculture.

Payment of amounts due by Crown to other than the persons to whom it is actually due

CUSTOMS AND EXCISE, OTTAWA, April 6, 1922.

SIR,—I have the honour to make application herewith for issue of a cheque in favour of J. E. Gillis for amount $200—the same to be chargeable to Casual Revenue.

The circumstances of the case are as follows: Under date the 31st May, 1920, this Department issued cheque No. 5826 in favour of B. F. Wardell for the amount of $200, being his share of award in the case of Excise Seizure No. 124. Prior to this, Mr. J. E. Gillis, barrister of Blairmore, Alberta, acting on behalf of one John H. Green, to whom Wardell had sold a Ford car but had failed to pay for same, represented the case to the Department and requested that payment of any moneys due Wardell be held until he could secure judgment against Wardell in the matter. Accordingly, this cheque was held, and being transferred through the hands of different officers, eventually was lost.

A bond to indemnify this Department against cashing of this cheque was obtained and approved by the Department of Justice on the 16th ultimo, upon which a duplicate cheque was issued in favour of Wardell, but it having been found impossible to locate him for many months, the cheque was endorsed by the departmental officials signing same, to the credit of the Receiver General, and carried to account as Casual Revenue on Revenue Statement No. 297 of the 31st March, 1922. Mr. Gillis having obtained judgment on behalf of his client, Green, on date 10th November, 1921, as per copy enclosed herewith, it is now proposed to obtain the amount which was payable to Wardell, for payment to Gillis for his client; and the cheque above requested is consequently applied for.

As the matter has been standing for some time, early issue of the same will be appreciated.

I have the honour to be, sir, your obedient servant,

H. V. RORKE, *Chief Accountant.*

The Auditor General, Ottawa.

BLAIRMORE, ALBERTA, November 11, 1921.

DEAR SIRS,—Further in this connection I now have pleasure in advising you that I have recovered judgment in the District Court of this District against Wardell for $250 debt and $72.30 costs. I herewith enclose the original judgment roll showing that judgment has been entered for these amounts, in all $322.30. Accordingly, I shall be glad if you can arrange to forward this amount to me out of the moneys at the credit of Wardell in your Department.

Yours truly,

J. E. GILLIS.

The Commissioner of Customs and Excise.

AUDIT OFFICE, OTTAWA, April 19, 1922.

SIR,—I am in receipt of your application of the 6th inst., for the issue of a cheque in favour of J. E. Gillis for the amount of $200, the same to be charged to Casual Revenue.

It appears that this amount is due by your department to B. F. Wardell, formerly of the Alberta Provincial Police, being his share of award in the case of Excise Seizure No. 124, but that Wardell's present whereabouts is unknown. Mr. J. E. Gillis, of Blairmore, Alberta, barrister, acting for one John H. Green has

Paiement de sommes dues par la Couronne à des personnes autres que celles auxquelles ces sommes sont réellement dues

DOUANE ET ACCISE, OTTAWA, 6 avril 1922.

MONSIEUR,—J'ai l'honneur de vous demander par les présentes d'émettre un chèque en faveur de J. E. Gillis au montant de $200,—ledit chèque devant être imputable au compte du Revenu Casuel.

Les circonstances relatives à ce cas sont les suivantes: Le 31 mai 1920, ce département émit un chèque, le n° 5826, en faveur de B. F. Wardell au montant de $200, représentant sa partie de la récompense accordée relativement à la Saisie de l'Accise n° 124. Antérieurement à cela, M. J. E. Gillis, avocat de Blairmore, Alberta, agissant au nom de John H. Green, à qui Wardell avait vendu un automobile Ford lequel n'avait pas été payé, soumit le cas au département et demanda que le paiement de toute somme due à Wardell soit différé jusqu'à ce qu'il puisse obtenir jugement contre lui à ce sujet. En conséquence ce chèque a été retenu, et a été finalement perdu au cours de ses périgrinations entre les mains de divers fonctionnaires.

Nous avons obtenu un cautionnement pour indemniser le département de toute perte pouvant résulter de la négociation de ce chèque; cautionnement qui fut approuvé par le ministère de la Justice le 16 du mois dernier. Nous avons alors émis un chèque en duplicata en faveur de Wardell, mais comme nous n'avons pas pu le retracer après plusieurs mois de recherches, les fonctionnaires du département endossèrent le chèque en faveur du receveur général et le portèrent à son compte tel qu'indiqué par l'item Revenu Casuel dans le tableau du revenu n° 297 au 31 mars 1922. M. Gillis ayant obtenu jugement en faveur de son client Green, le 10 novembre 1921, comme le démontre la copie ci-jointe, nous avons maintenant l'intention d'obtenir possession de l'argent payable à Wardell, afin de le remettre à Gillis pour le compte de son client; et en conséquence nous demandons l'émission du chèque susmentionné.

Comme cette question est pendante depuis un certain temps, nous apprécierons beaucoup l'émission prochaine de ce chèque.

H. V. RORKE, *Comptable en chef.*

L'Auditeur général, Ottawa.

BLAIRMORE, ALBERTA, 11 novembre 1921.

CHER MONSIEUR,—J'ai le plaisir de vous apprendre à ce sujet que j'ai obtenu jugement dans la cour de District de ce district contre Wardell au montant de $250.00 pour dette et de $72.30 pour frais. J'inclus avec la présente la liste originale des jugements indiquant que j'ai obtenu jugement pour ces montants, soit $332.30 en tout. En conséquence je vous serais très obligé si vous pouviez me faire parvenir ce montant à même les sommes au crédit de Wardell dans votre département.

Bien à vous,

J. E. GILLIS.

Le Commissaire de la Douane et de l'Accise.

BUREAU DE L'AUDITEUR, OTTAWA, 19 avril 1922.

MONSIEUR,—J'accuse réception de votre demande du 6 du mois courant relativement à l'émission d'un chèque en faveur de J. E. Gillis au montant de $200.00, somme devant être imputée au compte du Revenu Casuel.

Il appert que cette somme est due par votre département à B. F. Wardell, autrefois de la police provinciale de l'Alberta, comme sa partie de la récompense accordée relativement à la Saisie de l'Accise, n° 124, mais que Wardell est introuvable en ce moment.

obtained judgment against Wardell in the District Court of the District of Macleod, for $250 debt and $72.30 costs, and it is desired by your department to pay this amount of $200 to Mr. Gillis in partial satisfaction of such judgment.

I beg to point out that according to an informal opinion I have received from the Department of Justice, moneys due by the Crown are not subject to attachment by garnishee process, and that, in accordance with this opinion, any moneys due Wardell by your department are payable to Wardell himself only, or to such person as may have been legally appointed by him as his attorney to receive such moneys.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A. G.*

The Accountant of Customs and Excise.

BLAIRMORE, ALBERTA, May 13, 1922.

DEAR SIR,—*re Green v. Wardell.* With reference to your letter of 19th April to the Chief Accountant of Customs and Excise *re* the amount due by the Department of Customs and Excise to B. F. Wardell, lately of Coleman, a copy of which letter was forwarded to me, I shall be obliged if you will reply to the following suggestion:—

In the case of Hobbs v. Attorney General of Canada, 7 Alberta Law Reports, page 371, the Supreme Court of Alberta held that in the case of an admitted debt owing by the Crown which if owing by a private individual would be attachable the proper proceeding is by way of an appointment of a receiver authorizing the receiver to receive and receipt for the debt and in a proper case to sign the Crown's creditor's name as endorser of any cheque or order for payment of the amount and that the Supreme Court of Alberta has jurisdiction to make such order appointing such receiver. This Judgment, however, distinguishes from the above salaries owing to servants of the Crown, but as this is not salary owing to Wardell I think the Judgment would apply.

I shall be obliged if you will let me know whether in the event of such an order being obtained from the Supreme Court of Alberta you will authorize the payment of the amount due by the Crown to Wardell to the receiver appointed. I am forwarding a copy of this letter to Col. Rorke, Chief Accountant of Customs and Excise.

Yours faithfully,

J. E. GILLIS, *Barrister.*

WM. KEARNS, Asst. Auditoı General, Ottawa.

AUDIT OFFICE, OTTAWA, May 17, 1922.

DEAR SIR,—I beg to acknowledge receipt of your letter of the 13th inst., with reference to the case of Green vs. Wardell, asking whether I would authorize the payment of the amount in question in the event of an order being obtained from the Supreme Court of Alberta for the appointment of a receiver in this case.

In reply I would state that I am not in a position to say what bearing the ruling of the Supreme Court of Alberta in the case of Hobbs vs. Attorney General of Canada has on the case in question. I would suggest that you take up the matter with the Department of Justice here, stating in full the circumstances of the case, and asking whether the action proposed by you would warrant the payment of the sum due Wardell by the Crown.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A. G.*

J. E. GILLIS, Barrister, Blairmore, Alberta.

M. J. E. Gillis, de Blairmore, Alberta, avocat, agissant au nom de John H. Green a obtenu jugement contre Wardell dans la cour de District du district de Macleod, au montant de $250.00 pour dette et de $72.30 pour frais, et votre département a l'intention de payer cette somme de $200 à M. Gillis pour satisfaire en partie à ce jugement.

Je vous ferai remarquer à ce sujet que d'après une opinion officieuse du ministère de la Justice, les argents dus par la Couronne ne peuvent pas être liés par des procédures en tiers saisi, et que, conformément à cette opinion, tout argent dû à Wardell par votre département est payable à Wardell lui-même seulement, ou à telles personnes qui peuvent avoir été légalement nommées par lui comme procureur pour recevoir cet argent.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A. G. adj.*

Le Comptable de la Douane et de l'Accise.

BLAIRMORE, ALBERTA, 13 mai 1922.

CHER MONSIEUR,—*re Green v. Wardell.* En ce qui concerne votre lettre du 19 avril au comptable en chef de la Douane et de l'Accise au sujet du montant dû par le ministère de la Douane et de l'Accise à B. F. Wardell, autrefois de Coleman, dont copie m'a été envoyée, vous m'obligeriez beaucoup en répondant à la question suivante.

Dans le cas de Hobbs vs. le Solliciteur général du Canada, 7 Alberta Law Reports page 371, la cour Suprême de l'Alberta a rendu jugement déclarant que dans le cas d'une dette reconnue due par la Couronne, laquelle si elle était due par un particulier serait sujette à saisie, la procédure régulière à suivre consiste dans la nomination d'un receveur autorisé à recevoir et à donner quittance de la dette et dans un cas régulier à l'autoriser à apposer le nom du créancier de la Couronne comme endosseur de tout chèque ou mandat pour le paiement du montant dû; le jugement déclare en plus que la cour Suprême de l'Alberta a juridiction pour ordonner la nomination d'un tel receveur. Ce jugement cependant établit une distinction entre ce qui précède et les appointements dus par la Couronne à des fonctionnaires de l'Etat, mais comme il n'est pas question de salaire dans le cas de Wardell je crois que le jugement peut y être appliqué.

Je vous serais obligé de me laisser savoir si vous autoriseriez le paiement de la somme due par la Couronne à Wardell au receveur nommé, au cas où la Cour Suprême de l'Alberta émettrait un tel ordre. J'envoie une copie de cette lettre au Col. Rorke, comptable en chef de la Douane et de l'Accise.

Bien à vous,

J. E. GILLIS, *avocat.*

WM. KEARNS, Auditeur Général adjoint, Ottawa.

COUR DES COMPTES, OTTAWA, le 17 mai 1922.

CHER MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 13 courant, au sujet du procès de Green vs Wardell, demandant si j'autoriserais le paiement du montant en question, au cas où une ordonnance serait obtenue de la Cour Suprême de l'Alberta, quant à la nomination d'un receveur pour ce procès.

En réponse, je dirais que je ne suis pas en mesure de dire quelle portée le jugement rendu par la Cour Suprême de l'Alberta, dans le procès de Hobbs vs le procureur général du Canada, a dans le procès en question. Je vous suggérerais d'exposer la chose au ministère de la Justice, ici, déclarant au long les circonstances du procès, et demandant si l'action que vous projetez justifierait le paiement de la somme due par la Couronne à Wardell.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

BLAIRMORE, ALBERTA, August 5, 1922.

DEAR SIR,—*re Green v. Wardell.* With reference to your letter to our Mr. Gillis of 17th May last, we have now obtained from Mr. Justice Tweedie of the Supreme Court of Alberta an order authorizing the Sheriff of the Judicial District of Macleod, Alberta, to give to the Government a valid receipt for the money due by the Government to Wardell and appointing the said Sheriff to receive the money.

This letter is written you with reference to a letter from you to the Chief Accountant of Customs and Excise dated 19th April last, and we shall be obliged if you will now authorize the Customs Department to issue a cheque for the amount due to Wardell to the Sheriff of the Judicial District of Macleod. A copy of the order is enclosed herewith and the original order has to-day been forwarded to the Commissioner of Customs and Excise, Ottawa.

We shall be glad to hear from you.

Yours faithfully,

GILLIS & MACKENZIE.

The Assistant Auditor General, Ottawa.

AUDIT OFFICE, OTTAWA, September 20, 1922.

SIR,—With further reference to your application of April 6th, last, for a cheque in favour of J. E. Gillis for the amount of $200 chargeable against Casual Revenue, I beg to inform you that I am in receipt of a letter from the legal firm of Gillis and Mackenzie of Blairmore, stating that they have obtained from Mr. Justice Tweedie of the Supreme Court of Alberta an order authorizing the Sheriff of the District of Macleod to receive the money due by the Government to Wardell and to give a valid receipt for the same, and that this order has been transmitted to your department.

Before this payment can be authorized by me I must ask you to obtain from the Justice Department an opinion as to whether or not this order is sufficient authority to pay to the Sheriff of Macleod, as receiver, the moneys due by your department to Wardell. I notice that the amount of $400 is referred to in the order issued by Mr. Justice Tweedie, whilst the amount referred to in the previous correspondence as being due Wardell by your Department is placed at $200. Kindly explain the additional $200 in this claim.

Yours truly,

AUDIT OFFICE, OTTAWA, April 21, 1922.

> "Whenever the collector at any port is satisfied that, in such port, as well as in the adjacent city or town and its vicinity, there does not exist an extraordinary, infectious, contagious or epidemic disease, which could be transmitted to the vessel, her crew or cargo, he may grant to any vessel requiring a bill of health a certificate under his hand and seal, attesting the fact aforesaid, for which he shall be entitled to ask and receive a fee of one dollar."

It appears that in some instances the collectors of ports have acted on the view that the fee therein provided may be retained by them as a personal perquisite and

BLAIRMORE, ALBERTA, le 5 août 1922.

CHER MONSIEUR,—Au sujet de Green vs Wardell. Concernant votre lettre du 17 mai écoulé adressée à notre M. Gillis, nous avons maintenant obtenu de M. le juge Tweedie, de la Cour Suprême d'Alberta, une ordonnance autorisant le shérif du district judiciaire de Macleod, Alberta, de donner au gouvernement un reçu valide pour l'argent dû par le gouvernement à Wardell, et nommant ledit shérif pour la réception de cet argent.

Cette lettre vous est écrite à propos d'une lettre écrite par vous au comptable en chef de la douane et de l'accise, datée du 19 avril dernier, et nous vous serons obligés si vous voulez maintenant avoir la bonté d'autoriser le ministère de la Douane, afin qu'il émette un chèque pour le montant dû à Wardell au shérif du district judiciaire de Macleod. Une copie de l'ordonnance est incluse avec la présente, et l'ordonnance originale a été aujourd'hui transmise au commissaire de la douane et de l'accise, à Ottawa.

Il nous fera plaisir d'avoir un mot de vous.

Fidèlement à vous,

GILLIS & MACKENZIE.

L'Auditeur général adjoint, Ottawa.

BUREAU DE L'AUDITEUR, OTTAWA, le 20 septembre 1922.

MONSIEUR,—Référant de nouveau au sujet de votre demande du 6 avril dernier pour un chèque en faveur de J. E. Gillis pour la somme de $200 imputable sur le compte des recettes casuelles, j'ai l'honneur de vous informer que j'ai reçu une lettre de la société légale Gillis et Mackenzie, de Blairmore, disant que ces messieurs ont obtenu de M. le juge Tweedie, de la Cour Suprême de l'Alberta un ordre autorisant le shérif du district de Macleod à recevoir l'argent que le gouvernement doit à Wardell et à donner un reçu valide pour ce montant, et disant de plus que cet ordre avait été transmis à votre département.

Avant de pouvoir autoriser ce paiement je dois vous demander d'obtenir du ministère de la Justice son opinion pour savoir si oui ou non cet ordre est une autorisation suffisante pour payer au shérif de Macleod, en sa qualité de receveur, l'argent que votre ministère doit à Wardell. Je constate qu'il est fait mention de la somme de $400 dans l'ordre émanant de M. le juge Tweedie, tandis que la somme mentionnée dans la correspondance antérieure comme étant due à Wardell par votre département n'est que de $200. Veuillez donc m'expliquer la raison des autres $200 dans la présente réclamation.

Bien à vous,

BUREAU DE L'AUDITEUR, OTTAWA, le 21 avril 1922.

MONSIEUR,—L'article 141 de la loi des douanes, S.R.C., chapitre 48, stipule ce qui suit:—

> "Lorsque le percepteur des douanes à un port quelconque est convaincu qu'il n'existe pas dans ce port, non plus que dans la cité ou ville adjacente et dans ses environs, de maladies extraordinaires, pestilentielles, contagieuses ou épidémiques, susceptibles de pouvoir être communiquées par le navire, son équipage ou sa cargaison, il peut donner, à tout navire qui demande une patente de santé, un certificat sous ses seing et sceau attestant le fait susdit; et pour ce service il a droit de demander et de recevoir un honoraire d'un dollar."

Il appert que dans certains cas les percepteurs dans les ports ont agi comme si les honoraires dont il est ici question pouvaient être retenus comme une gratification

consequently have not deposited the amounts collected from this source to the credit of the Receiver General. It seems to me such fees are public moneys within the meaning of the Consolidated Revenue and Audit Act and as such are subject to the provisions of that Act—R.S.C. Chap. 24, Sections 19, 20 and 35—and as a consequence the gross amount collected should be deposited to the credit of the Receiver General. I shall be obliged if you will let me have your opinion on this matter.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A. G.*

The Deputy Minister of Justice, Ottawa.

DEPARTMENT OF JUSTICE, OTTAWA, April 25, 1922.

SIR,—Replying to your letter of 21st instant, relative to whether the fees obtained by collectors of customs in granting vessels a bill of health under section 141 of the Customs Act should be considered public moneys within the meaning of the Consolidated Revenue and Audit Act, finding that sections 19 and 20 of the latter Act were enacted in 1878 and said section 141 in 1883, I have no doubt in reaching the conclusion that the later enactment was intended and is aptly expressed to authorize collectors to retain these fees.

Upon your observation that in "some instances" the collectors have adopted the view that they were entitled to this fee as a personal perquisite, I am informed by the Commissioner of Customs and Excise that there are in fact only two collectors who do not retain fees received from vessels for Bills of Health, and that in the case of these two their salaries were raised on the understanding that such fees were not to be retained by them.

I have the honour to be, sir, your obedient servant,

E. L. NEWCOMBE, *Deputy Minister.*

The Assistant Auditor General, Ottawa.

AUDIT OFFICE, OTTAWA, May 5, 1922.

SIR,—I beg to enclose herewith copy of a letter addressed by me to the Department of Justice on the subject of the fees collected by Collectors of Customs for Bills of Health issued under the authority of Section 141 of the Customs Act, and the reply of that Department thereto.

It would appear, from their reply, that the Department of Justice is of opinion that the Collectors of Customs are entitled to retain these fees as a perquisite of their office. It would also appear that the Collectors at Vancouver and Victoria some years ago surrendered their rights to these fees in return for an increase of salary.

I presume that under the recent classification the various Collectors of Customs were graded and their salaries fixed on the sole basis of the size and importance of the ports, and that the fees which might accrue under section 141 of the Customs Act were not taken into account. If such was the case will you kindly let me know if it is the intention of your Department to continue the present arrangement with regard to the disposition made of these fees by the collectors at Vancouver and Victoria.

I am further of opinion that as these fees are collected under the authority of a Federal Act, that they should appear in the Collector's cash account as having been

personnelle et, par conséquent, n'ont pas déposé les montants ainsi perçus au crédit du receveur général.

Il me semble que ces honoraires sont des deniers publics aux termes de la loi du Revenu consolidé et de l'Audition et, à ce titre, sont sujets aux dispositions de cette loi, S.R.C. chapitre 24, articles 19, 20 et 35 et, en conséquence le montant brut ainsi perçu doit être déposé au crédit du Receveur général. Je vous serais obligé si vous vouliez bien me faire connaître votre opinion à ce sujet.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre de la Justice, Ottawa.

MINISTÈRE DE LA JUSTICE, OTTAWA, le 25 avril 1922.

MONSIEUR,—En réponse à votre lettre du 21 courant, portant sur la question de savoir si les honoraires perçus par les percepteurs des douanes en accordant aux navires une patente de santé aux termes de l'article 141 de la loi des Douanes doivent être considérés comme des deniers publics au sens de la loi du Revenu consolidé et de l'Audition, constatant que les dits articles 19 et 20 de cette dernière loi ont été adoptés en 1878 et le dit article 141 en 1883, je n'hésite pas du tout à conclure que ce dernier article a été passé dans le but, et la rédaction en est assez claire, d'autoriser les percepteurs à retenir ces honoraires.

A propos de votre remarque que "dans certains cas" les percepteurs ont agi comme s'ils avaient le droit de retenir ces honoraires à titre de gratification personnelle, j'apprends du commissaire des Douanes et de l'Accise que, de fait, il n'y a que deux percepteurs des douanes qui ne retiennent pas les honoraires qu'ils reçoivent des navires pour les patentes de santé, et que dans ces deux cas les appointements de ces deux percepteurs ont été augmentés avec l'entente que ceux-ci ne retiendraient pas ces honoraires.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

E. L. NEWCOMBE, *S.-M.*

L'Auditeur général adjoint, Ottawa.

BUREAU DE L'AUDITEUR, OTTAWA, le 5 mai 1922.

MONSIEUR,—J'ai l'honneur de vous envoyer sous ce pli copie d'une lettre que j'ai adressée au ministère de la Justice au sujet des honoraires perçus par les percepteurs des douanes pour les patentes de santé émises en vertu de l'article 141 de la Loi des Douanes, et la réponse du ministère à cette lettre.

Il semblerait, par cette réponse, que le ministère de la Justice est d'avis que les percepteurs des douanes ont le droit de retenir ces honoraires à titre ou d'émoluments attachés à leur position. Il semblerait aussi que les percepteurs de Vancouver et de Victoria ont abandonné leurs droits à ces honoraires pour obtenir en retour une augmentation de traitements.

Je suppose que sous le régime de la récente classification les percepteurs des douanes ont été classifiés et leurs appointements ont été déterminés en prenant pour base l'étendue et l'importance des ports et que l'on n'a pas tenu compte des honoraires qui peuvent s'ajouter aux appointements en vertu de l'article 141. Si tel a été le cas, voulez-vous avoir la bonté de me dire si votre département a l'intention de maintenir le présent arrangement concernant l'emploi que les percepteurs de Vancouver et de Victoria font de ces honoraires.

Je suis aussi d'avis que, puisque ces honoraires sont perçus sous l'autorisation d'une loi fédérale, ils doivent être inscrits dans le compte de caisse des percepteurs comme

collected by him and later on paid out to himself. I do not know in what form these certificates are issued at present but would suggest that uniform printed forms be used, numbered serially, and that the collector should report monthly the number of such certificates issued.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A. G.*

The Commissioner of Customs and Excise, Ottawa.

DEPARTMENT OF CUSTOMS AND EXCISE, OTTAWA, June 1st, 1922.

SIR,—I have the honour to acknowledge the receipt of your letter of the 5th ultimo, enclosing copies of correspondence with the Department of Justice having reference to the fees collected by Collectors of Customs and Excise for Bills of Health under the authority of the Customs Act, section 141.

Having communicated with our Collectors at the chief shipping ports, it has been ascertained that the fees collected for bills of health during the last fiscal year at the undermentioned ports were as follows:

Victoria, B.C.	$1,311
Vancouver, B.C.	1,302
Montreal, P.Q.	917
Quebec, P.Q.	56
Halifax, N.S.	145
St. John, N.B.	103

I note your reference to the increase of salary given to Collectors at Vancouver and Victoria at the time they surrendered these fees some years ago and would state that, under the recent classification, Collectors of Customs were graded and their salaries determined on the basis of the business transacted at the ports, without reference to the fees which might accrue under section 141 of the Customs Act.

I observe you are of opinion that, as these fees are collected under the authority of a Federal Act, they should appear in the Collector's cash account as having been collected by him and subsequently paid to himself. It would appear that the Collectors are authorized to retain these fees and that it is not necessary to include them in the cash account. It is not customary to show in the Collector's cash account the amount collected for certified copies of invoices under the authority of section 185, subsection 2, of the Customs Act. I enclose form of certificate for Bill of Health and would state that these certificates are issued in book form numbered from 1 to 100.

I am, sir, your obedient servant.

R. R. FARROW, *Commissioner.*

The Asst. Auditor General, Ottawa.

AUDIT OFFICE, OTTAWA, June 10, 1922.

SIR,—I am in receipt of your letter of the 1st inst., in reply to mine of May 5th, with reference to the fees collected by the Collectors of Customs and Excise for Bills of Health, under the authority of Section 141 of the Customs Act.

In that letter you state that "under the recent classification, Collectors of Customs were graded and their salaries determined on the basis of the business transacted at the ports, without reference to the fees which might accrue under Section 141

ayant été perçus par ces percepteurs et dans la suite payés à ces mêmes percepteurs. Je ne sais pas sous quelle forme ces certificats sont émis actuellement mais je vous suggérerais de vous servir d'une formule imprimée uniforme, numérotée par séries, et que le percepteur fasse un rapport chaque mois sur le nombre des certificats émis.

Je suis, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

Le Commissaire des Douanes et de l'Accise, Ottawa.

MINISTÈRE DES DOUANES ET DE L'ACCISE, OTTAWA, le 1er juin 1922.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre en date du 5 du mois dernier de même que des copies des lettres échangées entre le ministère de la Justice et votre bureau au sujet des honoraires perçus par les percepteurs des douanes et de l'accise pour les patentes de santé émises aux termes de l'article 141 de la Loi des douanes.

A la suite des renseignements obtenus de nos percepteurs aux principaux ports d'expédition, nous nous sommes rendus compte que les honoraires perçus pour les patentes de santé au cours du dernier exercice dans les ports sous-mentionnés ont atteint les chiffres suivants:

Victoria, C.-B.	$1,311
Vancouver, C.-B.	1,302
Montréal, P.Q.	917
Québec, P.Q.	56
Halifax, N.-E.	145
St. John, N.-B.	103

Je remarque que vous faites allusion à l'augmentation des appointements accordés aux percepteurs à Vancouver et à Victoria lorsqu'ils ont abandonné ces honoraires il y a quelques années et je tiens à déclarer que, sous le régime de la récente classification, les percepteurs des douanes ont été classifiés et leurs appointements ont été fixés en se basant sur le chiffre d'affaires des ports, sans tenir compte des honoraires qu'ils peuvent percevoir aux termes de l'article 141 de la Loi des douanes.

Je remarque que c'est votre opinion, vu que ces honoraires sont perçus sous l'autorité d'une loi fédérale, qu'ils devraient paraître au compte de la caisse du percepteur comme ayant été perçus par lui-même et partant payés à lui-même. Il semblerait que les percepteurs sont autorisés à retenir ces honoraires et qu'il n'est pas nécessaire de les inclure au compte de la caisse. Ce n'est pas l'habitude d'indiquer dans le compte de la caisse du percepteur les montants perçus pour copies certifiées de factures en conformité de l'article 185, paragraphe 2, de la Loi des douanes. Je vous inclus une formule de certificat de patente de santé et je dois ajouter que ces certificats sont émis sous forme de livret et numérotés de 1 à 100.

Je suis, monsieur, votre obéissant serviteur,

R. R. FARROW, *commissaire.*

L'Auditeur général adjoint, Ottawa.

BUREAU DE L'AUDITEUR, OTTAWA, le 10 juin 1922.

MONSIEUR,—Je viens de recevoir votre lettre du 1er courant en réponse à ma lettre du 5 mai relativement aux honoraires perçus par les percepteurs des douanes pour patentes de santé, en conformité de l'article 141 de la Loi des douanes.

Vous dites dans votre lettre que "sous le régime de la récente classification les percepteurs des douanes ont été classifiés et leur traitement déterminé selon la base des affaires transigées aux ports, sans tenir compte des honoraires qu'ils peuvent recevoir

of the Customs Act." You do not, however, state specifically whether the Collectors at Vancouver and Victoria are to be allowed to retain such fees in future or are to continue to remit them to your Department as part of the revenue of the port. This point should, I think, be definitely settled. I must again state that I am still of opinion that, as these fees are collected under the authority of a Federal Act, they should appear in the Collector's cash account as having been collected by him and subsequently paid out to himself; I have to ask that you instruct your collectors to include these in their cash accounts in future. This ruling will also apply to any other fees that may be collected under the Customs Act, and which he is authorized to retain.

I am, sir your obedient servant,

WM KEARNS, *Assistant A.G.*

The Commissioner of Customs and Excise.

DEPARTMENT OF CUSTOMS AND EXCISE, OTTAWA, June 16, 1922.

SIR,—Fees Collected for Bills of Health Section 141 Customs Act.—I have the honour to acknowledge receipt of your further letter of the 10th instant on this matter. I see no reason why Collectors might not be reasonably required to show in their cash accounts, by a cross entry and without deposit to credit of Receiver General and subsequent withdrawal, any sums received on this account and retained by them. This, as I understand it, is all you suggest should be done.

I am, sir, your obedient servant,

R. R. FARROW, *Commissioner.*

Retention in Office of Official after date fixed by the Governor in Council for his Retirement

AUDIT OFFICE, OTTAWA, August 25, 1922.

SIR,—Mr. A. A. Lantier, a clerk of the Department of Customs and Excise employed at Montreal, was superannuated by Order in Council, 14-3621, dated October 3rd, 1921, superannuation to take effect from January 31st, 1922. Notwithstanding this Order in Council the Department retained him in office beyond that date and paid him full salary.

On June 30th, 1922, another Order in Council, 73-1426, was passed suspending the previous Order (14-3621) and further directing that this officer be continued in his present position until such time as, in the opinion of the Government, the period of unemployment, now existing, is so improved as to justify putting into force the recommendation made in said Orders in Council, that is Orders 14-3621 and P.C. 1650. The latter Order is a general one recommending the retirement of several Customs Officials, including Mr. Lantier.

Mr. Lantier is still in the Department drawing full salary, and I shall be obliged if you will let me know if the Department is justified under the law in retaining his services and paying him the salary attached to the position he occupied at the time his superannuation should have gone into effect.

Is the Order in Council of June 30th, 1922, (73-1426), passed some five months after the date set for his superannuation, sufficient authority for retaining him in the

en conformité de l'article 141 de la Loi des douanes." Vous ne dites pas, cependant, directement, si les percepteurs à Vancouver et à Victoria doivent être autorisés à retenir ces honoraires à l'avenir ou s'ils doivent continuer à les verser à votre département à titre de recettes du port. Je crois que ce point devrait être réglé d'une manière définitive. Je dois vous répéter que je suis encore d'opinion, vu que ces honoraires sont perçus sous l'autorité d'une loi fédérale, qu'ils devraient paraître au compte de la caisse du percepteur comme ayant été perçus par lui-même et subséquemment payés à lui-même. Je dois vous demander de donner instruction à vos percepteurs de les inclure à l'avenir dans leurs comptes de la caisse. Cette règle s'appliquera aussi à tous autres honoraires qui pourraient être perçus sous l'empire de la loi des Douanes, et qu'il est autorisé à retenir.

Je demeure, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

Le Commissaire des douanes.

Honoraires perçus pour patentes de santé, art. 141, Loi des Douanes.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre dernière lettre du 10 courant à l'égard de cette question.

Je ne vois aucune raison pourquoi il ne serait pas raisonnable de demander aux percepteurs d'indiquer dans leur compte de caisse, par un contrepassement et sans dépôt au crédit du receveur général ni retenue, toute somme perçue de ce chef et retenue par eux.

C'est là, si je vous comprends bien, tout ce que vous suggérez de faire.

Je suis, monsieur, votre obéissant serviteur,

R. R. FARROW, *commissaire.*

Continuation de l'emploi d'un fonctionnaire après la date fixée par le Gouverneur général pour sa mise à la retraite

BUREAU DE L'AUDITEUR GÉNÉRAL, OTTAWA, le 25 août 1922.

MONSIEUR,—Le 3 octobre 1921, l'arrêté en conseil 14-3621, décrétait que M. A. A. Lantier, un commis du ministère des Douanes et de l'Accise, employé à Montréal, serait mis à la retraite le 31 janvier 1922. Malgré cet arrêté en conseil, le ministère garda cet employé après la date fixée et lui paya son plein salaire.

Le 30 juin 1922, un autre arrêté en conseil, 73-1426, suspendait l'arrêté précédent (14-3621) et ordonnait la réintégration de ce fonctionnaire jusqu'à ce que, de l'avis du gouvernement, la crise du chômage se soit suffisamment améliorée pour justifier la mise en vigueur des arrêtés en conseil 14-3621 et P.C. 1650. Ce dernier arrêté en conseil est d'une nature générale et ordonne la mise à la retraite de plusieurs officiers de douane, y compris M. Lantier.

M. Lantier est encore employé par le ministère et touche son salaire en plein. Je vous demanderais de me dire si le ministère peut légalement le garder à son emploi et lui payer le salaire que comportait la position qu'il occupait au moment où il devait être mis à la retraite.

L'arrêté en conseil du 30 juin 1922 (73-1426), promulgué cinq mois après la date fixée pour la mise à la retraite de ce fonctionnaire, constitue-t-il une autorisation suffisante pour qu'on continue son emploi après cette date?

Public Service after that date? Mr. Lantier is over seventy-six years of age. I enclose copies of Orders in Council, 14-3621 and 73-1426.

I am, sir, your obedient servant,

WM. KEARNS, *Assistant A. G.*

The Deputy Minister of Justice, Ottawa.

DEPT. OF JUSTICE, OTTAWA, October 28, 1922.

SIR,—I have the honour to reply to your letter of the 25th August last relating to the case of Mr. A. A. Lantier, a clerk of the Department of Customs and Excise, employed at Montreal.

It appears that by Order in Council of the 3rd October, 1921, (P.C. 14-3621), Mr. Lantier was retired from the service under the provisions of the Civil Service Superannuation Act, Part 1, with six months leave of absence with pay, as from the 1st August, 1921, and an annual retiring allowance, his retirement to be effective 31st, January, 1922. It appears that the Department, notwithstanding this Order in Council, retained Mr. Lantier in office beyond the 31st January last, and that on the 30th June last an Order in Council was passed which purports to suspend the previous Order in Council of the 3rd October, 1921, and to provide that, "this officer be continued in his present position until such time as, in the opinion of the Government, the period of unemployment, now existing, is so improved as to justify putting into force the recommendation made in said Order in Council." The question which you submit for a ruling is whether the Order in Council of June 30th furnished sufficient authority for the retention of Mr. Lantier in the public service since the 31st January last.

In my opinion, this question must be answered in the negative. The Order in Council of the 3rd October, 1921, legally operated, under the said Act, to retire Mr. Lantier from the public service on the 31st January last, and I am not aware of any authority which rendered it competent to the Governor in Council, after January 31, 1922, to suspend the effect of this Order in Council. It follows that the Order in Council of the 30th June last was entirely ineffective so far as it purported to affect Mr. Lantier's case.

I note that Mr. Lantier is over 76 years of age; he is not, consequently, an officer who may be recalled to the service under the provisions of Sec. 24 of the said Act, and his employment by the Department subsequent to January 31 last, can only be sanctioned as temporary employment, under the provisions of the Civil Service Act.

I have the honour to be, sir, your obedient servant,

E. L. NEWCOMBE, *Deputy Minister.*

WM. KEARNS, Asst. Auditor General, Ottawa.

AUDIT OFFICE, OTTAWA, November 15, 1922.

SIR,—I beg to transmit to you herewith copy of an opinion of the Deputy Minister of Justice with reference to the case of Mr. A. A. Lantier, a clerk of your department employed at Montreal, who was retired from the service under the provisions of the Civil Service Superannuation Act, by Order in Council of October 3, 1921, but whose services were retained after the date fixed for his retirement.

M. Lantier a plus de soixante-seize ans.

Je vous adresse ci-jointes des copies des arrêtés en conseil 14-3621 et 73-1426.

Votre humble serviteur,

WM. KEARNS, *A.G. adj.*

Au sous-ministre de la Justice, Ottawa.

MINISTÈRE DE LA JUSTICE, OTTAWA, le 28 octobre 1922.

MONSIEUR,—J'ai l'honneur de répondre à votre lettre du 25 août dernier au sujet de l'emploi de M. A. A. Lantier, un commis du ministère des Douanes et de l'Accise, employé à Montréal.

Par un arrêté en conseil du 3 octobre 1921 (P.C. 14-3621), M. Lantier fut mis à la retraite, en vertu des dispositions de la Loi de retraite des fonctionnaires publics, Partie I, avec six mois de congé payé, à compter du 1er août 1921, et une pension annuelle qui devait commencer le 31 janvier 1922. Malgré les termes de cet arrêté en conseil, le ministère garda M. Lantier à son service après le 31 janvier dernier. Le 30 juin, un arrêté en conseil fut passé afin de suspendre l'arrêté précédent, du 3 octobre 1921. Cet arrêté ordonne que "ce fonctionnaire soit gardé dans son emploi actuel jusqu'à ce que, de l'avis du gouvernement, la crise du chômage se soit suffisamment améliorée pour justifier la mise en vigueur des recommandations contenues dans ledit arrêté en conseil". Vous demandez que l'on décide si l'arrêté en conseil du 30 juin constitue une autorisation suffisante pour justifier l'emploi de M. Lantier depuis le 31 janvier dernier.

Je suis d'avis que la réponse à cette question doit être négative. L'arrêté en conseil du 3 octobre 1921 eut pour effet légal de mettre M. Lantier à la retraite le 31 janvier dernier. Je ne connais rien qui autorise le Gouverneur en conseil à suspendre l'effet de cet arrêté après le 31 janvier 1922. Il s'ensuit que l'arrêté en conseil du 30 juin dernier est invalide en ce qui se rapporte au cas de M. Lantier.

M. Lantier ayant plus de soixante-seize ans ne saurait être réintégré en vertu de l'article 24 de ladite loi et son emploi par le ministère, après le 31 janvier dernier, ne pourrait être sanctionné que comme emploi temporaire, en vertu de la Loi du Service civil.

Votre humble serviteur,

E. L. NEWCOMBE, *S.-M.*

WM. KEARNS, Auditeur général adjoint, Ottawa.

BUREAU DE L'AUDITEUR GÉNÉRAL, OTTAWA, 15 novembre 1922.

MONSIEUR,—J'ai l'honneur de vous transmettre une copie d'une lettre du sous-ministre de la Justice, au sujet de M. A. A. Lantier, un commis de votre ministère, employé à Montréal, qui a été mis à la retraite en vertu de la Loi de retraite des fonctionnaires publics, par un arrêté en conseil du 3 octobre 1921, mais dont on a continué l'emploi après la date fixée pour sa mise à la retraite.

Mr. Newcombe's letter is self-explanatory and requires no comment from me. In order to legalize Mr. Lantier's employment subsequent to January 31, last, it will be necessary to obtain certificates from the Civil Service Commission authorizing his temporary employment in accordance with the provisions of the Civil Service Act.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A. G.*

The Commissioner of Customs and Excise.

Payment of Overtime to Surveyor of Customs at Halifax

AUDIT OFFICE, October 17, 1922.

SIR,—I find that Mr. W. Gleeson, Surveyor of Customs at the port of Halifax is paid $1 a day overtime, the vouchers therefor reading "Special services rendered in accordance with the Commissioner's letter of February 9, 1921, File No. 102610"; this allowance appears to be paid for Sundays, holidays and when absent on annual leave or for other causes, as well as when in attendance at his office.

On reference to your Circular No. 1760, dated April 10, 1922, I find in Appendix "A" to that circular (based on Order in Council of July 28, 1903), the following clause—"The Minister of Customs may pay out of moneys available for the purpose an overtime allowance to Customs Officers for services performed on holidays, or in excess of ten hours per day on other days, when the salaries of the officers do not cover such services." Again I find in Appendix "B" of the same circular the following—"Collectors and Executive Officers, such as the Surveyor and the Chief Clerk of the Long Room, should clearly understand that they are required to remain on duty until 1 p.m. on Saturday, and 5 p.m. on other business days, or later if necessary to finish the day's transactions." I would infer from this last extract from your regulations that such overtime of executive officers is to be without additional pay; I would also point out that under subsection 4 of section 45B of the Civil Service Act officers filling administrative or executive positions are precluded from drawing pay for overtime. In view of these regulations, I must ask how you justify this payment of $1 a day to Mr. Gleeson.

I am, sir, your obedient servant,

WM. KEARNS, *Assistant, A.G.*

The Commissioner of Customs and Excise.

CUSTOMS AND EXCISE, OTTAWA, October 28, 1922.

SIR,—I have the honour to acknowledge the receipt of your letter of the 17th instant, relating to the payment of the sum of $1.00 a day for special services rendered by Mr. W. Gleeson, Surveyor of Customs at the Port of Halifax, N.S., and note your reference to Customs Circular 176-C, and to subsection 4, section 45B of the Civil Service Act.

In this connection, I would refer you to the provisions of the Appropriation Act, No. 2, assented to 19th May, 1922. You will observe under the heading "Customs and Excise" an item amounting to $5,334,110, to cover "salaries and contingent expenses of the several ports in the Dominion, including pay for overtime of officers, notwithstanding anything in the Civil Service Act."

I have the honour to be, sir, your obedient servant,

R. R. FARROW, *Commissioner.*

WM. KEARNS, Assistant Auditor General.

La lettre de M. Newcombe en dit assez et je n'y ajouterai aucun commentaire. Afin de régulariser l'emploi de M. Lantier depuis le 31 janvier dernier, il sera nécessaire d'obtenir de la Commission du Service civil des certificats autorisant son emploi temporaire en vertu des dispositions de la Loi du Service civil.

Votre humble serviteur,

Paiement pour travail supplémentaire au visiteur de douanes à Halifax

BUREAU DE L'AUDITEUR, 17 octobre 1922.

MONSIEUR,—Je trouve que M. Gleeson, visiteur des douanes au port d'Halifax, a reçu un dollar par jour pour travail supplémentaire; les reçus pour ces argents se lisent "Services spéciaux rendus conformément à la lettre du commissaire en date du 9 février 1921, dossier n° 102610"; cette allocation semble être payée pour les dimanches, congés et vacances annuelles ou pour d'autres causes, aussi bien que lorsqu'il est présent à son bureau.

Me référant à votre circulaire n° 1760, datée du 10 avril 1922, je trouve à l'annexe "A" de cette circulaire (basée sur l'arrêté du conseil du 28 juillet 1903) la clause suivante: "Le ministre des Douanes peut payer à même les argents disponibles à cette fin une allocation pour travail supplémentaire aux officiers des douanes pour services rendus les jours de congé, ou pour l'excédent de dix heures d'ouvrage les autres jours, lorsque le salaire de ces fonctionnaires ne couvre pas ces services." De plus, je trouve à l'annexe "B" de la même circulaire, ce qui suit: "Les percepteurs et les officiers de l'exécutif, comme le visiteur et le commis en chef du Long Room, doivent clairement comprendre qu'il leur faut rester au poste jusqu'à une heure p.m. le samedi et 5 heures p.m. les autres jours de travail, ou plus tard, si nécessaire, pour terminer les transactions du jour." Je considère d'après le dernier extrait de vos règlements que ce travail supplémentaire des officiers de l'exécutif doit se faire sans salaire supplémentaire; je ferai remarquer de plus qu'en vertu de la clause 4 de l'article 45/B de la Loi du Service civil les fonctionnaires qui occupent des positions administratives ou exécutives ne peuvent recevoir un salaire pour travail supplémentaire. Considérant ces règlements, je dois vous demander comment vous justifiez ce paiement de $1 par jour à M. Gleeson.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Au commissaire des Douanes et de l'Accise.

DOUANES ET ACCISE, OTTAWA, 28 octobre 1922.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 17 courant, concernant le paiement de la somme de $1 par jour pour services spéciaux rendus par M. W. Gleeson, visiteur de douanes au port d'Halifax, N.-E., et je prends note de votre mention de la circulaire des douanes n° 176-C, et de la clause 4 de l'article 45/B de la Loi du service civil.

A ce sujet, je vous référerai aux dispositifs de la Loi de crédits, n° 2, adoptée le 19 mai 1922. Vous remarquerez sous le titre "Douanes et accise" un item se montant à $5,334,110, pour couvrir les salaires et les dépenses imprévues des nombreux ports du Dominion, y compris le paiement du travail supplémentaire des officiers, nonobstant toute disposition contraire de la Loi du service civil.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

R. R. FARROW, *commissaire.*

WM KEARNS, auditeur général adjoint.

AUDIT OFFICE, OTTAWA, December 6, 1922.

SIR,—With further reference to the payment for overtime services to Mr. W. Gleeson, Surveyor of Customs at the port of Halifax, I beg to ask if I am to infer that that officer actually worked overtime on every day in the year, including Sundays, Statutory holidays, annual leave, etc., or if the payment in question is merely an estimate of the value of the overtime services rendered by him at different times.

While the payment of overtime to your officers is definitely authorized by the Appropriation Act, still I am of opinion that I should be informed as to the actual overtime services rendered and also the method of arriving at the amount paid. This information is given in the ordinary overtime vouchers that I receive from your department which show the hours of overtime and the rate of pay for the same; Mr. Gleeson's overtime vouchers, however, do not give any of this information, being merely made out at the rate of $1.00 a day. Kindly give me fuller information with regard to this overtime.

I am, sir, your obedient servant,

WM. KEARNS, *Assistant, A.G.*

The Commissioner of Customs and Excise.

Drawback Cheques to be issued in Name of Claimant

AUDIT OFFICE, OTTAWA, May 8, 1922.

SIR,—The custom of your Department in the past, when application is made to this office for a Receiver General's cheque in payment of Drawbacks or Return Duties, has been to ask that the cheque be made out in favour of the Collector of Customs at the port concerned. The Collector will then either endorse the cheque over to the claimant or deposit it in his official bank account and issue a Collector's cheque in favour of the claimant.

This custom is open to objection, in that it places a large amount absolutely at the collector's disposal for the time being. I see no valid reason why the cheque should not be made payable directly to the claimant; it might then be transmitted to the collector, together with the claim papers, and handed by him to the claimant on completion of those papers. I hope that you will see your way clear to issuing instructions that the method outlined above be followed in future.

I am, sir, your obedient servant,

WM. KEARNS, *Assistant, A.G.*

The Commissioner of Customs and Excise.

CUSTOMS AND EXCISE, OTTAWA, May 20, 1922.

SIR,—Replying to your letter of the 8th instant on the subject of method of applying for Receiver General's cheque in payment of Drawbacks or Return Duties: I observe your comments in this connection; and would state that this Department has no objection to such cheques being issued in favour of the claimant, as we will transmit them to that party through the hands of our local Collector. Instructions have been issued for future applications to be submitted accordingly.

I have the honour to be, sir, your obedient servant,

R. R. FARROW, *Commissioner.*

The Auditor General, Ottawa.

BUREAU DE L'AUDITEUR, OTTAWA, 6 décembre 1922.

MONSIEUR,—Revenant au paiement de salaire pour travail supplémentaire à M. Gleeson, visiteur de douanes au port d'Halifax, je demanderai si je dois comprendre que ce fonctionnaire a réellement travaillé tous les jours de l'année y compris les dimanches, les congés statutaires, le congé annuel, etc., ou si le paiement dont il s'agit n'est que la valeur approximative du travail supplémentaire qu'il a accompli à différentes époques.

Bien que le paiement du travail supplémentaire de vos officiers soit définitivement autorisé par la Loi de subsides, je suis d'avis cependant, que je devrais être au courant des services supplémentaires réellement rendus et de la méthode d'en arriver au montant payé. Ce renseignement est donné dans les reçus de travail supplémentaire ordinaires que je reçois de votre département, lesquels indiquent le nombre d'heures de travail supplémentaire et le taux de paye pour ce travail; les reçus de travail supplémentaire de M. Gleeson, cependant, ne contiennent aucun de ces renseignements; on accorde tout simplement une piastre par jour. Veuillez me donner des renseignements plus précis sur ce travail supplémentaire.

Je suis, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

Au commissaire des Douanes et de l'Accise, Ottawa.

Chèque pour le paiement des drawbacks devant être émis au nom du réclamant

COUR DES COMPTES, OTTAWA, le 8 mai 1922.

MONSIEUR,—La coutume suivie par votre ministère dans le passé, lorsque demande était faite à ce bureau, afin d'obtenir un chèque du receveur général pour le paiement des drawbacks ou de la douane remboursée, était de demander que le chèque fût émis en faveur du percepteur de douane du port intéressé. Le percepteur alors endossera le chèque pour le réclamant, ou il le déposera dans son compte de banque officiel, et il émettra un chèque de percepteur en faveur du réclamant.

Cette coutume est sujette à critique, en ce qu'elle place un montant considérable absolument à la disposition du percepteur pendant ce temps. Je ne vois aucune bonne raison pour que le chèque ne soit pas fait payable directement au réclamant; il pourrait alors être transmis au percepteur, avec les documents pour la réclamation, et remis par lui au réclamant une fois ces documents remplis. J'espère que vous serez en mesure d'émettre des instructions comme quoi la méthode esquissée ci-dessus soit suivie dans l'avenir.

Je suis, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

Au commissaire de la Douane et de l'Accise.

DOUANES ET ACCISE, OTTAWA, le 20 mai 1922.

MONSIEUR,—En réponse à votre lettre du 8 courant sur le sujet de la méthode de demander un chèque émanant du receveur général pour le paiement des drawbacks ou de la douane remboursée; je remarque vos observations à ce sujet; et je dirais que ce ministère n'a pas d'objection à ce que lesdits chèques soient émis en faveur du réclamant, vu que nous les transmettrons à cette personne par l'entremise de notre percepteur local. On a donné des instructions afin que les demandes futures soient soumises en conséquence.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

R. R. FARROW, *commissaire.*

L'Auditeur général, Ottawa.

Payment of Salary to Dr. W. McK. McLeod when on leave without Pay

AUDIT OFFICE, OTTAWA, October 18, 1922.

SIR,—I have a copy of a certificate issued by the Civil Service Commission on March 15th, 1921, in which they approve of leave of absence, without pay, from February 10th, to April 30th, being granted to Dr. W. McK. McLeod, an employee of the Department of Health at North Sydney, N.S.

Your expenditure statements show that Dr. McLeod was paid his full salary for the whole of this time. Kindly let me know if he was actually away on leave for the period in question, or for any part thereof, and if so why he was paid his salary during such absence.

I am, Sir, your obedient servant,

WM. KEARNS, *A.G.*

The Deputy Minister, Department of Health, Ottawa.

DEPT. OF HEALTH, OTTAWA, October 21, 1922.

SIR,—In reply to your communication of the 18th instant, relative to leave of absence without pay to Dr. W. McK. McLeod, Quarantine Officer at North Sydney, N.S., from the period from the 10th February to the 30th April, 1921, I beg to inform you that this official was absent from the 18th February to the 29th March of that year.

The making of a deduction on account of salary and bonus for the period of absence was inadvertently overlooked, but the sum of $212.98 (salary $177.11, bonus $35.87) has been deducted from Dr. McLeod's gratuity of two months' salary on retirement, and deposited to the credit of the Honourable the Receiver General as casual revenue.

Yours truly,

D. A. CLARK, *for D.M.*

WM. KEARNS, Asst. Auditor General, Ottawa.

Paiement du traitement du Dr McK. McLeod pendant qu'il était en congé sans paye

BUREAU DE L'AUDITEUR GÉNÉRAL, OTTAWA, 18 octobre 1922.

MONSIEUR,—J'ai une copie d'un certificat de la Commission du Service civil, émis le 15 mars 1921 et autorisant l'octroi d'un congé, sans traitement, du 10 février au 30 avril, au docteur W. McK. McLeod, un employé du ministère de la Santé, à North Sydney, N.-E.

Vos états de dépenses indiquent que le docteur McLeod a reçu son traitement en plein pendant toute cette période. Veuillez me dire s'il a réellement été absent en congé durant une partie seulement, ou durant toute cette période, et, dans l'affirmative, pourquoi on lui a payé son traitement pendant son absence.

Votre obéissant serviteur,

WM KEARNS, *A.G.*

Au sous-ministre, ministère de la Santé, Ottawa.

MINISTÈRE DE LA SANTÉ, OTTAWA, le 21 octobre 1922.

MONSIEUR,—En réponse à votre lettre du 18 courant, relative au congé sans traitement, accordé au docteur W. McK. McLeod, officier de la quarantaine à North Sydney, N.E., du 10 février au 30 avril 1921, j'ai l'honneur de vous informer que ce fonctionnaire a été absent du 18 février au 29 mars de l'année en question.

On a oublié, par inadvertance, de retenir le paiement du traitement et de la gratification pendant la période d'absence, mais on a déduit la somme de $212.98 (traitement $177.11, gratification $35.87) des deux mois de traitement accordé au docteur McLeod, quand il a pris sa retraite. Cette somme a été déposée au crédit du Receveur général, comme revenu casuel.

Votre dévoué,

D. A. CLARK, *pour le sous-ministre.*

WM KEARNS, auditeur général adjoint, Ottawa.

Objections to Various Items in Expenditure at London, Eng.

(For beginning of this correspondence, see A.G.'s Report, 1920-21, pp. 64-67)

AUDIT OFFICE, OTTAWA, July 4, 1922.

SIR,—In my letters of December 21st, and January 12th, last, I drew attention to the payment to Mr. C. A. Allen, secretary at the London Office, of a living allowance at the rate of $500 a year from April 1st, 1919 to December 31, 1920, and asked the authority under which this payment was made.

In your reply of January 12th, you stated that the living allowance was for Emigration Agents only and that as Mr Allen was not an Emigration Agent, you had written to the London office asking that the amounts thus paid to Mr. Allen be refunded. So far as I have been able to determine, no refund has as yet been received in this connection. Kindly let me known the reason of the delay in having the overpayment adjusted.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Immigration and Colonization, Ottawa.

AUDIT OFFICE, OTTAWA, July 5, 1922.

SIR,—I beg to ask your attention to my letters of November 22nd, January 4th and January 14th last, with regard to charges made during the fiscal year 1920-21 by Mr. J. Obed Smith, Commissioner of Emigration at London, for moving expenses between his residence at Richmond and his office, as follows:—

Season rail tickets	£18	17	0
Cabs and taxis	£52	7	0
Total	£71	4	0

In these letters I stated that in my opinion Mr. Smith should be called upon to refund the amount of these charges, but as yet I find no trace of any refund having been made. Kindly let me know at your earliest convenience what steps, if any, have been taken by you to recover the above amount from Mr. Smith.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Immigration and Colonization, Ottawa.

IMMIGRATION AND COLONIZATION, OTTAWA, July 18, 1922.

DEAR SIR,—Some little time ago I wrote you concerning charges in your 1921 expense account for season rail tickets between your office and Richmond, amounting to £18 17s. You replied in your letter of January 25th last that the letter from the Department authorizing the payment of this railway fare could not be found. The Auditor General has written us several letters concerning the matter and is now demanding that we either have the amount refunded or give some good reason why it should be paid. Unless you can give some reason for allowing this charge which will convince the Auditor General that it is in accordance with government policy and practice, the amount will have to be refunded at once. There are further items for cabs and taxis

in your 1920-21 accounts, totalling £52 7s 0d., to which the Auditor is objecting. In your letter of February 9th you state concerning these charges that some time ago the then Minister of the Department investigated the matter and left with you a written statement giving instruction as follows:—

"Colonel Smith's charges for taxis in London should not be struck out of the Expense Account."

I do not remember that there was ever any objection to your taking cabs and taxis on departmental business, to which, no doubt, the Minister referred, but the Auditor has pointed out that the items to which he is objecting appear to be on personal account. These charges are in the same category as the item for season rail tickets and must either be refunded or a better reason given for allowing them.

Kindly let me have reply by return mail.

Yours truly,

W. J. BLACK, *Deputy Minister.*

J. OBED SMITH, Supt. of Emigration for Canada, London, Eng.

AUDIT OFFICE, OTTAWA, July 4, 1922.

SIR,—I beg to ask your attention to my letter of January 17th, last, in which I pointed out that a number of officials of your department employed in Great Britain and whose positions have been regarded as temporary, were given increases of salary both in 1920-21 and in 1921-22, contrary to the provisions of the Civil Service Act, which provide that "No temporary employees shall be deemed to be eligible to receive any increase of compensation." So far I have seen no trace of any refunds having been made on account of these overpayments. I have accordingly to again ask what steps, if any, are being taken to recover the amounts thus overpaid.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Immigration and Colonization, Ottawa.

AUDIT OFFICE, OTTAWA, July 4, 1922.

SIR,—I beg to ask your attention to my letter of December 6th, last, with regard to the payment of £67 10s. 0d. to Beverly Smythe & Son for the removal of Col. E. O'Kelly's furniture from Dublin to Birmingham.

As I have received no reply as yet to the letter, I have again to express my opinion that this payment was not a proper charge against the public moneys, and would ask if any steps have been taken by you to legalize this payment or to recover the amount from Mr. A. O'Kelly, agent at Birmingham.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Immigration and Colonization, Ottawa.

IMMIGRATION AND COLONIZATION, OTTAWA, August 28, 1922.

DEAR SIR,—In further reference to your letter of the 4th ultimo, concerning removal expenses of Mr. A. O'Kelly from Dublin to Birmingham, I enclose, herewith, copy of P.C. 53/1574 which authorizes payment of £67 10s. 0, $328.50.

Yours truly,

W. J. BLACK, *Deputy Minister.*

WM. KEARNS, Asst. Auditor General, Ottawa.

Immigration and Colonization:—The Board recommend that authority be granted for the payment of the sum of $328.50 being amount of removal expenses incurred by Mr. A. O'Kelly, Emigration Agent at Dublin, under the Department of Immigration and Colonization, upon his transfer, without increase in salary, from Dublin to Birmingham.

(Sgd.) RODOLPHE BOUDREAU, *Clerk of the Privy Council.*

The Honourable, The Minister of Immigration and Colonization.

AUDIT OFFICE, OTTAWA, July 27, 1922.

SIR,—I find that the following employees in Great Britain were overpaid on account of Cost of Living Bonus for the four months ended July 31st, 1921.

T. J. Matthews, Glasgow, bonus paid $26.25 a month instead of $24.75, total overpayment for the four months, $6.00.

H. Turnbull, York, Miss A. Hewitt, Liverpool; Miss A. Arnaud, Bristol; Miss O. Eraut, London; Miss P. Glass, London; bonus paid $15.75 a month instead of $13.87, total overpayment in each case for the four months, $7.50. From August on these bonuses were paid at the correct figure, but the overpayments noted above do not appear to have been adjusted.

Mrs. N. Moncur, of the Glasgow office, whose salary was paid through the office contingencies at presumedly prevailing rates, was paid bonus for the months of April and May, after which it was discontinued. If she were not considered entitled to the bonus the amount so paid her for the months of April and May amounting to $31.50 should have been refunded.

I have to request that you take steps to have these overpayments refunded at an early date.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Immigration and Colonization, Ottawa.

AUDIT OFFICE, OTTAWA, July 27, 1922.

SIR,—In October last a transfer of positions between F. C. Campbell, Agent at Glasgow, and A. O'Kelly, agent at Birmingham, was made under authority of the

Civil Service Commission. In connection with this transfer the following expenses were charged by the officers in question and paid by Mr. Smith.

F. C. Campbell, transfer Glasgow to Birmingham			
Fares, transfers, etc., in October	£ 20	13	7
Living expenses of self, October 5 to February 3	110	19	9
Expenses of Mrs. Campbell and family	17	3	9
Removal and storage of effects	62	3	0
On account of premium in connection with the removal from Glasgow to Birmingham, awaiting authority of Order in Council	54	12	0
Total	£265	12	1
A. O'Kelly, transfer Birmingham to Glasgow			
Personal expenses, Birmingham to Glasgow	£ 10	9	0
Expenses of Mrs. O'Kelly, children and nurse	20	15	3
Living expenses of self, October 4 to March 8	80	11	11
Removal and storage of effects	93	0	0
	£204	16	2

Kindly inform me if these removal expenses have been authorized by the Treasury Board in accordance with the Order in Council of September 8th, 1871. In view of the fact that this transfer of positions was made effective from October 1st, 1921, I have to ask for an explanation of the extended periods for which living expenses are charged, four months in the one case, and over five months in the other case. I have also to ask for an explanation of the last item in Mr. Campbell's charges, viz: "On account of premium in connection with the removal, etc." £54 12 0.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Immigration and Colonization, Ottawa.

Payments of Living Allowances in Addition to Salaries to be Authorized by the Civil Service Commission

AUDIT OFFICE, OTTAWA, February 17, 1922.

SIR,—In the examination of the accounts for the expenditure during the fiscal year 1920-21, on account of Immigration, I find that a number of your officials were in receipt, in addition to the authorized salary, of a living allowance or of quarters.

As far as I have been able to determine, the only allowances of this nature which have been duly authorized by the Civil Service Commission are:

Office.	*Allowance.*
(1) Commissioner of European Emigration	House.
(2) Agents in Great Britain and Europe	$500.00 a year.
(3) Agents in the United States	$300.00 a year.
(4) Immigration guards	Meals while on duty.

The value of any allowances other than the above, should receive the sanction of the Commission, or should be deducted from the salaries; this rule should apply to those

Officers who are employed at Quebec during the summer season and at St. John or Halifax, during the winter season, as well as any other Officers in receipt of allowances of any kind. Kindly take steps to have any such allowances duly authorized, or deduct their estimated value from the authorized salaries.

I am, Sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Minister of Immigration and Colonization, Ottawa.

Alterations of the Amounts in Vouchers for Postage Stamps

AUDIT OFFICE, OTTAWA, March 31, 1922.

SIR,—In the examination of the monthly statements of the expenditure by Mr. W. S. Nethery, Emigration agent at Columbus, Ohio, I notice that in a number of receipts for the purchase of postage stamps the amount appears to have been raised from $5 to $15. The following are some of the receipts which have been altered.

Voucher No. 4, Sept., 1920..	Voucher 3, May, 1921.
" " 2, Oct., 1920..	" 4, June, 1921.
" " 15, Nov., 1920..	" 1, July, 1921.
" " 3, Feb., 1921..	" 12, July, 1921.

I also notice that, in the accounts of W. E. Black, agent at Grand Forks, N.D., a large number of receipts for $20 each for the purchase of postage stamps look very much as if the amount has been altered from $10 to $20.

I understand from your accountant that these cases have been investigated by an officer of your department; if such is the case I should like to be informed as to the results of such investigations. I should also like to know what system, if any of keeping a check on the postage stamps purchased and used, is followed by your various agents.

I am, Sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

The Deputy Minister of Immigration and Colonization, Ottawa.

IMMIGRATION AND COLONIZATION, OTTAWA, July 25, 1922.

DEAR SIR,—In answer to your letter of March 31st last regarding the apparent alteration of vouchers covering the purchase of postage stamps in the Columbus and Grand Forks offices, I beg to say that at the request of the accountant, in whose office the alteration of these vouchers was detected, Mr. W. J. White, Inspector of United States Agencies, made an investigation of these two cases in September, 1921.

In the case of the Columbus Office the clerk-stenographer, who had made the purchases of the stamps, admitted that she had raised some vouchers from $5.00 to $15.00 but gave the following explanation for her action:

"Regarding vouchers for money paid in or postage stamps. In the absence of Mr. Nethery, I needing stamps, wrote vouchers for five dollars, intending to purchase same before Mr. Nethery returned. In the meantime he returned, giving me fifteen dollars for stamps. I took the money to the post office, bought the stamps, and upon presenting vouchers found they would not stamp them because of the difference in amount. In order to have vouchers to send in with the accounts, I changed the amount from five to fifteen dollars, without thinking it would cause any trouble, and as shown,

sent them in to the Department. The above was the condition in each case. I am very sorry for the trouble which my mistake has caused, and if you consider me guilty of over-charging the Department on the postage purchased will, to the best of my ability, endeavour to rectify the error. Fifteen dollars worth of postage stamps were purchased, however, whenever a voucher for that amount was turned in to the Department."

Mr. White's report on his investigation is as follows:—

"My conclusion is, after going as carefully as I could over reports badly and inaccurately kept, that there was $105.00 paid out in postage in the six months dealt with, but I cannot account for the difference between this amount and the amount of $55.00 which would represent the vouchers after the raised amount of $50.00 is deducted. Fifty five dollars ($55.00) postage for six months would be but an average of a little over $9.00 per month. Taking alone the record of letters received, if each were replied to, it would amount to more than this figure. My investigation showed that pamphlets were being mailed out daily, and when the postage on the pamphlets sent out is considered, it would reach a figure to cover the charged expenditure of $105.00. Where did this money come from, unless we accept Miss Schroeter's statement that it was represented in the raised vouchers?"

The accountant was not satisfied to accept in full either the clerk's explanation or Mr. White's conclusion, but as there was, nevertheless, a certain amount of doubt that Miss Schroeter did really benefit personally by the raising of the vouchers, no action was taken to recover the sums supposed to have been wrongly charged to the Department. In view, however, of the disapproval of the Department of her action in altering vouchers without proper explanation being given at the time, this clerk decided to send in her resignation effective from October 31, 1921. The agent at Columbus was then requested to send to Head Office a statement of the postage stamps purchased and used each month in his office, which statements are filed on his account file in the Department.

The case in the office at Grand Forks was also investigated by Mr. W. J. White, who reported that after carefully going over the vouchers supposed to have been altered and comparing them with the postage account in the office, which was found to be well kept and properly balanced, he had no doubt that the vouchers in question were not raised. Pieces of evidence were also produced in support of his conclusion which had to be accepted by the Department favourably to the clerk, who had made the purchase of the postage stamps. In view, however, of the statement made to the clerk in question, that although the investigation proved favourable to her to a certain extent the Department was not quite convinced of her not being guilty of wrong doing, she sent in her resignation effective from October 28, 1921.

The Department is not aware of any particular system being followed by the agents for keeping a check on the postage purchased, the responsibility therefor being left to the agents themselves. At the time the supposed irregularities occurred in the two cases now under consideration, the Accountant made the suggestion as a measure of protection that cheques instead of cash be given by the agents, not only for the purchase of postage stamps but for all local purchases in connection with the administration of their offices. This suggestion was not, however, given effect. The objection thereto was that the agents being for the great part of their time away from their offices, the system would be somewhat inconvenient at times where urgent purchases had to be made, unless the local traders would be willing to give credit until the return of the agent, when cheques could then be issued on all purchases made during his absence.

Yours truly,

W. J. BLACK, *Deputy Minister.*

E. D. SUTHERLAND, Auditor General, Ottawa.

Employment of Clerical Assistance Outside of Canada

AUDIT OFFICE, OTTAWA, November 3, 1922.

SIR,—In the examination of your accounts for the fiscal year 1921-22 and for a part of the fiscal year 1922-23, I find that Miss Amy S. Runyon was employed by W. E. Black, Emigration Agent at Fargo, N.D., as assistant in office, and paid as follows:—

November 1st, 1921 to January 31, 1922, 3 m. @ $75.....	$225 00
February, 1922, at $75, less 1½ d.....	70 75
March 1st, to May 31st, 1922, 3 m. at $80.....	240 00

Mr. Black's accounts for the month of June have not yet been received at this office, but his July account shows that she was paid $80 for services in July. I have no certificate from the Civil Service Commission authorizing the employment of this lady. Kindly inform me if she was duly appointed by the Civil Service Commission, and if not, advise me as to your authority for employing her.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Immigration and Colonization, Ottawa.

IMMIGRATION AND COLONIZATION, OTTAWA, November 13, 1922.

DEAR SIR,—I have your favour of the 3rd instant, in which you question the appointment of Miss Amy S. Runyon as Stenographer in the office of W. E. Black, Emigration Agent at Fargo, N.D., and would point out that P.C. 8/200, January 31st, 1922, exempts such positions from the operation of the Civil Service Act.

Yours truly,

W. J. BLACK, *Deputy Minister.*

WM. KEARNS, Asst. Auditor General, Ottawa.

AUDIT OFFICE, OTTAWA, November 15, 1922.

SIR,—I beg to acknowledge receipt of your letter of the 13th instant, with regard to the appointment of Miss Amy S. Runyon, as Stenographer in the Emigration Office at Fargo, N.D., in which you point out that Order-in-Council No. 8/200 of January 31st, 1922, exempts such positions from the operation of the Civil Service Act.

I beg to point out that Order-in-Council in question, which exempts clerical and lower grade positions in offices outside of Canada, provides that the selection of the employee be made by the Deputy Minister or by a duly authorized officer and that the appointment be made by the Governor in Council. It further provides that where any positions which are exempted under the provisions of section 38/B of the Civil Service Act, 1918, as amended, are to be continued for more than six months, the Department shall report the duties thereof to the Commission and apply for a certificate of classification and that no further payment of salary in connection with the same shall be authorized, except under such certificates of classification.

Kindly inform me if Miss Runyon was duly appointed by the Governor in Council, in accordance with the first of the above provisions, and also if the position occupied

by her has been classified by the Civil Service Commission in accordance with the second of the above provisions, Miss Runyon's employment extending over six months.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Immigration and Colonization, Ottawa.

Authority of Parliament required for the Payment of Grants

AUDIT OFFICE, OTTAWA, October 14, 1922.

SIR,—I have received copies of two Orders in Council of the 6th instant, the one authorizing the payment of a grant of $40,000 to the Canada Colonization Association, the other authorizing the payment of a grant of $25,000 to the Salvation Army.

While it has been the practice in the past for your department to pay grants to various institutions and organizations from your appropriation on the authority of an Order in Council, I am of opinion that such authority is insufficient, and that in all cases of payments where an accounting to your department and to this office is not required, the direct authority of parliament should be obtained. Such authority should either take the form of a special vote, or a clause should be inserted in your general vote to the effect that out of such vote grants may be paid to such institutions or organizations to aid in immigration or colonization work as may be determined by the Governor in Council.

I trust that you will see your way clear to adopting these suggestions in drawing up your estimates to be submitted to parliament at the coming season.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Immigration and Colonization, Ottawa.

Opposition à certains comptes de tapissières à la rubrique des déboursés de Londres, Angleterre

(*Voir* les rapports de l'A.G. pour 1920-21, pp. 64-67) pour les débuts de la correspondance échangée.)

BUREAU DE L'AUDITEUR, OTTAWA, le 4 juillet 1922.

MONSIEUR,—Dans mes lettres du 21 décembre et du 12 janvier derniers, j'attirais l'attention sur le versement à M. C. A. Allen, secrétaire du bureau de Londres, d'une indemnité de subsistance au taux de $500 par année à valoir du 1er avril 1919 au 31 décembre 1920, et je demandais de quelle autorité ce versement avait eu lieu.

Dans votre réponse du 12 janvier, vous établissiez que l'allocation de subsistance ne valait que pour les agents d'immigration et que M. Allen n'étant pas de ceux-ci, vous aviez écrit au bureau de Londres à l'effet que l'argent versé à cet effet à M. Allen fût remboursé. Or, il ne s'est pas encore, que je sache, effectué de remboursement en l'espèce. Veuillez me faire connaître la raison de ce délai dans le règlement de l'affaire.

Je suis, monsieur, votre obéissant serviteur,

WM KEARNS, *Asst. A.G.*

Le sous-ministre de l'Immigration et de la Colonisation, Ottawa.

BUREAU DE L'AUDITEUR, OTTAWA, le 5 juillet 1922.

MONSIEUR,—Je désire attirer votre attention sur mes lettres du 22 novembre, du 4 et du 14 janvier derniers, relativement aux états présentés pendant l'exercice fiscal 1920-21 par M. Obed Smith, commissaire de l'émigration à Londres, pour ses frais de déplacement de sa demeure, à Richmond, à son bureau, à savoir:

Billets de chemin de fer, livret de saison..	£18	17	0
Voiture et taxis..	£52	7	0
Total..	£71	4	0

Dans ces lettres j'établissais que, à mon avis, l'on devrait prier M. Smith de rembourser ces sommes, et cependant je ne trouve aucune trace de remboursement effectué. Veuillez me dire dès que vous pourrez le faire, quelles mesures l'on a prises, s'il s'en trouve, chez vous pour obtenir le remboursement de la part de M. Smith.

Je suis, monsieur, votre obéissant serviteur,

WM KEARNS, *Asst. A.G.*

Le sous-ministre de l'Immigration et de la Colonisation, Ottawa.

IMMIGRATION ET COLONISATION, OTTAWA, le 18 juillet 1922.

CHER MONSIEUR,—Je vous ai écrit il n'y a pas longtemps à propos des frais dans votre compte de dépenses pour 1921, au sujet de billets de chemins de fer saisonniers, entre votre bureau et Richmond, s'élevant à £18 17s. Vous avez répondu, dans votre lettre du 25 janvier écoulé, qu'on ne pouvait pas trouver la lettre envoyée par ce ministère autorisant le paiement de ces billets de chemin de fer. L'auditeur général nous a écrit plusieurs lettres concernant cette affaire et il nous demande maintenant, soit que le montant soit remboursé ou de donner quelque motif plausible comme quoi il devrait être payé. A moins que vous ne puissiez donner une bonne raison pour

approuver ces frais, qui convaincront l'auditeur général que c'est en conformité avec la manière d'agir et avec la coutume suivies par le gouvernement, il faudra que le montant soit remboursé immédiatement. Il y a d'autres articles pour des fiacres et des taxis-autos dans vos comptes de 1920-21, se totalisant à £52 7s. 0d., auxquels l'auditeur s'objecte. Dans votre lettre du 9 février vous dites à propos de ces frais que le ministre d'alors a fait des recherches sur cette affaire et vous a transmis une déclaration écrite, vous donnant des instructions dans les termes que voici:

"Les frais encourus par le colonel Smith pour des taxis-autos à Londres ne devraient pas être biffés du compte de dépenses."

Je ne me rappelle pas qu'on se soit jamais opposé à ce que vous preniez des fiacres et des taxis-autos lorsqu'il s'agissait des affaires du ministère, et c'est à cela, sans aucun doute, que le ministre faisait allusion. Mais l'auditeur a fait remarquer que les item auxquels il s'objecte semblent avair été pour votre compte personnel. Ces frais sont dans la même catégorie que l'item pour des billets de chemins de fer saisonniers, et doivent, soit être remboursés, ou vous devez donner une meilleure explication pour qu'on les approuve.

Veuillez avoir la bonté de me répondre par le retour du courrier.

Bien à vous,

W. J. BLACK, *sous-ministre.*

J. Obed Smith, surintendant de l'émigration pour le Canada,
Londres, Ang.

Bureau de l'Auditeur, Ottawa, le 4 juillet 1922.

Monsieur,—J'ai l'honneur d'attirer votre attention sur ma lettre du 17 janvier dernier, dans laquelle je vous faisais remarquer qu'un certain nombre des fonctionnaires de votre ministère employés en Grande-Bretagne, et dont les positions avaient été considérées comme temporaires avaient reçu des augmentations de traitements, tant pour 1920-21 que pour 1921-22, contrairement aux dispositions de la Loi du Service civil, qui stipule que: "Aucun fonctionnaire temporaire ne sera jugé éligible à recevoir une augmentation de traitement". Jusqu'ici, je n'ai rien vu pour indiquer que des remboursements eussent été faits à cause de ces excédents de paiements. Je dois donc, en conséquence, vous demander de nouveau quelles mesures sont prises, s'il en est, afin de recouvrer les montants ainsi payés en trop.

Je suis, monsieur, votre obéissant serviteur,

Wm KEARNS, *A.G adj.*

Au sous-ministre de l'Immigration et de la Colonisation, Ottawa.

Bureau de l'Auditeur général, Ottawa, le 4 juillet 1922.

Monsieur,—Permettez-moi d'attirer votre attention sur ma lettre du 6 décembre dernier, relativement au paiement de la somme de £60 10s 0d. à Beverly Smythe & Son pour le déménagement des meubles du colonel E. O'Kelly, de Dublin à Birmingham.

Comme je n'ai pas encore reçu de réponse à cette lettre je me vois de nouveau forcé d'exprimer l'opinion que cette dépense ne peut être imputée à l'Etat et je vous demande de m'informer si vous avez fait des démarches pour faire autoriser cette dépense ou en faire rembourser la somme par M. A. O'Kelly, agent à Birmingham.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

Wm KEARNS, *Asst. A.G.*

Le sous-ministre de l'Immigration et de la Colonisation, Ottawa.

IMMIGRATION ET COLONISATION, OTTAWA, le 28 août 1922.

CHER MONSIEUR,—Au sujet de votre lettre du 4 du mois dernier concernant les frais de déménagement de M. O'Kelly de Dublin à Birmingham, vous trouverez ci-inclus copie de l'arrêté du conseil P.C. 53/1574, qui autorise le paiement de £67 10s. 0, $328.50.

Votre dévoué,

W. J. BLACK, *sous-ministre.*

WM KEARNS, assistant auditeur général, Ottawa.

Immigration et Colonisation.—Le Conseil recommande qu'autorité soit accordée pour le paiement de la somme de $328.50, représentant le chiffre des frais contractés par M. A. O'Kelly, agent d'immigration à Dublin, relevant du ministère de l'Immigration et de la Colonisation, lors de son transfert, sans augmentation de salaire, de Dublin à Birmingham.

(Signé) RODOLPHE BOUDREAU, *greffier du Conseil privé.*

A l'honorable ministre de l'Immigration et de la Colonisation.

BUREAU DE L'AUDITEUR GÉNÉRAL, OTTAWA, le 27 juillet 1922.

MONSIEUR,—Je constate que les employés suivants, en Grande-Bretagne, ont reçu une gratification de vie chère trop élevée pour les quatre mois se terminant le 31 juillet 1921.

T J. Matthews, Glasgow, gratification versée $26.25 par mois au lieu de $24.75, plus-payé total pour les quatre mois, $6.00.

H. Turnbull, York, Mlle A. Hewitt, Liverpool; Mlle A. Arnaud, Bristol; Mlle O. Eraut, Londres; Mlle P. Glass, Londres; gratification versée $15.75 par mois au lieu de $13.87, plus-payé total dans chaque cas pour les quatre mois, $7.50. A partir du mois d'août cette gratification a été payée au chiffre autorisé, mais l'excédent mentionné plus haut ne semble pas avoir été remboursé.

Mme N. Moncur, de l'agence de Glasgow, dont le salaire a été payé à même le crédit pour dépenses imprévues et, apparemment, aux taux courants, a touché la gratification pour les mois d'avril et mai, et non après cette date. Si on a considéré qu'elle n'avait pas droit à la gratification la somme versée à ce titre pour les mois d'avril et mai et s'élevant à $31.50 aurait dû être remboursée.

Je suis obligé de vous demander de prendre des mesures pour faire rembourser ces plus-payés le plus tôt possible.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

WM KEARNS, *Asst. A.G.*

Au sous-ministre de l'Immigration et de la Colonisation, Ottawa.

BUREAU DE L'AUDITEUR, OTTAWA, le 27 juillet 1922.

MONSIEUR,—Au mois d'octobre dernier un transfert de positions entre F. C. Campbell, agent à Glasgow, et A. O'Kelly, agent à Birmingham, a été fait avec l'autorisation de la Commission du Service civil. Au sujet de ce transfert les fonctionnaires en question ont demandé le paiement des dépenses suivantes, et le paiement a été fait par M. Smith.

F. C. Campbell, transfert de Glasgow à Birmingham.

Billets de transport, correspondances, etc., en octobre..	£ 20 13 7
Frais de subsistance pour lui-même, du 5 octobre au 3 février..	110 19 9
Dépenses de Mme Campbell et sa famille..	17 3 9
Transport et entreposage des effets..	62 3 0
Pour prime, par suite du transfert de Glasgow à Birmingham en attendant l'autorisation par un arrêté du Conseil..	54 12 0
Total..	£265 12 1

A. O'Kelly, transfert de Birmingham à Glasgow.

Dépenses personnelles, Birmingham à Glasgow..	£ 10 9 0
Dépenses de Mme O'Kelly, enfants et bonne..	20 15 3
Frais de subsistance pour lui-même, du 4 octobre au 8 mars..	80 11 11
Transport et entreposage des effets..	93 0 0
	£204 16 2

Veuillez me dire si ces dépenses ont été autorisées par la Trésorerie conformément aux termes de l'arrêté du Conseil en date du 8 septembre 1871. Par suite du fait que ce transfert de position entrait en vigueur le 1er octobre 1921, il me faut vous demander une explication concernant les périodes prolongées pour lesquelles on demande le paiement des dépenses de subsistance, quatre mois dans un cas et plus de cinq mois dans l'autre. Il me faut aussi vous demander une explication du dernier item du compte de M. Campbell: "Pour prime par suite du transfert, etc." £54 12 0.

Je suis, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G adj.*

Le sous-ministre de l'Immigration et de la Colonisation, Ottawa.

Le paiement des allocations de subsistance en plus des appointements doit être autorisé par la Commission du Service civil

BUREAU DE L'AUDITEUR, OTTAWA, 17 février 1922.

MONSIEUR,—En examinant les comptes des dépenses faites au cours de l'exercice 1920-21, au compte de l'Immigration, je constate qu'un certain nombre de vos fonctionnaires ont touché, en plus des appointements autorisés, une allocation de subsistance ou de logement.

D'après ce que j'ai pu établir, les seules allocations de cette nature qui ont été dûment autorisées par la Commission du Service civil sont les suivantes:

Position.	*Allocation.*
(1) Commissaire d'émigration européenne..	Logement.
(2) Agents en Grande-Bretagne et en Europe.	$500.00 par année.
(3) Agents aux Etats-Unis..	$300.00 par année.
(4) Gardes d'immigration..	Les repas pendant le service.

Le montant de toute allocation autre que celles mentionnées ci-dessus doit être approuvé par la Commission, ou déduit des appointements. Cette règle devrait s'ap-

pliquer aux fonctionnaires employés à Québec au cours de la saison d'été et à St. John ou à Halifax au cours de la saison d'hiver, de même qu'à tout autre fonctionnaire qui touche une allocation quelconque. Veuillez prendre des mesures en vue de faire dûment approuver ces allocations on d'en déduire la valeur approximative des appointements autorisés.

Je suis, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le sous-ministre de l'Immigration et de la Colonisation, Ottawa.

Changements des montants dans les reçus pour timbres postaux

BUREAU DE L'AUDITEUR, OTTAWA, 31 mars 1922.

MONSIEUR,—Dans l'examen des états mensuels des dépenses de W. S. Nethery, agent d'immigration à Columbus, Ohio, je remarque que dans un certain nombre de reçus pour l'achat de timbres postaux, le montant semble avoir été porté de $5 à $15. Suivent quelques-uns des reçus qui ont été changés.

Reçu n° 4, sept. 1920.	Reçu n° 3, mai 1921.
" 2, oct. 1920.	" 4, juin 1921.
" 15, nov. 1920.	" 1, juillet 1921.
" 3, févr. 1921.	" 12, juillet 1921.

Je remarque aussi que dans les comptes de W. E. Black, agent à Grand Forks, D.N., un grand nombre de reçus de $20 chacun, pour l'achat de timbres postaux, indiquent assez clairement que le montant a été changé de $10 à $20.

Votre comptable me dit qu'un officier de votre ministère a fait enquête sur ces cas; si cela est exact, j'aimerais à être mis au courant des résultats de ces enquêtes Je désirerais savoir aussi quel système suivent vos divers agents pour contrôler les timbres postaux achetés et employés.

Je suis, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Au sous-ministre de l'Immigration et de la Colonisation, Ottawa.

IMMIGRATION ET COLONISATION, OTTAWA, le 25 juillet 1922.

CHER MONSIEUR,—En réponse à votre lettre du 31 mars dernier, au sujet de la majoration apparente des reçus couvrant l'achat de timbres-poste pour les bureaux de Columbus et de Grand-Forks, je dois vous informer qu'à la demande du comptable dans le bureau duquel on a découvert ces irrégularités, M. W. J. White, inspecteur des agences américaines, a fait une enquête sur ces deux cas, en septembre 1921.

Dans le cas du bureau de Columbus, la commis-sténographe qui fit les achats de timbres-poste avoua qu'elle avait majoré certains reçus, de $5 à $15, et donna l'explication suivante de cette action:

"Au sujet des reçus pour les sommes employées à l'achat de timbres-poste, j'eus besoin de timbres pendant l'absence de M. Nethery et j'écrivis des reçus de $5 avec l'intention de faire les achats avant son retour. Il revint dans l'intervalle et me donna $15 pour acheter les timbres J'allai acheter les timbres au bureau de poste, avec cet argent, mais on refusa de viser les reçus parce qu'ils n'étaient pas faits pour la même somme. Afin de pouvoir envoyer des reçus avec les comptes, je changeai le montant de $5 à $15, sans songer que cette action causerait quelque difficulté, et je les envoyai au

ministère. C'est ce qui arriva dans chaque cas. Je regrette beaucoup que mon erreur ait causé des embarras et si vous me trouvez coupable d'avoir surchargé le ministère, je m'efforcerai de rectifier la situation. J'ai cependant acheté pour $15 de timbres-poste chaque fois que j'ai fourni un reçu de ce montant au ministère."

M. White fait le rapport suivant, à la suite de son enquête:

"J'en suis venu à la conclusion, après avoir examiné aussi soigneusement que possible les rapports inexacts et mal faits, qu'on a payé $105 pour des timbres-poste, pendant la période de six mois en question. Mais je ne trouve pas d'explication de la différence entre ce montant et la somme de $55 que représentent les reçus, après en avoir déduit la majoration de $50 L'emploi de $55 de timbres-poste durant ces six mois, donnerait une dépense moyenne d'un peu plus de $9 par mois Si l'on a répondu à chaque lettre reçue, on a dû employer plus que cette somme de timbres. J'ai trouvé que l'on expédie des brochures par la poste tous les jours et, si l'on tient compte des frais de poste de ces brochures, on arrive à un chiffre qui correspond à la dépense de $105 On ne saurait trouver de provenance à cet argent, à moins que l'on n'accepte la déclaration de Mlle Schroeter, qu'elle l'a obtenu en majorant les reçus."

Le comptable n'a pas été satisfait de l'explication de la commise, ni des conclusions de M. White, mais comme il était cependant douteux que Mlle Schroeter ait bénéficié personnellement de la majoration des reçus, on n'a institué aucune procédure pour recouvrer les sommes qu'on suppose avoir été payées sans raison par le ministère. Cependant, comme le ministère avait blâmé la commise d'avoir agi ainsi sans en avertir immédiatement les autorités, elle donna sa démission qui fut datée du 31 octobre 1921. Nous avons alors demandé à l'agent de Columbus d'envoyer au bureau-chef un état des timbres-poste achetés et employé chaque mois dans son bureau. Ces documents sont à son dossier de compte, au ministère.

M. White a aussi fait une enquête sur l'affaire du bureau de Grand Forks. Il a rapporté qu'après avoir examiné soigneusement les pièces justificatives censées avoir été modifiées et les avoir comparées avec le compte de timbres du bureau, qui était bien tenu et bien balancé, il n'a pas eu de doute que les pièces n'avaient pas été majorées et a aussi produit, à l'appui de ses conclusions, des pièces à conviction que le ministère a dû accepter en faveur de la commise qui avait acheté les timbres-poste. Mais comme il a dit à la commise en question que si l'enquête prouvait en sa faveur, dans une certaine mesure, le ministère n'était pas tout à fait convaincu du fait qu'elle n'avait pas mal fait, elle a donné sa démission prenant effet le 28 octobre 1921.

Le ministère ignore si les agents suivent un système particulier pour vérifier la quantité de timbres achetés et en laisse la responsabilité aux agents eux-mêmes. Lorsque des irrégularités ont eu lieu, dans les deux cas à l'étude, le comptable a suggéré, comme mesure de protection, que les agents donnent des chèques plutôt que de l'argent, non seulement pour l'achat des timbres-poste mais pour tous les achats effectués dans la localité, relativement à l'administration de leur bureau. Mais on n'a pas suivi cette suggestion. On a objecté que, comme les agents sont, la plupart du temps, absents de leur bureau, ce système serait peu commode lorsqu'il est urgent de faire certains achats, à moins que les marchands du lieu ne soient disposés à faire crédit jusqu'au retour de l'agent, alors que celui-ci pourrait émettre des chèques pour tous les achats effectués pendant son absence.

Votre tout dévoué,

W. J. BLACK, *sous-ministre.*

Emploi d'aide aux écritures en dehors du Canada

BUREAU DE L'AUDITEUR, OTTAWA, le 3 novembre 1922.

MONSIEUR,—En examinant vos comptes pour l'exercice 1921-22, ainsi que pour une partie de celui de 1922-23, je constate que Mlle Amy S. Runyon a été employée par M. W. E. Black, agent d'Emigration à Fargo, D.-N., comme assistante dans le bureau et a été payée comme suit:

1er novembre 1921 au 31 janvier 1922, 3 mois à $75.. ..	$225 00
Février 1922, à $75, moins 1½ j..	70 75
1er mars au 31 mai 1922, 3 mois à $80..	240 00

Les comptes de M. Black pour le mois de juin n'ont pas encore été reçus à notre bureau, mais son compte pour le mois de juillet indique qu'elle a été payée $80 pour ses services en juillet. Je n'ai reçu aucun certificat de la Commission du Service civil autorisant l'emploi de cette demoiselle. Veuillez donc m'informer si elle a été dûment nommée par la Commission du Service civil, et sinon veuillez me dire d'après quelle autorité vous l'avez gardée à votre emploi.

Je suis, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G adj.*

Le sous-ministre de l'Immigration et de la Colonisation, Ottawa.

IMMIGRATION ET COLONISATION, OTTAWA, 13 novembre 1922.

MONSIEUR,—J'ai votre honorée lettre du 3 courant dans laquelle vous exprimez des objections concernant l'emploi de Mlle Amy S. Runyon, comme sténographe dans le bureau de W. E. Black, agent d'émigration à Fargo, D.-N., et je désire vous faire remarquer que l'arrêté en conseil C.P. 8/200, du 31 janvier 1922, exempte ces positions de l'application de la loi du Service civil.

Bien à vous,

W. J. BLACK, *sous-ministre.*

M. WM KEARNS, Auditeur général adjoint.

BUREAU DE L'AUDITEUR, OTTAWA, le 15 novembre 1922.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 13 courant concernant la nomination de Mlle Amy S. Runyon, comme sténographe dans le bureau d'Emigration à Fargo, D.-N., dans laquelle vous me faites remarquer que l'arrêté en conseil n° 8/200 du 31 janvier 1922 exempte ces positions de l'application de la loi du Service civil.

Je désire attirer votre attention sur le fait que l'arrêté en conseil en question, lequel exempte les positions aux écritures et des classes inférieures dans les bureaux en dehors du Canada, pourvoit aussi que le choix de l'employé sera fait par le sous-ministre ou par un officier dûment autorisé et que la nomination devra être faite par le Gouverneur en conseil. Il pourvoit de plus que dans les cas où toute position qui est soustraite à l'application de la loi en conformité des dispositions de l'article 38/B de la loi du Service civil doit être maintenue pendant plus de six mois, le département doit faire rapport des devoirs de la dite position à la Commission et demander un certificat de classification et que le paiement du traitement attaché à cette position ne sera pas autorisé excepté qu'en conformité des dits certificats de classification.

Veuillez donc m'informer si Mlle Runyon a été dûment nommée par le Gouverneur en conseil, conformément à la première des dispositions susdites, et aussi si la position qu'elle remplit a été classifiée par la Commission du Service civil en conformité de la deuxième des dispositions susdites, vu que l'emploi de Mlle Runyon dure depuis plus de six mois.

Je suis, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G adj.*

Au sous-ministre de l'Immigration et de la Colonisation, Ottawa.

L'autorité du parlement requise pour le paiement des subventions

BUREAU DE L'AUDITEUR, OTTAWA, 14 octobre 1922.

MONSIEUR,—J'ai reçu des copies de deux arrêtés de l'Exécutif en date du 6 courant, l'un autorisant le paiement d'une subvention de $40,000 à l'Association de colonisation du Canada, l'autre autorisant le paiement d'une subvention de $25,000 à l'Armée du Salut.

Bien que, dans le passé, votre ministère ait suivi la pratique de payer des subventions à diverses institutions et organisations à même vos crédits sous l'autorité d'un arrêté de l'Exécutif, je suis d'avis que cette autorité ne suffit pas et que dans tous les cas de paiements où une reddition de comptes à votre département et à ce bureau n'est pas requise, on devrait obtenir l'autorisation directe du parlement. Cette autorisation devrait ou prendre la forme d'un crédit spécial, ou d'une clause insérée dans votre crédit général statuant qu'à même ce crédit, des subventions peuvent être payées à ces institutions ou organisations pour aider aux travaux d'immigration ou de colonisation selon que le déterminera le Gouverneur en conseil.

J'espère que vous trouverez possible l'adoption de ces suggestions en préparant vos crédits à soumettre au parlement à la prochaine session.

Je suis, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G adj.*

Au sous-ministre de l'Immigration et de la Colonisation, Ottawa.

Overpayment of Salary to Agent R. G. Garland

AUDIT OFFICE, OTTAWA, March 31, 1922.

SIR,—I beg to enclose herewith copy of a letter addressed by me to the Civil Service Commission, with reference to the salary of Mr. Ross G. Garland, Indian Agent at Cape Croker, and the reply of the Secretary of the Commission thereto. From the correspondence, it would appear that Mr. Garland has been overpaid salary for the fiscal year 1921-22, your Department having paid him at the rate of $1,080 for the year when, under the regulations, he was entitled only to $960.

I understand that Mr. Garland is no longer in the employ of your Department, so that it will be difficult, if not impossible, to recover the amount overpaid. I should like to know, however, how you justify the increase of $180 in this case, when the annual increase in that class was only $120.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A. G.*

The Deputy Superintendent General of Indian Affairs.

OTTAWA, March 8, 1922.

SIR,—Mr. Ross G. Garland was appointed Indian Agent at the Cape Croker Agency from July 30, 1919, at an initial salary of $900 a year with free house and office, the authority for his appointment being a certificate issued by the Civil Service Commission dated October 6, 1919. The Agent at Cape Croker is classed as Indian Agent, Grade 3, the minimum salary being $720 with increments of $120 until $1,260 is reached. Mr. Garland remained at this salary of $900 until April 1, 1921, when he was increased to $1,080, the authority for this increase being a certificate issued by the Civil Service Commission increasing his salary from $960 to $1,080. Mr. Garland's actual salary at that time was, however, only $900, so that I am of the opinion that the increase should have been from $900 to $960, the next higher rate for the class.

I might point out that, according to my interpretation of the regulations, if Mr. Garland had received an increase when he was first eligible for the same his rates of pay would have been as follows:—

July 30 1919, to September 30, 1920, at..	$ 900 00
October 1, 1920, to September 30, 1921, at..	960 00
October 1, 1921, to September 30, 1922, at..	1,080 00

I should like to be advised as to how you justify the increase from $960 to $1,080, when he was actually in receipt of a salary of $900 only.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A. G.*

The Secretary, Civil Service Commission, Ottawa.

CIVIL SERVICE COMMISSION, OTTAWA, March 17, 1922.

SIR,—I have your letter of the 8th instant with reference to the salary paid Mr. Ross G. Garland as Indian Agent at Cape Croker Agency, Department of Indian Affairs. Mr. Garland was appointed by the Civil Service Commission at an initial

salary of $900 a year, this being in accordance with the advertisement; but it would appear from a letter from the department dated 27th January, 1920, that they adjusted his salary without authorization from $900 to $960 to conform to the classification figures. When his salary increase was recommended from $960 to $1,080 on the 1st of April, 1921, the fact that this adjustment had been made by the department and that the salary should actually be at the rate of $900 per annum was overlooked and the increase was approved by the Commission as recommended.

I am inclined to agree with your interpretation of the regulations as to the rates of pay which Mr. Garland should have received. In explanation of the increase being dated from the 1st of April, 1921. I may say that this point was taken up with the department and the Commission was advised that while the increase was due in October, 1920, the department did not care to recommend it at that time as the first period of Mr. Garland's service was unsatisfactory and his rejection was contemplated by the department.

I am, sir, your obedient servant,

W. FORAN, *Secretary.*

The Auditor General.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, April 4, 1922.

SIR,—In reply to your letter of the 31st ultimo, respecting Mr. Garland's increase in salary, I beg to say that at the time the recommendation was made to the Civil Service Commission, Mr. Garland's salary was $900, the same as he received when first appointed. It was desired to give him an increase of at least $10 a month and therefore it was proposed paying him at the rate of $1,080 if the Civil Service Commission would approve of it; as if placed at $960 he would only get an increase of $60. The Civil Service Commission approved of increasing his salary to $1,080 and he was therefore paid accordingly. His services have been dispensed with. If it was not proper to increase his salary to $1,080, it was expected the Civil Service Commission would point that out.

Yours obediently,

J. D. McLEAN, *Act. Deputy Supt. Gen.*

The Auditor General.

AUDIT OFFICE, OTTAWA, April 6, 1922.

SIR,—I beg to acknowledge receipt of your letter of the 4th instant, in reply to mine of the 31st ultimo, respecting the increase in salary of Mr. R. G. Garland, Indian Agent at the Cape Croker Agency.

The certificate issued by the Commissioner was for an increase from $960 to $1,080, they being evidently under a misapprehension as to Mr. Garland's previous salary. I am of the opinion that this certificate did not warrant your Department in increasing his salary from $900 to $1,080, an increase of $60 greater than the annual increase allowed under the reclassification rates, which it was beyond the power of the Commission to grant. If the Commission had been communicated with immediately on the receipt of the certificate in question, the error might have been rectified and the overpayment avoided.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A. G.*

Irregularities at Seven Islands Indian Agency

AUDIT OFFICE, OTTAWA, September 26, 1922.

SIR,—The accounts for the expenditure at the Seven Islands agency during the fiscal year 1921-22 on account of Relief, which were loaned to your Department some time ago, have been recently returned with the following memoranda initialled by your accountant attached thereto:—

Wenceslas Levesque. "The attached accounts amount to the total of $6,510.67 which the Department paid. The statement which Constable Cox obtained from Wenceslas Levesque as representing what he furnished the Indians and referred to as Exhibit No. 1, amounts to $1,869.04. It appears therefore that the Department paid for supplies which were not furnished amounting to $4,641.63."

P. H. Abraham. "The attached accounts amount to the total of $4,329 59 which the Department paid. The statement which Constable Cox obtained from P. H. Abraham as representing what he furnished the Indians and referred to as Exhibit No. 2 amounts to $1,791.21. It appears therefore, that the Department had paid foı supplies which were not furnished amounting to $2,538.38."

S. A. Vigneault "The attached accounts amount to the total of $1,774.40 which the Department paid. The statement which Constable Cox obtained from S. A. Vigneault as representing what he furnished the Indians and referred to as Exhibit No. 3, amounts to $1,194.05. It appears therefore, that the Department paid for supplies which were not furnished amounting to $580.35."

P. J. Romeril. "The attached accounts amount to $1,386.10 which the Department paid. The statement which Constable Cox obtained from P. J. Romeril shown as Exhibit No. 4 is O.K."

P. E. Gallienne. "The attached accounts amounting in the total to $7,308.99 are those which the Department paid. The accounts which Constable Cox obtained from P. E. Gallienne as representing what he furnished the Indians and referred to as Exhibit No. 5 amount to $6,628.04. It appears therefore, that the Department has paid for supplies which were not furnished amounting to the total of $680.95. I would point out, however, that an account for December, 1921, amounting to $687.60, which the Department paid, is not included in the accounts under Exhibit No. 5."

Arthur Bois. "The attached accounts amounting in the total to $1,371.25 are those which the Department paid. In Constable Cox's report he states that he interviewed Arthur Bois, who said that he supplied wood during the winter season, 1921-22, to four families, four cords each a month at $4 a cord, $64 per month."

M. E. Plourde. "The attached accounts for milk and eggs total to $869.90 which the Department paid. Constable Cox's report shows that Mr. Rousseau (Hudson's Bay Agent), states positively that the Indians never received milk and eggs except at Christmas. M. E. Plourde is the agent's housekeeper."

It seems to me that a copy of the report on which these memoranda is based should be sent to me, as in the absence of further information it would seem that your agent was a party to apparent frauds. I shall be glad to be informed as to

the system followed in furnishing the Indians with relief supplies. Are orders on the merchants issued by the agent, and, if so, are such orders attached to the accounts rendered monthly by the merchants? Were the investigations referred to confined to the accounts of 1921-22? I shall be obliged if you will let me know what action your Department has taken or proposes to take with the view of obtaining refunds of any overpayments which may have been made.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A. G.*

The Deputy Superintendent General of Indian Affairs.

DEPT. OF INDIAN AFFAIRS, OTTAWA, November 14, 1922.

SIR,—In reply to your letter of the 26th September, respecting accounts for relief supplies issued at Seven Islands, I have to say that consequent upon Constable Cox's report, Mr. C. C. Parker, Inspector of Indian Agencies, recently held an investigation at Seven Islands and reports that while he failed to find any evidence of collusion between the Indian Agent and the traders of corrupt practices, there was evidence of mismanagment and in consequence the question of dispensing with the agent's services is now under consideration.

Your obedient servant,

DUNCAN C. SCOTT, *Deputy Supt. General.*

The Auditor General.

Relief Expenditure for Indians of Ontario and Quebec Charged to General Vote

AUDIT OFFICE, OTTAWA, February 9, 1922.

SIR,—I have your application of the 31st ultimo, requesting that a transfer entry be made, debiting your General Vote and crediting your Ontario and Quebec Vote with the amount of $20,000 on account of relief paid for Seven Islands Agency.

Before authorizing the transfer I should like to have a statement setting out the circumstances that call for the transfer. As a general rule, transfers of expenditure from one vote to another should only be made when the first vote has been erroneously charged with the expenditure. A transfer of expenditure from one vote to another simply to avoid an overdraft should only be permitted under very special circumstances, if at all. In your General Vote, I find a sub-vote of $65,000 for Relief of Indians in Remote Districts. No doubt it is against the sub-vote that you wish the amount in question to be charged. The wording of the sub-vote is so indefinite, that it may be reasonably charged with relief to Indians in almost any part of Canada. In addition to the sub-vote, amounts for relief are voted under the heads of Maritime Provinces, Ontario and Quebec, Manitoba, and North West Provinces, and British Columbia.

I am of the opinion that, for the information of Parliament the whole expenditure for relief in a given group of Provinces should be charged against the same vote. I find that in the past by far the greater part of the expenditure from the General Vote on account of relief has been on account of Indians in the outlying parts of

Ontario and Quebec. I would accordingly suggest that in preparing your estimates for the approaching session the Vote for Relief under the head of General be reduced to such sum as might reasonably be expected sufficient to provide for relief to Indians in the North West Territories, while the Vote for Relief in the different groups of provinces be correspondingly increased, the bulk increase being in the Ontario and Quebec Vote, for the reason given above.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A. G.*

The Deputy Superintendent General of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, February 13, 1922.

SIR,—In reply to your letter of the 9th instant, respecting transfer entry from General Vote to Ontario-Quebec Vote; I have to say that this was necessary owing to relief accounts having been erroneously charged to Seven Islands Agency instead of to General Vote, as has been the custom in the past. The estimates for next fiscal year have already been prepared and sent to the Finance Department, so that it is too late to act on your suggestion that expenditure for Relief in Ontario and Quebec be provided for in the estimates for those provinces, but when the next estimates are being prepared, it will be acted upon.

I may say that the Relief appropriation this year of $65,000 is far short of requirements, and a supplementary vote of at least $35,000 will be required.

I am, sir, your obedient servant,

DUNCAN C. SCOTT, *Deputy Supt. General.*

The Auditor General.

Payment of Bonus to Employees Paid at Prevailing Rates

AUDIT OFFICE, November 13, 1922.

SIR,—On June 14, 1921, a certificate was issued by the Civil Service Commission for the permanent appointment of Martin J. Kennedy as farm hand at the File Hills Indian Agency, from June 9, 1921, at prevailing rates. Mr. Kennedy had been previously employed in the same position in a temporary capacity. I find from your accounts for the fiscal year 1921-22 that this man was paid full bonus amounting to $261. Kindly let me know your authority for paying the bonus in this case, as it appears to me that under section 9 of the bonus regulations for that year he was not eligible to participate in the bonus.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A. G.*

The Deputy Superintendent General of Indian Affairs, Ottawa.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, November 17, 1922.

SIR,—In reply to your letter of the 13th instant, relative to bonus paid to Martin J. Kennedy, farm hand, File Hills Agency, in 1921-22, I beg to say that Mr. Kennedy's name was included in June quarter, 1921, Bonus Pay-list, which was submitted to the Civil Service Commission on the 18th June, 1921, for approval and the same obtained before bonus was paid him. It was unnecessary to submit his name again to the Commission when he was made permanent as there was no change which affected his bonus group.

Your obedient servant,

J. D. McLEAN, *for Deputy Supt. Gen.*

The Auditor General, Ottawa.

AUDIT OFFICE, OTTAWA, November 20, 1922.

SIR,—Martin J. Kennedy, employed as farm hand at the File Hills Indian Agency, was paid bonus amounting to $261 for the fical year 1921-22. On inquiry of the Indian Department as to their authority for paying the bonus in this case I was informed that Mr. Kennedy's name was included in the June quarter, 1921, Bonus pay-list, which was submitted to the Civil Service Commission on the 18th June, 1921, for approval and that the Commission's approval was obtained before the bonus was paid him.

The classification schedule gives the remuneration for the position of farm hand as "Prevailing Rates," no minimum or maximum being stated. Section 9 of the Bonus regulations provides that "Employees whose positions are classified in classes for which prevailing rates are prescribed shall not participate in the bonus." As Mr. Kennedy was classified by the Commission as a Farm Hand I have to ask why, in view of the above facts, the payment of bonus to him was approved by the Civil Service Commission?

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A. G.*

Temporary Reappointment of Official Dismissed on Account of Unsatisfactory Service

AUDIT OFFICE, OTTAWA, July 8, 1922.

SIR,—On September 3rd last, an Order in Council, based on the recommendation of the Treasury Board, was passed dispensing with the services of Mr. T. H. Carter, Indian Agent for the Fisher River Agency, on account of his unsatisfactory services.

This Order in Council appears not to have been acted upon by your Department, as I find from the examination of the accounts for the fiscal year 1921-22 that he was continued in office all through the year, and I understand from your Accountant's branch, that his services have been continued in the current fiscal year. Kindly let me have an explanation of the retention of this man's services after he had been formally dismissed by the Governor in Council.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A. G.*

The Deputy Superintendent General of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, September 6, 1922.

DEAR SIR,—I beg to acknowledge the receipt of your letter of July 8, last, with reference to the case of Mr. T. H. Carter, formerly Indian Agent for the Fisher River Agency, Manitoba.

In reply, I beg to say that, owing to the comparative remoteness of Mr. Carter's location, it was thought advisable to retain him in office after the passage of the Order in Council of September 3, 1921, until the position could be advertised and permanently filled through the Civil Service Commission. Mr. Murdock McCuish was appointed as Agent at Fisher River, and assumed the duties of the position on June 24, 1922.

Yours truly,

DUNCAN C. SCOTT, *Depy. Sup. Gen.*

The Asst. Auditor General.

AUDIT OFFICE, OTTAWA, October 7, 1922.

SIR,—I beg to acknowledge receipt of your letter of September 5th, last, in reply to mine of July 8, with reference to the retention in office of Mr. T. H. Carter, as Indian Agent at the Fisher River Agency, whose services were dispensed with on account of unsatisfactory service by Order in Council of September 3, 1921.

In your reply you state that "owing to the camparative remoteness of Mr. Carter's location, it was thought advisable to retain him in office until the position could be advertised and permanently filled through the Civil Service Commission."

In reply, I beg to state that I am of opinion that no date being specified in the Order in Council of September 3, Mr. Carter ceased on that date to be legally employed as Indian Agent, and any moneys paid to him after that date by way of salary were paid without proper authority and will require to be refunded or to be specifically voted by Parliament.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A. G.*

The Deputy Superintendent General of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, November 2, 1922.

DEAR SIR,—I beg to acknowledge receipt of your letter of the 7th ultimo, with reference to the retention in office of Mr. T. H. Carter as Indian Agent at Fisher River Agency, after the date of the Order in Council which dispensed with his services.

In reply, I beg to say that I have been in communication with the Civil Service Commission with a view to obtaining from them a certificate of temporary appointment in favour of Mr. Carter for the time he was so employed. I am advised by them that they have approved of his temporary appointment, and will issue a certificate in due course.

Yours truly,

DUNCAN C. SCOTT, *Depy. Sup. Gen.*

The Asst. Auditor General, Ottawa.

AUDIT OFFICE, OTTAWA, November 14, 1922.

SIR,—On November 2nd, two certificates were issued by you for the temporary appointment of Mr. T. H. Carter, as Indian Agent at the Fisher River Agency from September 3rd, 1921, to April 21st, 1922 (File No. O.S.-IA-IA3-371). Mr. Carter was formerly employed in a permanent capacity as Indian Agent, but his services were dispensed with, by an Order in Council passed on September 3rd, 1921, on account of his unsatisfactory service.

I shall be obliged if you will refer me to some definite authority under the Civil Service Act, empowering the Civil Service Commission to continue in the public service, even in a temporary capacity, a person who has been specifically dismissed by the Governor in Council, from a permanent position on account of his unsatisfactory service. The power of dismissal is expressly conferred on the Governor in Council by section 28 of the Civil Service Act.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Secretary, Civil Service Commission.

Erroneous "Blanketing-in" of Agent J. B. Hardinge

AUDIT OFFICE, OTTAWA, July 25, 1922.

SIR,—I have received a copy of an Order in Council, of the 30th ult., granting permanent status, under the authority of Orders in Council of December 16th, 1920, and October 22nd, 1921, to Mr. J. B. Hardinge, Indian Agent.

In this Order in Council it is stated that the Deputy Superintendent General certifies that this employee was employed prior to November 10th, 1919, and continuously to the present date (*i.e.*, of the Order in Council). The only records, however, that I find of Mr. Hardinge's employment, show that he was employed at the Touchwood agency as farming instructor during the month of September, 1919, and that he was appointed agent from June 6th, 1920. Kindly let me know where and in what capacity Mr. Hardinge was employed between October 1st, 1919, and June 5th, 1920, inclusive.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs, Ottawa.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, October 6, 1922.

SIR,—Referring to your letter of the 25th July relative to the early service rendered by Mr. J. B. Hardinge to this Department, I have to inform you, in reply to inquiry in the closing paragraph thereof, that Mr. W. M. Graham, Indian Commissioner, Regina, has stated that Mr. Hardinge was employed during the month of September, 1919, and until the middle of October in supervising threshing on Poorman's Reserve, but that the latter states he did not receive remuneration for the month of October as he was anxious to get away on private business. Mr. Graham has stated further that between the 1st November, 1919, and 5th June, 1920, Mr. Hardinge was engaged in real estate and insurance business on his own account.

Your obedient servant,

J. D. McLEAN, *Asst. Dep. and Sec.*

The Auditor General, Ottawa.

AUDIT OFFICE, OTTAWA, October 10, 1922.

SIR,—I beg to acknowledge receipt of your letter of the 6th instant in reply to mine of July 25th with reference to the case of Mr. J. B. Hardinge, who was granted a permanent status from April 1st, 1921, by Order in Council of June 30th, 1922. Your letter states that Mr. Hardinge was employed at Poorman's reserve from September 1st to the middle of October, 1919, and as agent at the Touchwood agency from June 6th, 1920, between these dates he was not employed in the government service but was engaged in real estate and insurance business on his own account.

The Order in Council of June 30th, granting him permanent status was evidently passed on a misapprehension, as it states that he had been employed prior to November 10th, 1919, and continuously to the passing of that order. As Mr. Hardinge was not in the Government employment on November 10th, 1919, he was not eligible to be given a permanent status under the authority of Orders in Council of December 16th, 1920, and of October 21st, 1921 (blanketing-in-Orders), and must still be considered a temporary official. Steps should be taken by you to have the Order in Council of June 30th cancelled, and any amounts that may have been paid to Mr. Hardinge by way of adjustment of his salary should be refunded by him.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs, Ottawa.

DEPARTMENT OF INDIAN AFFAIRS, Ottawa, October 13, 1922.

DEAR SIR,—I beg to acknowledge receipt of your letter of the 10th instant with reference to the case of Mr. J. B. Hardinge, who was granted permanent status as Indian Agent, at the Touchwood Hills Agency, under the Blanketing-In regulations, by Order in Council of 30th June, last. We are requesting the Civil Service Commission to rescind the above Order in Council as we have ascertained that as Mr. Hardinge was not continuously in our employ from a date prior to the 10th November, 1919, he was not eligible for Blanketing-in. Nothing extra has been paid Mr. Hardinge by way of adjustment of his salary.

Yours truly,

DUNCAN C. SCOTT, *Deputy Supt. General.*

WM. KEARNS, Asst. Auditor General, Ottawa.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, November 8, 1922.

DEAR MR. KEARNS,—With further reference to my letter to you of the 13th ultimo, regarding the case of Mr. J. B. Hardinge, I beg to inclose herewith a copy of a letter from the Civil Service Commission, and would draw your attention specially

to that portion of it which deals with the rescinding of the Order in Council which blanketted-in Mr. Hardinge.

I should appreciate your letter letting me know whether you think there is any necessity for taking further action regarding rescinding the Order in Council.

Yours very truly,

DUNCAN C. SCOTT, *Dep. Supt. Gen.*

WM. KEARNS, Asst. Auditor General, Ottawa.

CIVIL SERVICE COMMISSION, OTTAWA, November 3, 1922.

DEAR MR. SCOTT,—*Re Permanency of J. B. Hardinge.*—With further reference to your letter of the 13th ult. in which you requested that the Commission take steps to rescind the Order in Council of the 30th June last, P.C. 189-1426, under which the above named was granted permanency, such action being recommended on account of an error in his statement of continuous service, and to my reply of the 24th ult. in which I advised you that a report had been prepared for Council and would be sent forward to your Minister for signature as soon as approved by the Commissioners, I am now instructed to advise you as follows:—

The Commissioners have given careful consideration to the circumstances of the case and have decided that there is no necessity for them to take any further action with regard to the aforesaid Order in Council. Should it be necessary in your opinion to take steps to have the Order rescinded it would be quite competent for the department itself to take the necessary action without any action on the part of the Commission. If, however, the Order in Council is really invalid, as apparently the Auditor General contends, the Commission suggests that it would seem to be unnecessary to rescind it as it can now have no legal effect.

I am to suggest, however, as an alternative that if the department certifies that Mr. Hardinge's services have been satisfactory the Commissioners would be prepared to recommend that the position in question be excluded from the operations of the Civil Service Act so far as the principle of competition only is concerned, as they have authority to do under section 38B of the Act, and Mr. Hardinge could be appointed in a permanent capacity. In such case, if the rescinding of the Order in Council of the 30th June aforesaid were necessary, the Commission would be willing to be a party thereto.

In this connection I am to further suggest that in future it might be advisable before submissions to Council recommending the granting of permanent status to an employee are approved by the Commission, the reputed service of the employee concerned should be referred to the Auditor General for his check thereon so that any mistake that may have crept into the record may be detected and rectified before any recommendation is submitted to the Governor in Council for his approval.

Yours very truly.

W. FORAN, *Secretary.*

The Deputy Superintendent General of Indian Affairs, Ottawa.

AUDIT OFFICE, OTTAWA, November 10, 1922.

SIR,—I beg to acknowledge receipt of your letter of the 8th instant, having further reference to the case of Mr. J. B. Hardinge and enclosing a copy of a letter from the Civil Service Commission regarding that case.

In reply, I beg to state that I am still of the opinion that the Order in Council of June 30th last (P.C. 189-1426), under which Mr. Hardinge was granted permanency, should be rescinded. If it is desired to grant Mr. Hardinge a permanent status I see no objection to the course suggested in the Commission's letter being followed, viz:—that the proper steps be taken by the Civil Service Commission to exclude the position in question from the operations of the Civil Service Act, so far only as the principle of competition is concerned and that then Mr. Hardinge be appointed to that position in a permanent capacity.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs, Ottawa.

Advance for Removal Expenses to Officer on Appointment

AUDIT OFFICE, OTTAWA, May 9, 1922.

SIR,—British Columbia cheque No. 1365, issued on Sept. 1st, last, is for the payment of $250 to the Bank of Montreal, to be placed to the credit of W. E. Ditchburn, inspector of agencies, Victoria.

This money was advanced by Mr. Ditchburn to H. F. Helmsing, to enable him to transport himself and family to Fort Steele, on his appointment as Indian Agent at the Kootenay Agency, and has since been repaid to the department by retaining $50 a month from his salary for a period of five months. An advance of this nature, which virtually amounts to a loan, is irregular, and might result in loss to the Government; may I ask if there were any special circumstances connected with this case, which would justify your department in making this advance.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, May 12, 1922.

SIR,—In reply to your letter of the 9th instant, respecting an advance of $250 to Agent Helmsing to enable him to pay his removal expenses to Fort Steele from Victoria, B.C., upon his appointment to the position of Indian Agent in August last for the Kootenay District; I beg to say that the request came to the Department through Inspector Ditchburn in his telegram of the 31st August last. Being a married man with a family and having been on active service overseas, it was realized that Mr. Helmsing was not in a position to finance the expense of the transportation of his family and effects from Victoria to Fort Steel, and therefore the Department took a sympathetic view of his case, it being an exceptional one, and made him the advance asked for.

Your obedient servant,

J. D. McLEAN, *Act. Dep. Supt. Gen.*

The Asst. Auditor General.

AUDIT OFFICE, OTTAWA, June 16, 1922.

SIR,—I beg to acknowledge receipt of your letter of May 12th in reply to mine of May 9th, with regard to an advance of $250 made to Agent Helmsing upon his appointment as Indian Agent, to enable him to pay his removal expenses to Fort Steele from Victoria, the same to be deducted in instalments from his salary. In your letter you state that Mr. Helmsing was a married man with a family, and that as he was not in a position to finance the expenses of transportation, the Department took a sympathetic view of his case and made the advance in question.

I am of opinion that advances of this nature, which are virtually loans and might result in loss to the Government, are irregular if not illegal, and should in no instance be made on mere departmental authority. In exceptional cases, such as the present, where it is considered advisable to make such an advance, it should only be done on the direct authority of the Minister.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs.

Payment of Salary at a Rate Different from that Authorized by the Civil Service Commission

AUDIT OFFICE, OTTAWA, October 7, 1922.

SIR,—On June 25, 1920, two certificates were issued by the Civil Service Commission for the permanent appointment of Herbert Sutherland, of Bella Coola, B.C., (1) as Launchman during the season of navigation at $80 a month, and (2) as constable when not employed as launchman, at a salary of $60 a month, such permanent appointment dating from June 23, 1920. I find, however, that Mr. Sutherland was paid at the rate of $85 a month up to December 31, 1920, when he reverted to the position of constable at $60 a month. Kindly let me know why Mr. Sutherland was paid as launchman at a rate higher than that assigned to his position by the Civil Service Commission.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A. G.*

The Deputy Superintendent General of Indian Affairs, Ottawa.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, November 15, 1922.

SIR,—In reply to your letter of the 7th ultimo regarding payment to Mr. H. Sutherland, launchman and constable, Bella Coola Agency, from the 23rd June, 1920, to the 31st December of the same year, at a higher rate than that assignd to his position by the Civil Service Commission, I beg to say that under Section 38a of the Civil Service Act, 1918, as amended, Mr. Sutherland's position is exempt from the operation of the Civil Service Act.

Your obedient servant,

DUNCAN C. SCOTT, *Deputy Supt. Gen.*

The Auditor General, Ottawa.

AUDIT OFFICE, OTTAWA, November 22, 1922.

SIR,—On June 25, 1920, two certificates were issued by the Civil Service Commission for the permanent appointment (seasonal) of Herbert Sutherland, of Bella Coola, B.C. (1) as launchman during the season of navigation at $80 a month, and (2) as constable when not employed as launchman, at a salary of $60 month, such permanent appointment dating from June 23, 1920 (position No. IA-IA2-212). I find, however, that the Department of Indian Affairs paid Mr. Sutherland at the rate of $85 per month, when employed as launchman. On inquiry of the Indian Department as to their authority for paying Mr. Sutherland at a rate higher than that specified in the Commission's certificate, they replied that under Section 38a of the Civil Service Act, 1918, as amended, Mr. Sutherland's position is exempt from the operation of the Civil Service Act.

The section referred to by the Department of Indian Affairs reads as follows:—"The provisions of this Act shall not apply to positions in connection with the Government railway or any railway owned or controlled by His Majesty, or to any position on any ship of His Majesty, until Parliament otherwise enacts." Kindly inform me if you consider that a departmental launch may be fairly considered as a ship, and if the Indian Department is justified in paying Mr. Sutherland at the higher rate.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A. G.*

The Secretary, Civil Service Commission, Ottawa.

Overpayment of Salaries to Graduate Nurses at Kitamaat, B.C.

AUDIT OFFICE, OTTAWA, April 1, 1922.

SIR,—Miss S. E. Alton was employed by your Department at Kitamaat, B.C., and paid from the school appropriation. Her position (No. 1A-1A2-200) was originally classed as Field Matron with a salary range from $480 to $900; later on, however, this position was classed as Graduate Nurse, effective from April 1, 1921, with a salary range from $900 to $1,200. Miss Alton's salary prior to April 1, 1919, was $780 a year, which would entitle her, in the class of Field Matron, to $840 for the year 1919-20, and $900 for the year 1920-21. I find, however, that while she was paid at the correct rate for 1919-20, she was paid at the rate of $960 during 1920-21, that is $60 above the maximum of her class.

Miss Alton was granted 12 months' leave of absence without pay from January 1, 1921, and her place was filled by Mrs. Ida Love, who was paid at the rate of $960 per annum from January 1, 1921. I do not find any trace of Mrs. Love's appointment having been approved by the Civil Service Commission. Kindly inform me as to your authority for her employment. I am of the opinion that she should only have been paid at the minimum rate prescribed for Field Matron from January 1 to March 31, 1921, and at the minimum rate for Graduate Nurse, if she was so qualified, after that date, unless higher rates were allowed by the Commission as prevailing rates. I should like to get your explanation of these apparent overpayments to these two ladies.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A. G.*

The Deputy Superintendent General of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, April 11, 1922.

SIR,—I beg to acknowledge receipt of your letter of the 1st instant.

With reference to payment of salary to Miss S. E. Alton at the rate of $960 for the fiscal year 1920-21, I have to say that on the 16th June, 1920, the Deputy Superintendent General approved of Miss Alton being classified as a Graduate Nurse instead of Field Matron, as she was a graduate of the Fort Simpson Hospital, a member of the Graduate Nurses' Association of British Columbia, holds a certificate as Registered Nurse, British Columbia, and was performing the work that only a Graduate Nurse could do where, besides the Indians, there is also a boarding school and the nearest physician 65 miles distant by water. Miss Alton has spent the best years of her life among the Coast Indians and is very successful in all her dealings with them.

It is regretted that action in regard to her reclassification was not taken through inadvertence until the 31st March, 1921, when the Civil Service Commission was advised that on investigation Miss Alton's classification as Field Matron was an error, that she was a Graduate Nurse, performing the duties of a Graduate Nurse, and requested to have the error rectified and her classification changed to that of Graduate Nurse. It was intended that the same should date back to April 1, 1919, when the error in the classification occurred. On this account, and in view of the excellent service which Miss Alton has rendered as a Graduate Nurse and was only paid the salary of a Field Matron in 1919-20, I would ask that she be not asked to make any refund.

As to the salary paid Mrs. Ida Love who took Miss Alton's place during her year's leave of absence without pay, I beg to say that Miss Alton's services were obtained through the Women's Missionary Society of the Methodist Church and before her leave was granted the Department was advised that the Society had a Graduate Nurse of the Winnipeg Hospital, resident in Vancouver, willing to take her place for a year, and as Kitamaat is isolated, has an irregular monthly mail service and it is difficult to obtain graduate nurses to stay there, the Department was glad to avail itself of her services at the same salary as paid Miss Alton, in order that no interruption might occur in the work.

The Department communicated with the Secretary of the Women's Missionary Society above referred to on the 26th January, 1921, as to payment of Mrs. Love's salary and was advised in reply that she had already sent a remittance covering one quarter's salary to Mrs. Love, thinking it wiser to continue in the old way as changes make for confusion which she desired to avoid.

Mrs. Love's services as Graduate Nurse, Kitamaat, ceased on the 31st December last. If you consider it necessary, the Civil Service Commission will be requested to issue a temporary certificate covering the time Mrs. Love acted as substitute for Miss Alton.

Your obedient servant,

J. D. McLEAN, *Act. Depy. Supt. Gen.*

The Auditor General, Ottawa.

Employment of Teachers Without Authority from Civil Service Commission

AUDIT OFFICE, OTTAWA, July 7, 1922.

SIR,—In the Classification schedule issued by the Civil Service Commission, I find, on page 748, the class "Teacher (Indian School)" with a salary range from $55 to $90 a month. I infer from this that it was the intention that positions coming

under this title should be filled by the Commission unless they were exempted under the provisions of Sections 38-B of the amended Civil Service Act of 1918.

I find that the Department of Indian Affairs has been engaging teachers, apparently without reference to the Commission. On inquiry of the accountant of that department as to the authority for these appointments the following reply was received: "In reply to the inquiry respecting the authority under which school teachers are engaged without reference to the Commission, I beg to say that I am unable to inform you." I beg to ask if the position of Indian School Teacher had been exempted under Section 38-B, or if not, if it is with the consent of the Commission that these appointments are made by the Department of Indian Affairs.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Secretary, Civil Service Commission, Ottawa.

CIVIL SERVICE COMMISSION, OTTAWA, July 12, 1922.

DEAR SIR,—In reply to your letter of the 7th instant, with reference to the class "Teacher, Indian School," I beg to advise you that this class is now being considered by the Commissioners in connection with the possibility of its exemption from the Civil Service Act.

Yours truly,

C. H. BLAND, *Secretary.*

WM. KEARNS, Asst. Auditor General, Office.

All Public Moneys, from Whatever Source Derived, to be Paid to the Credit of the Receiver General

AUDIT OFFICE, OTTAWA, December 1, 1922.

SIR,—On inquiry of your Accountant with respect to certain transfers made by Mr. W. M. Graham from Regina "Warehouse Account" to "Greater Production Account," I was informed by him that "when large quantities of clothing, equipment, hospital supplies, etc., were taken over from the Militia and Defence and from the Soldiers' Civil Re-establishment Departments, they were stored in our Regina Warehouse and are being sold to Indians and schools, and all expenses, including wages, etc., are being defrayed from the proceeds of the sales.

I beg to say that this procedure is not in accordance with the Consolidated Revenue and Audit Act. Although these stores may have been transferred by the other departments to your department free of charge they still remain Government stores and the disposal of them must be accounted for in the same way as surplus stores acquired by your department by purchase would be accounted for. The creation of a special fund administered by Mr. Graham or by any other officer of your department is not, in my opinion, authorized by statute nor by any regulations of the Treasury Board made thereunder. The actual proceeds of all sales must be deposited to the credit of the Receiver General and any expenditure incurred in connection with the care or the disposal of the stores must be made in the ordinary way through your appropriation.

Kindly furnish me with a statement showing in detail the supplies taken over by your department with any valuation that may have been put on the same; also the particulars in detail of all sales and all expenditures to date, supported with proper vouchers. All moneys at present in Mr. Graham's hands in connection with the "Warehouse Account" should be deposited at once by him to the credit of the Receiver General.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs.

Plus-payé de traitement à l'agent R. G. Garland

BUREAU DE L'AUDITEUR, OTTAWA, le 31 mars 1922.

MONSIEUR,—Vous trouverez ci-inclus copie d'une lettre que j'ai adressée à la Commission du Service civil relativement au traitement de M. Ross G. Garland, agent des sauvages au cap Croker, et la réponse du secrétaire de la commission. La correspondance révèle que M. Garland a touché un salaire majoré pour l'exercice 1921-22. Votre ministère l'a payé au taux de $1,080 par année, alors qu'en vertu des règlements il n'avait droit qu'à $960.

Je suis informé que M. Garland n'est plus au service de votre ministère, de sorte qu'il sera difficile, sinon impossible, de recouvrer le plus-payé. J'aimerais savoir cependant comment vous pouvez justifier l'augmentation de $180 qui lui fut accordée alors que l'augmentation annuelle de cette classe n'était que de $120.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le surintendant général adjoint des Affaires indiennes.

OTTAWA, le 8 mars 1922.

MONSIEUR,—M. Ross G. Garland fut nommé agent des sauvages à l'agence du cap Croker le 30 juillet 1919 au salaire initial de $900 par année, avec logement et bureau, en vertu d'un certificat émis par la Commission du Service civil le 6 octobre 1919. L'agent du cap Croker est classifié comme agent des sauvages, classe 3; le salaire minimum est de $720 avec augmentations de $120 jusqu'au maximum de $1,260. Le salaire de M. Garland fut de $900 jusqu'au 1er avril 1921 alors qu'il fut porté à $1,080 en vertu d'un certificat de la Commission du Service civil qui décrétait une augmentation de $960 à $1,080. Le salaire de M. Garland à cette époque n'était que de $900 toutefois, de sorte que mon opinion est qu'il aurait dû passer de $900 à $960, l'échelon suivant de sa classe.

Mon interprétation des règlements est que si M. Garland avait touché son augmentation au moment où il y eut droit, il aurait été payé aux taux suivants:

Du 30 juillet 1919 au 30 septembre au taux de..	$ 900
Du 1er octobre 1920 au 30 septembre au taux de..	960
Du 1er octobre 1921 au 30 septembre au taux de..	1,080

J'aimerais savoir comment vous justifiez une augmentation de $960 à $1,080, alors qu'il ne touchait réellement que $900.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le secrétaire de la Commission du Service civil, Ottawa.

COMMISSION DU SERVICE CIVIL, OTTAWA, le 17 mars 1922.

MONSIEUR,—J'ai reçu votre lettre du 8 courant au sujet du traitement versé à M. Ross G. Garland en qualité d'agent des sauvages à l'agence du cap Croker, ministère des Affaires des sauvages. M. Garland a été nommé par la Commission du Service

civil au traitement initial de $900, conformément à l'annonce publiée. Une lettre du ministère en date 27 janvier 1920 démontre que le ministère, sans autorisation, porta son traitement de $900 à $960 pour se conformer à l'échelle de la classification. Quand, le 1er avril 1921, le ministère recommanda que son traitement fut augmenté de $960 à $1,080, la Commission insciemment ne tint pas compte de ce que le ministère avait augmenté son traitement et que le chiffre réel n'en était que de $900 par année, et l'augmentation recommandée fut sanctionnée par la commission.

Je suis porté à confirmer votre interprétation des règlements quant à la rémunération qu'aurait dû recevoir M. Garland. Pour expliquer que l'augmentation ne fut accordée que le 1er avril 1921, je dois dire que ce point fut débattu avec le ministère qui avertit la commission que bien que l'augmentation échût au mois d'octobre 1920, il n'était pas disposé à la recommander à cette date, car la première période des services de M. Garland ne fut pas satisfaisante et le ministère se proposait de le congédier.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

W. FORAN, *secrétaire.*

L'Auditeur général.

DÉPARTEMENT DES AFFAIRES INDIENNES, OTTAWA, le 4 avril 1922.

MONSIEUR,—En réponse à votre lettre du 31 du mois dernier relativement à l'augmentation de traitement de M. Garland, permettez-moi de vous informer qu'à l'époque de notre recommandation à la Commission du Service civil le traitement de M. Garland était de $900, le même qu'à sa nomination. Nous désirions lui accorder une augmentation d'au moins $10 par mois et nous proposâmes donc de lui accorder $1,080, si la Commission du Service civil y acquiesçait; à $900 par année il n'eût touché qu'une augmnetation de $60. La Commission du Service civil approuva l'augmentation à $1,080, ce qui lui fut accordé. Il a été remercié de ses services. Si les règlements ne permettaient pas de porter son traitement à $1,080 nous supposions que la commission nous en aurait averti.

Votre obéissant serviteur,

J. D. McLEAN, *surint. gén. adj. supp.*

L'Auditeur général.

BUREAU DE L'AUDITEUR, OTTAWA, le 6 avril 1922.

MONSIEUR,—J'accuse réception de votre lettre du 4 courant répondant à la mienne du 31 du mois dernier, relativement à l'augmentation de traitement de M. R. G. Garland, agent des sauvages à l'agence du cap Croker.

Le certificat émis par la commission autorisait une augmentation de $960 à $1,080; elle était évidemment sous l'influence d'une méprise quant au traitement de M. Garland. Je suis d'avis que ce certificat n'autorisait pas votre ministère à accorder une augmentation de traitement de $900 à $1,080, une augmentation dépassant de $60 l'augmentation prescrite par la reclassification et que la commission n'avait pas le pouvoir d'accorder. Si vous aviez communiqué avec la commission immédiatement après la réception du certificat en question, l'erreur aurait pu être corrigée et le plus-payé évité.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Le surintendant général adjoint suppléant des Affaires indiennes.

Irrégularités à l'agence des Affaires Indiennes des Sept-Iles

BUREAU DE L'AUDITEUR GÉNÉRAL, OTTAWA, 26 septembre 1922.

MONSIEUR,—Les comptes de secours accordés aux Indiens, à l'agence des Sept-Iles, durant l'exercice financier 1921-22, que nous avions prêtés à votre ministère il y a quelque temps, nous ont été retournés récemment, accompagnés du mémoire suivant, initialé par votre comptable:

Wenceslas Lévesque.—Le ministère a payé les factures ci-jointes, dont le montant est de $6,510.67. Le constable Cox a obtenu une déclaration de Wenceslas Lévesque à l'effet que le montant total des marchandises qu'il a fournies aux Indiens s'élève à $1,791.21. Cette déclaration est désignée "Document n° 1". Il semble donc que le ministère a payé $4,641.63 pour des marchandises qu'on ne lui a pas fournies.

P. H. Abraham.—Le ministère a payé les factures ci-jointes, dont le montant est de $4,329.59. La déclaration de P. H. Abraham au constable Cox, désignée sous le titre "Document n° 2", indique qu'il a fourni aux Indiens des marchandises pour une somme de $1,791.21. Il semble donc que le ministère a payé $2,538.38 pour des marchandises qu'on ne lui a pas livrées.

S. A. Vigneault.—Le ministère a payé les factures ci-jointes, dont le montant est de $1,774.40. La déclaration de S. A. Vigneault au constable Cox, désignée comme "Document n° 3", indique qu'il a fourni aux Indiens des marchandises pour une somme de $1,194.05. Il semble donc que le ministère a payé $580.35 pour des marchandises qu'on ne lui a pas fournies.

P. J. Romeril.—Le ministère a payé les factures ci-jointes, dont le montant est de $1,386.10. La déclaration de P. J. Romeril au constable Cox est désignée sous le titre "Document n° 4", et indique que tout est correct dans ce cas.

P. E. Gallienne.—Le ministère a payé les factures ci-jointes, dont le montant est de $7,308.99. Les comptes que le constable Cox a obtenus de P. E. Gallienne indiquent qu'il a fourni aux Indiens des marchandises pour une somme de $6,628.04; ils sont désignés comme "Document n° 5". Il semble donc que le ministère a payé $680.95 pour des marchandises qu'on ne lui a pas livrées. Je ferai remarquer cependant qu'une facture de $687.60 que le ministère a acquittée pour le mois de décembre 1921, ne forme pas partie des pièces du "Document n° 5".

Arthur Bois.—Le ministère a acquitté les factures ci-jointes dont le montant est de $1,371.25. Dans son rapport, le constable Cox dit qu'il a une entrevue avec Arthur Bois, qui prétend avoir fourni du bois à quatre familles, pendant l'hiver de 1921-22, à raison de quatre cordes par famille, chaque mois, à $4 par corde, soit $64 par mois.

M. E. Plourde.—Le ministère a acquitté les factures ci-jointes, pour du lait et des œufs, au montant de $869.90. Le rapport du constable Cox mentionne que M. Rousseau (l'agent de la compagnie de la baie d'Hudson) affirme que les Indiens ne reçoivent jamais de lait et d'œufs, excepté à Noël. M. E. Plourde est la gouvernante de l'agent.

On devrait m'adresser une copie du rapport qui forme la base de ce mémoire, car il semble, en l'absence de preuves additionnelles, que votre agent s'est rendu coupable de fraude. J'aimerais à connaître le système suivi pour la distribution des secours

aux Indiens. Les commandes données aux marchands sont-elles émises par l'agent et joint-on une copie de ces commandes aux comptes envoyés mensuellement par les marchands? L'enquête que l'on a faite a-t-elle porté seulement sur l'année 1921-22?

Je serais heureux de connaître ce que votre ministère a fait, ou se propose de faire, pour obtenir le remboursement des plus-payés.

Votre humble serviteur,

WM KEARNS, *A.G. adj.*

Au Surintendant général adjoint des Affaires indiennes.

DÉPARTEMENT DES AFFAIRES INDIENNES, OTTAWA, 14 novembre 1922.

MONSIEUR,—En réponse à votre lettre du 26 septembre, au sujet des comptes pour les secours distribués aux Sept-Iles, je dois vous informer qu'à la suite du rapport du constable Cox, M. C. C. Parker, inspecteur des agences indiennes, a fait une enquête sur les lieux. Dans son rapport, il dit qu'il n'a trouvé aucune preuve de complicité entre l'agent des Indiens et les commerçants, ou même de pratiques malhonnêtes, mais il a découvert que les choses sont très mal administrées et le département considère actuellement la question de destituer l'agent.

Votre humble serviteur,

DUNCAN C. SCOTT, *surintendant général adjoint.*

Secours aux Indiens d'Ontario et de Québec portés au débit des crédits généraux

BUREAU DE L'AUDITEUR GÉNÉRAL, OTTAWA, 9 février 1922.

MONSIEUR,—J'accuse réception de votre lettre du 31 du mois dernier, dans laquelle vous demandez que l'on fasse un virement d'écritures, afin de porter au compte du crédit général de votre département, une somme de $20,000 que l'on avait débitée au compte d'Ontario et de Québec, pour des secours accordés aux Indiens des Sept-Iles.

Avant d'autoriser ce transfert, j'aimerais à connaître les circonstances qui le demandent. D'une manière générale, les transferts de dépenses d'un crédit à un autre ne doivent être faits que dans les cas où certains déboursés ont été débités par erreur au mauvais compte. Le transfert de déboursés d'un compte à un autre, fait en vue d'éviter que le compte ne paraisse à découvert, ne devrait être permis que dans des circonstances très spéciales.

Dans les crédits généraux de votre département, je vois qu'il y a un item de $65,000, pour des secours aux Indiens des districts isolés, et c'est sans doute à ce compte que vous désirez que le transfert soit fait. Cet item est rédigé d'une manière si vague qu'on peut raisonnablement l'appliquer aux secours accordés aux Indiens dans presque toutes les parties du Canada. En sus de cet item, des crédits ont été votés pour des secours, aux chapitres des provinces maritimes, d'Ontario et de Québec, du Manitoba, des Territoires du Nord-Ouest et de la Colombie-Britannique.

Je suis d'avis, afin de renseigner correctement le Parlement que tous les déboursés pour des secours accordés dans un groupe de provinces devraient être portés au débit du même compte. Dans le passé, la majeure partie des déboursés pour secours, portés au débit du compte général, avaient été faits pour les Indiens d'Ontario et de

Québec. En vue de la préparation du budget pour la prochaine session, je vous suggérerais de réduire l'item de secours en général, de façon à ce qu'il ne s'applique qu'aux secours accordés aux Indiens des Territoires du Nord-Ouest, et d'augmenter proportionnellement les crédits de secours demandés pour les divers groupes de provinces, surtout pour les provinces d'Ontario et de Québec, pour la raison que j'ai citée plus haut.

Votre humble serviteur,

E. D. SUTHERLAND, *A.G.*

Au surintendant général adjoint des Affaires indiennes, Ottawa.

DÉPARTEMENT DES AFFAIRES INDIENNES, OTTAWA, 13 février 1922.

MONSIEUR,—En réponse à votre lettre du 9 courant, au sujet d'un transfert d'écritures du compte général au compte d'Ontario et de Québec, je dois vous dire que cette procédure a été rendue nécessaire parce qu'on a débité par erreur l'agence des Sept-Iles, au lieu du compte général, comme c'était l'habitude dans le passé. Les crédits pour l'année prochaine ont été préparés et sont déjà rendus au ministère des Finances, de sorte qu'il est trop tard pour mettre votre suggestion à effet et pour porter au crédit d'Ontario et de Québec les déboursés de secours faits dans ces provinces. Cependant nous suivrons votre avis dans la préparation des prochains crédits.

J'ajouterai que la somme de $65,000 accordée cette année pour les secours aux Indiens a été tout à fait insuffisante et qu'il faudra un crédit supplémentaire d'au moins $35,000.

Votre humble serviteur,

DUNCAN C. SCOTT, *surint. gén. adj.*

Paiement du boni à un employé recevant les taux courants

BUREAU DE L'AUDITEUR, 13 novembre 1922.

MONSIEUR,—Le 14 juin, la Commission du Service civil a émis un certificat pour l'appointement permanent de Martin J. Kennedy comme garçon de ferme sur l'agence indienne de File Hills, aux taux courants à compter du 9 juin 1921. M. Kennedy occupait déjà la même position comme employé temporaire. Je trouve dans vos comptes pour l'exercice 1921-22 que cet homme a reçu le plein boni, soit une somme de $261. Veuillez me donner l'autorité d'après laquelle le boni a été payé dans ce cas, car je suis d'avis que d'après l'article 9 des règlements concernant le boni de cette année, il n'avait pas droit de le recevoir.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Au surintendant général adjoint des Affaires indiennes, Ottawa.

DÉPARTEMENT DES AFFAIRES DES SAUVAGES, OTTAWA, 17 novembre 1922.

MONSIEUR,—En réponse à votre lettre du 13 courant relative au boni payé à Martin J. Kennedy, garçon de ferme, agence de File Hills, en 1921-22, je dois dire que le nom de M. Kennedy a été inclus dans la liste de paye du boni pour le trimestre de juin 1921, soumise à la Commission du Service civil le 18 juin 1921, pour approbation; cette liste a été approuvée avant que le boni soit payé lorsqu'il fut nommé permanent, il était inutile de soumettre de nouveau son nom à la commission vu qu'aucun changement n'affectait sa catégorie quant au boni.

Votre obéissant serviteur,

J. D. McLEAN, *pour le surint. gén. adj.*

A l'Auditeur général, Ottawa.

BUREAU DE L'AUDITEUR, OTTAWA, 20 novembre 1922.

MONSIEUR,—Martin J. Kennedy, employé de ferme à l'agence indienne de File Hills, a reçu la somme de $261 comme boni pour l'exercice 1921-22. Nous avons demandé au département des Affaires des sauvages d'après quelle autorité le boni a été payé dans ce cas. On nous répond que le nom de M. Kennedy a été inclus dans la liste de paye du boni pour le trimestre de juin 1921, soumise à la commission le 18 juin 1921, pour approbation; cette liste a été approuvée avant que le boni lui soit payé.

La classification accorde les taux courants comme rémunération pour la position d'employé de ferme, aucun minimum ou maximum n'étant fixés. L'article 9 des règlements concernant le boni stipule que "les employés qui occupent des positions pour lesquelles on accorde les taux courants n'auront pas droit au boni". Comme la commission a classifié M. Kennedy comme employé de ferme, je dois demander, à cause des faits cités plus haut, pourquoi la Commission du Service civil a approuvé le paiement du boni dans ce cas.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Réintégration temporaire d'un fonctionnaire renvoyé pour service peu satisfaisant

BUREAU DE L'AUDITEUR, OTTAWA, 8 juillet 1922.

MONSIEUR,—Le 3 septembre dernier, un arrêté de l'Exécutif basé sur la recommandation du bureau du Trésor fut adopté renvoyant M. T. H. Carter, agent des sauvages pour le district de Fisher River, pour raison de service peu satisfaisant.

Votre département ne semble pas s'être conformé à cet arrêté car je trouve dans l'examen des comptes pour l'exercice 1921-22 qu'il a retenu sa position pendant toute l'année, et je comprends d'après votre comptabilité que ses services se continuent dans le présent exercice. Veuillez m'expliquer comment les services de cet homme ont été retenus après avoir été formellement démis par le Gouverneur en Conseil.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Au surintendant général adjoint des Affaires indiennes.

DÉPARTEMENT DES AFFAIRES INDIENNES, OTTAWA, 6 septembre 1922.

CHER MONSIEUR,—J'accuse réception de votre lettre du 8 juillet dernier relative au cas de M. T. H. Carter ancien agent des sauvages pour la division de Fisher River, Man.

En réponse je dois vous dire que vu l'éloignement comparatif de M. Carter, on a cru sage de retenir ses services après l'adoption de l'arrêté de l'Exécutif du 3 septembre 1921 en attendant que la position puisse être annoncée et remplie d'une manière permanente par la Commission du Service civil. M. Murdock McCuish a été nommé agent à Fisher River et a pris charge du bureau le 24 juin 1922.

Bien à vous,

DUNCAN C. SCOTT, *S.G. adj.*

A l'Auditeur général adjoint.

BUREAU DE L'AUDITEUR, OTTAWA, 7 octobre 1922.

MONSIEUR,—J'accuse réception de votre lettre du 5 septembre dernier en réponse à la mienne du 8 juillet relativement au maintien en fonctions de M. T. H. Carter, comme agent des Sauvages pour le district de Fisher River, qui avait été congédié pour des raisons d'incompétence par l'arrêté du conseil en date du 3 septembre 1921.

Dans votre réponse vous dites que "vu l'éloignement comparatif de M. Carter, on a cru sage de retenir ses services après l'adoption de l'arrêté du conseil du 3 septembre 1921 en attendant que la position puisse être annoncée et remplie d'une façon permanente par la Commission du Service civil".

A ce sujet, je dois dire que je suis d'avis que ledit arrêté ne faisant mention d'aucune date, M. Carter a cessé d'être légalement employé à titre d'agent des Sauvages le 3 septembre, et tout argent qu'il a reçu après cette date à titre de salaire a été payé sans l'autorisation nécessaire et devra être remboursé ou être voté spécialement par le Parlement.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Au surintendant général adjoint des Affaires des Sauvages.

DÉPARTEMENT DES AFFAIRES INDIENNES, OTTAWA, le 2 novembre 1922.

CHER MONSIEUR,—J'accuse réception de votre lettre du 7 du mois dernier concernant le maintien en fonctions de M. T. H. Carter comme agent des Sauvages pour le district de Fisher River, après la date de l'arrêté du conseil qui le remerciait de ses services.

En réponse, je dois dire que je suis en communication avec la Commission du Service civil dans le but d'obtenir un certificat de nomination temporaire en faveur de M. Carter pour le délai de son emploi. La commission me dit qu'elle a approuvé sa nomination temporaire et émettra le certificat convenu en temps et lieu.

Bien à vous,

DUNCAN C. SCOTT, *sur. gén. adj.*

L'Auditeur général adjoint, Ottawa.

BUREAU DE L'AUDITEUR, OTTAWA, le 14 novembre 1922.

MONSIEUR,—Le 2 novembre, vous avez émis deux certificats nommant temporairement M. T. H. Carter agent des Sauvages pour le district de Fisher River du 3 septembre 1921 au 21 avril 1922. (Dossier O.S.-1A-1A3-371). M. Carter était autrefois employé d'une façon permanente comme agent des Sauvages, mais il fut remercié de ses services par un arrêté du conseil adopté le 3 septembre 1921 pour des raisons d'incompétence.

Je vous serais très obligé si vous vouliez bien me citer une autorité spéciale sous l'empire de la Loi du Service civil donnant à la Commission du Service civil le pouvoir de maintenir en fonctions, même temporairement, une personne qui a été congédiée d'une façon spéciale par un arrêté du conseil d'une position permanente pour des raisons d'incompétence. L'article 28 de la Loi du Service civil donne expressément le pouvoir de destitution au Gouverneur en conseil.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Au secrétaire de la Commission du Service civil.

Inclusion par erreur de l'argent J. B. Hardinge dans l'arrêté " à effet général "

BUREAU DE L'AUDITEUR, OTTAWA, le 25 juillet 1922.

MONSIEUR,—Il m'est parvenu copie d'un arrêté ministériel du 30 du mois dernier, accordant un status de permanence à M. J. B. Hardinge sous l'empire des arrêtés ministériels du 16 décembre 1920 et du 22 octobre 1921.

Cet arrêté comporte que le sous-surintendant général affirme que cet employé faisait partie du personnel gouvernemental avant le 10 novembre 1919 et sans interruption jusqu'à date (i.e. à la date de l'arrêté). Les seuls dossiers que je puisse toutefois atteindre sur le cas de M. Hardinge indiquent qu'il a servi à l'agence Touchwood à titre de fermier instructeur en septembre 1919 et que sa nomination d'agent date du 6 juin 1920. Veuillez me dire où et à quel titre M. Hardinge a été employé du 1er octobre 1919 au 5 juin 1920 inclusivement.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-surintendant général des Affaires indiennes à Ottawa.

DÉPARTEMENT DES AFFAIRES INDIENNES, OTTAWA, le 6 octobre 1922.

MONSIEUR,—Me référant à votre lettre du 25 juillet relative aux services de la première heure rendus par M. J. B. Hardinge à ce département, je dois vous dire, répondant à la demande du dernier alinéa de votre lettre, que M. W. M. Graham, commissaire des Indiens à Regina a déclaré que M. Hardinge a été employé en septembre 1919 et jusqu'à mi-octobre à la surveillance du battage sur la réserve du Pauvre Homme, mais que ce dernier prétend n'avoir reçu aucune rémunération pour octobre vu sa grande hâte de se donner à une entreprise privée. M. Graham ajoute qu'entre le 1er novembre 1919 et le 5 juin 1920, M. Hardinge a fait de l'immeuble et de l'assurance pour son propre compte.

Votre obéissant serviteur,

J. D. McLEAN, *secrétaire et sous-surint. gén. supp.*

L'Auditeur général à Ottawa.

BUREAU DE L'AUDITEUR À OTTAWA, le 10 octobre 1922.

MONSIEUR,—J'accuse réception de votre lettre du 6 de ce mois qui répond à la mienne du 25 juillet relativement à M. J. B. Hardinge qui a obtenu un status de permanence à dater du 1er avril 1921, en vertu d'un arrêté ministériel du 30 juin 1922. Vous dites dans votre lettre que M. Hardinge a eu un emploi à la réserve du Pauvre Homme du 1er septembre à la mi-octobre 1919, qu'il a occupé l'agence Touchwood à partir du 6 juin 1920 et qu'entre ces deux dates il n'a pas fait partie du personnel du gouvernement mais a fait le commerce de l'immeuble et des assurances pour son propre compte.

L'arrêté ministériel du 30 juin qui lui accorde un status de permanence est évidemment dû à une erreur en ce qu'il établit que le sujet a été à l'emploi du gouvernement avant le 10 novembre 1919 et de façon ininterrompue jusqu'à la date de l'arrêté. M. Hardinge n'étant pas au service du gouvernement le 10 novembre 1919, il ne se trouvait pas avoir droit à un status de permanence délivré sous l'empire des arrêtés ministériels du 16 décembre 1920 et du 21 octobre 1921 (arrêtés "à effet général") et doit être encore actuellement être tenu pour fonctionnaire temporaire. Vous devriez voir à faire annuler l'arrêté ministériel du 30 juin et faire rembourser par M. Hardinge tout argent qu'on a pu lui verser au titre de réajustement de son salaire.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj*

Sous-surintendant général des Affaires indiennes à Ottawa.

DÉPARTEMENT DES AFFAIRES INDIENNES À OTTAWA, le 13 octobre 1922.

CHER MONSIEUR,—J'accuse réception de votre lettre du 10 de ce mois relative à M J. B. Hardinge qui a obtenu un status de permanence comme agent des Sauvages à l'agence de Touchwood Hills, sous l'empire des règlements à effet universel et grâce à l'arrêté ministériel du 30 juin dernier. Nous prions la Commission du Service civil de rescinder l'arrêté, ayant obtenu la certitude que M. Hardinge n'ayant pas été continuellement à notre emploi à une date antérieure au 10 novembre 1919, il n'a aucun droit à bénéficier de l'arrêté. Il n'a rien été versé à M. Hardinge en supplément au titre de réajustement de son salaire.

Bien à vous,

DUNCAN C. SCOTT, *Sous-surint. gén.*

WM. KEARNS, sous-auditeur général à Ottawa.

DÉPARTEMENT DES AFFAIRES INDIENNES, OTTAWA, le 8 novembre 1922.

CHER M. KEARNS,—Référant de nouveau au sujet de la lettre que j'ai eu l'honneur de vous adresser le 13 du mois dernier concernant le cas de M. J. B. Hardinge, je prends la liberté de vous soumettre ci-jointe la copie d'une lettre de la Commission du

Service civil, et d'attirer votre attention surtout sur cette partie de la lettre qui a trait à la révocation de l'arrêté en conseil nommant "en bloc" M. Hardinge.

Je vous serais reconnaissant de me dire s'il y a lieu de faire davantage en vue de la révocation de l'arrêté en conseil.

Bien à vous,

DUNCAN C. SCOTT, *Sous-surint. gén.*

M. WM. KEARNS, auditeur général adjoint, Ottawa.

COMMISSION DU SERVICE CIVIL, OTTAWA, le 3 novembre 1922.

CHER DR SCOTT,—*Re* permanence de J. B. Hardinge.—Référant de nouveau à votre lettre du 13 du mois dernier en laquelle vous demandiez à la commission de prendre des mesures afin de faire révoquer l'arrêté en conseil du 30 juin dernier, C.P. 189-1426, sous l'autorité duquel la personne susdite obtenait sa permanence, le motif d'une telle recommandation reposant sur le fait qu'il y avait eu erreur de sa part dans sa déclaration au sujet de son service suivi, et référant aussi à ma réponse du 24 du même mois, en laquelle je vous informais qu'un rapport avait été préparé pour être soumis au conseil et devait être envoyé au ministre pour sa signature dès qu'il serait approuvé par les commissaires, j'ai maintenant reçu l'ordre de vous donner les renseignements suivants:—

Les commissaires ont examiné avec soin les circonstances du cas en question et ils ont décidé qu'il n'y a aucune nécessité pour eux de faire d'autres démarches relativement à l'arrêté en conseil sus mentionné. Si, dans votre opinion, il était nécessaire de faire révoquer l'arrêté en conseil, votre ministère peut fort bien prendre l'initiative nécessaire sans que la commission s'en mêle du tout. Cependant, si l'arrêté en conseil est réellement nul, comme l'Auditeur général semble le prétendre, la commission suggère qu'il n'est pas nécessaire de le révoquer puisqu'il ne peut pas maintenant avoir d'effet légal.

Cependant, je vous suggèrerais comme alternative, si les états de service de M. Hardinge sont satisfaisants, que les commissaires seraient prêts à recommander que la position en question soit soustraite à l'application de la Loi du Service civil en tant que le principe de concurrence seulement est concerné, ainsi qu'il ont l'autorité de le faire sous l'empire de l'article 38B de la loi, et M. Hardinge pourrait être nommé permanent. Dans ce dernier cas si la révocation de l'arrêté en conseil du 30 juin était nécessaire la commission consentirait à insister de son côté pour l'obtenir.

Sous ce rapport je vous conseillerais de plus qu'à l'avenir il serait à propos avant que les recommandations accordant un status permanent à un employé pour être soumises au conseil ne soient approuvées par la commission, le temps de service de l'employé concerné devrait être référé à l'Auditeur général pour être vérifié afin que toute erreur qui aurait pu se glisser dans le dossier soit découverte et corrigée avant qu'une recommandation soit soumise au Gouverneur en conseil pour son approbation.

Bien à vous,

W. FORAN, *secrétaire.*

Le sous-surintendant général des Affaires indiennes, Ottawa.

BUREAU DE L'AUDITEUR, OTTAWA, le 10 novembre 1922.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 8 courant au sujet du cas de M. J. B. Hardinge et je vous inclus la copie d'une lettre de la Commission du Service civil concernant le cas en question.

En réponse, permettez-moi de vous dire que je suis encore d'opinion que l'arrêté en conseil du 30 juin dernier (C.P. 189-1426), sous l'autorité duquel M. Hardinge obtenait un status permanent, devrait être révoqué. Si l'on désire accorder une permanence à M. Hardinge, je ne vois aucune objection à suivre la ligne de conduite suggérée dans la lettre de la commission, savoir:—que des mesures appropriées soient prises par la Commission du Service civil afin de soustraire la position en question de l'application de la Loi du Service civil, en tant que le principe de concurrence seulement est concerné, et que M. Hardinge soit nommé à cette position d'une manière permanente.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-surintendant général des Affaires indiennes, Ottawa.

Avance pour frais de transport à un fonctionnaire lors de sa nomination

BUREAU DE L'AUDITEUR, OTTAWA, le 9 mai 1922.

MONSIEUR,—Il s'agit du chèque, Colombie-Britannique, N° 1365, émis le 1er septembre dernier, sans doute destiné à payer $250 à la Banque de Montréal, pour être déposé au crédit de W. E. Ditchburn, inspecteur des agences, Victoria.

Cet argent a été avancé par M. Ditchburn à H. F. Helmsing dans le but de lui permettre de payer ses frais de transport de même que ceux de sa famille à Fort Steele, lors de sa nomination comme agent des Sauvages à l'agence de Kootenay. Ce montant a été remboursé, depuis, au ministère sous forme d'un retrait de $50 par mois sur le salaire de ce fonctionnaire pendant une période de cinq mois. Une avance de cette nature, laquelle après tout n'est qu'un simple prêt, est irrégulière et peut avoir pour résultat une perte pour l'Etat. Permettez-moi de vous demander si quelques circonstances particulières à ce cas pouvaient justifier le ministère de faire cette avance.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-surintendant général des Affaires indiennes.

DÉPARTEMENT DES AFFAIRES INDIENNES, OTTAWA, le 12 mai 1922.

MONSIEUR,—En réponse à votre lettre du 9 courant au sujet d'une avance de $250.00 à l'agent Helmsing afin de lui permettre de payer ses frais de transport de Victoria, C.-B. à Fort-Steele lors de sa nomination à la position d'agent des Sauvages au mois d'août dernier pour le district de Kootenay, j'ai l'honneur de vous dire que la demande nous est venue du département par l'entremise de l'inspecteur Ditchburn dans une dépêche en date du 31 août dernier. On a cru que, parce qu'il était marié et père de famille, et parce qu'il avait fait du service actif outre-mer, M. Helmsing ne se trouvait pas en état de payer ses dépenses de transport de même que celles de sa famille et le transport de ses effets de Victoria à Fort-Steele, et c'est pourquoi le département s'est montré sympathique en sa faveur, ce cas étant un cas exceptionnel, et a fait l'avance demandée.

Votre obéissant serviteur,

J. D. McLEAN, *sous-surint. gén. supp.*

A l'Auditeur général adjoint.

BUREAU DE L'AUDITEUR, OTTAWA, le 16 juin 1922.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 12 mai en réponse à ma lettre du 9 mai au sujet d'une avance de $250 faits à l'agent Helmsing lors de sa nomination à la position d'agent des Sauvages dans le but de lui permettre de payer ses frais de transport de Victoria à Fort-Steele, ce montant devant être déduit de son salaire par versements. Dans votre lettre vous déclarez que ce M. Helmsing était un homme marié et père de famille et que, comme il ne se trouvait pas en état de payer ses dépenses de transport le département a envisagé son cas d'une manière sympathique et a accordé l'avance en question.

Je suis d'avis que des avances de cette nature, lesquelles pratiquement sont des prêts et peuvent avoir pour résultat une perte pour l'Etat, sont irrégulières si non contraires à la loi, et ne doivent, en aucun cas, être accordées sur la seule autorisation du département. Dans des cas exceptionnels, tels que le présent cas, lorsque l'on juge à propos de faire une telle avance, la chose ne devrait se faire qu'avec l'autorisation directe du ministre.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-surintendant général des Affaires indiennes.

Paiement de traitement d'après une échelle de traitement différente de l'échelle de traitement autorisée par la Commission du Service civil

BUREAU DE L'AUDITEUR, OTTAWA, le 7 octobre 1922.

MONSIEUR,—Le 25 juin 1920 la Commission du Service civil a émis deux certificats comportant la nomination permanente de Herbert Sutherland, de Bella-Colla, C.-B. aux positions (1) de chaloupier pendant la saison de navigation au traitement de $80 par mois et (2) de constable lorsqu'il n'est pas en service en qualité de chaloupier à un traitement de $60 par mois, cette nomination permanente datant du 23 juin 1920. Je constate, cependant, que ce M. Sutherland, a touché un traitement basé sur une échelle de $85 par mois jusqu'au 31 décembre 1920, alors qu'il a repris sa position de constable à $60 par mois. Veuillez me dire pourquoi, en sa qualité de chaloupier, M. Sutherland, a touché un traitement basé sur une échelle plus élevée que l'échelle appliquée à cette position par la Commission du Service civil.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-surintendant général des Affaires indiennes, Ottawa.

DÉPARTEMENT DES AFFAIRES INDIENNES, OTTAWA, le 15 novembre 1922.

MONSIEUR,—En réponse à votre lettre du 7 du mois dernier à propos du paiement à M. H. Sutherland, chaloupier et constable, de l'agence de Bella-Colla, du 23 juin 1920 au 31 décembre de la même année, d'un traitement plus élevé que le traitement appliqué à cette position par la Commission du Service civil, j'ai l'honneur de vous dire qu'aux termes de l'article 38a de la Loi du Service civil 1918, modifiée, la position de M. Sutherland ne tombe pas sous le coup de la Loi du Service civil.

Votre obéissant serviteur,

DUNCAN C. SCOTT, *sous-surint. gén.*

A l'Auditeur général, Ottawa.

BUREAU DE L'AUDITEUR, OTTAWA, 22 novembre 1922.

MONSIEUR,—Le 25 juin 1920, la Commission du Service civil a émis deux certificats comportant la nomination permanente (saisonnière) de Herbert Sutherland de Bella-Colla, C.-B. aux positions (1) de chaloupier pendant la saison de la navigation au traitement de $80 par mois et (2) de constable lorsqu'il n'est pas en service en qualité de chaloupier au traitement de $60 par mois, cette nomination permanente datant du 23 juin 1920 (position N° IA-IA2-212). Je constate, cependant, que le département des Affaires indiennes a payé M. Sutherland sur une échelle de traitement de $85 par mois pendant qu'il était employé comme chaloupier.

A la suite d'une demande de renseignements au département des Affaires indiennes touchant l'autorisation permettant de payer à M. Sutherland un traitement basé sur une échelle de traitements plus élevée que l'échelle de traitements indiquée dans le certificat de la commission, on m'a répondu qu'aux termes de l'article 38-A de la Loi du Service civil, 1918, modifiée, la position de M. Sutherland ne tombe pas sous le coup de la Loi du Service civil.

L'article auquel le département des Affaires indiennes fait allusion se lit comme suit: "Les disposition de la présente loi ne s'appliquent pas aux emplois dépendants des chemins de fer de l'Etat ou de l'un quelconque des chemins de fer possédés ou contrôlés par Sa Majesté, ni à aucun emploi sur aucun navire de Sa Majesté avant que le Gouverneur en conseil en ordonne autrement." Veuillez me dire si vous considérez qu'une chaloupe d'un département peut à bon droit être considérée comme un navire, et si le département des Affaires indiennes est justifié de payer à M. Sutherland un traitement basé sur une échelle de traitements plus élevée.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le secrétaire de la Commission du Service civil, Ottawa.

Excédent de paiement de traitements à des infirmières diplômées à Kitamaat, C.-B.

BUREAU DE L'AUDITEUR, OTTAWA, le 1er avril 1922.

MONSIEUR,—Mlle S. E. Alton a été employée par votre ministère à Kitamaat, C.-B., et elle a été payée à même le crédit pour l'école. Sa position (N° 1A-1A2-200) a été originairement classifiée comme gouvernante, réserve des sauvages avec un traitement allant de $480 à $900. Plus tard toutefois, cette position a été classifiée comme infirmière diplômée, à partir du 1er avril 1921, avec un traitement allant de $900 à $1,200. Le traitement que recevait Mlle Alton avant le 1er avril 1919 était de $780 par année ce qui lui donnerait droit dans la classe de gouvernante, réserve des sauvages, à $840 pour l'exercice 1919-20, et à $900 pour l'exercice 1920-21. Cependant, je constate que bien qu'elle ait reçu le traitement exact pendant 1919-20, elle a été payée à l'échelle de $960 pendant 1920-21, ce qui est $60 de plus que le maximum de sa classe.

Mlle Alton a obtenu un congé de 12 mois sans salaire du 1er janvier 1921, et sa place a été prise par Mme Ida Love, qui a été payée au taux de $960 par année à partir du 1er janvier 1921. Je ne peux rien trouver pour approuver la nomination de Mme Love par la Commission du Service civil. Veuillez m'informer sur quelle autorisation vous vous êtes basé pour l'employer. Je suis d'avis qu'elle aurait dû recevoir le traitement minimum prescrit pour gouvernante, réserve des sauvages, du 1er janvier au 31 mars 1921 et selon l'échelle minimum pour une infirmière diplômée, si telle était sa qualification, après cette date, à moins que la commission n'autorisât des échelles

plus élevées comme étant les échelles prévalentes. J'aimerais à ce que vous m'expliquiez ce qui semble être des excédents de paiement à ces deux dames.

Je suis, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Au sous-surintendant général des Affaires indiennes.

DÉPARTEMENT DES AFFAIRES INDIENNES, OTTAWA, le 11 avril 1922.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 1er courant.

En ce qui concerne le paiement d'un traitement selon l'échelle de $960 par année à Mlle S. E. Alton pour l'exercice 1920-21, je dois dire que le 16 juin 1920, le sous-surintendant général approuva que Mlle Alton fût classifiée comme infirmière diplômée, au lieu de gouvernante, réserve des sauvages, vu qu'elle était diplômée du Fort Simpson Hospital, membre de la Graduate Nurses Association of British Columbia, et qu'elle accomplissait la besogne que seule, une infirmière diplômée pouvait faire, où, à part les sauvages, il y a aussi un pensionnat, et que le médecin le plus rapproché se trouve à une distance de 60 milles par eau. Mlle Alton a passé les meilleures années de sa vie parmi les sauvages de la côte et elle est très heureuse dans toutes les relations qu'elle a avec eux.

On regrette que rien n'a été fait au sujet de sa nouvelle classification, par suite d'une inadvertance jusqu'au 31 mars 1921, alors que la Commission du Service civil a été avertie, qu'après investigation, la classification de Mlle Alton comme gouvernante, réserve des sauvages, était une erreur, qu'elle était une infirmière diplômée, remplissant les fonctions d'une infirmière diplômée, et on demandait que l'erreur fût rectifiée et que sa classification fût changée en celle d'infirmière diplômée. On avait l'intention que cette classification remontât au 1er avril 1919, alors qu'est survenue l'erreur dans la classification. A cause de cela, et par suite des services excellents que Mlle Alton a rendus en tant qu'infirmière diplômée, et qu'elle ne retirait que le traitement d'une gouvernante, réserve des sauvages, je demanderais qu'on ne lui demande pas d'effectuer un remboursement.

En ce qui se rapporte au traitement payé à Mme Ida Love, qui a remplacé Mlle Alton pendant son congé d'un an sans traitement, je dois vous dire que les services de Mlle Alton ont été obtenus par l'entremise de la Women's Missionary Society de l'église méthodiste, et avant que son congé lui eût été accordé, le département a été averti que cette société avait une infirmière diplômée de l'hôpital de Winnipeg, demeurant à Vancouver, qui était désireuse de la remplacer pendant un an. Comme Kitamaat est isolé, que le service du courrier postal mensuel est irrégulier, et qu'il est difficile d'obtenir des infirmières diplômées pour y demeurer, le département s'est trouvé heureux de profiter de ses services, au même traitement que celui payé à Mle Alton, afin qu'il ne survînt pas d'interruption dans la besogne.

Le département entra en communication avec la secrétaire de la Women's Missionary Society précitée, le 26 janvier 1921, au sujet du paiement du traitement de Mme Love, et on l'avertit en réponse qu'elle avait déjà fait parvenir une remise couvrant le traitement d'un trimestre à Mme Love, croyant qu'il était plus sage de continuer comme anciennement, vu que les changements sont une source de confusion, ce qu'elle désirait éviter.

Les services de Mme Love comme infirmière diplômée, à Kitamaat, cessèrent le 31 décembre dernier. Si vous estimez la chose nécessaire, on priera la Commission du Service civil d'émettre un certificat temporaire couvrant la période pendant laquelle Mme Love a remplacé Mlle Alton.

Votre obéissant serviteur,

A l'auditeur général, Ottawa. J. D. McLEAN, *sous-surint. gén. supp.*

Emploi d'instituteurs sans l'autorisation de la Commission du Service civil

BUREAU DE L'AUDITEUR, OTTAWA, 7 juillet 1922.

MONSIEUR,—Dans le volume de la classification préparé par la Commission du Service civil, je trouve, à la page 748, la position "Instituteur (Ecole des Sauvages)" avec des appointements variant de $55 à $90 par mois. Je conclus de ceci que c'était l'intention de faire remplir les positions comprises sous ce titre par la commission à moins qu'elles ne soient exemptées en vertu des dispositions de l'article 38-B de la loi portant modification à la Loi du Service civil de 1918.

Je constate que le département des Affaires des Sauvages emploie des instituteurs, apparemment sans consulter la commission à ce sujet. Sur demande adressée au comptable de ce département relativement à ces nominations j'ai reçu la réponse suivante. "En réponse à votre demande de renseignements relativement à l'autorisation en vertu de laquelle ces instituteurs ont été nommés sans consulter la commission, je dois vous dire que je ne suis pas en mesure de vous renseigner à ce sujet."

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le secrétaire de la Commission du Service civil, Ottawa.

COMMISSION DU SERVICE CIVIL, OTTAWA, 12 juillet 1922.

CHER MONSIEUR,—En réponse à votre lettre du 7 courant, relativement à la position "Instituteur, Ecole des Sauvages", je vous ferai remarquer que la commission considère actuellement la possibilité d'exempter cette position de la Loi du Service civil.

Bien à vous,

C. H. BLAND, *secrétaire.*

WM. KEARNS, Auditeur général adjoint.

Toutes les recettes publiques, quelque soit leur provenance, doivent être versées au crédit du Receveur général

BUREAU DE L'AUDITEUR, OTTAWA, 1er décembre 1922.

MONSIEUR,—A ma demande de renseignements adressée à votre comptable, relativement à certaines transpositions faites par M. W. M. Graham de Regina du "Compte d'Entrepôt" au "Compte de l'Augmentation de Production", il a répondu que "lorsque de grandes quantités de vêtements, d'équipement, de fournitures d'hôpitaux, etc., ont été prises des ministères de la Milice et de la Défense et du Rétablissement des Soldats dans la vie civile, ces effets ont été emmagasinés dans notre Entrepôt de Regina et sont vendus aux sauvages et aux écoles, et tous les frais, y compris les salaires, etc., sont couverts à même le produit de ces ventes."

Je vous ferai remarquer que cette procédure n'est pas conforme à la Loi du Revenu Consolidé et de l'Audition. Bien que ces effets aient été transférés par d'autres départements au vôtre gratuitement, ils n'en sont pas moins des effets du gouvernement et vous êtes tenu de rendre compte de leur disposition de la même manière que vous le feriez pour les achats de surplus de matériel acquis par votre département. La création d'un fonds spécial administré par M. Graham ou tout autre fonctionnaire de

votre département n'est pas, à mon avis, autorisée par la loi, ni par aucun règlement adopté par le conseil de la Trésorerie à cet effet. Le produit réel de toutes ces ventes doit être déposé au Crédit du Receveur Général et tout déboursé encouru pour la garde ou la vente de ces effets doit être soldé de la manière ordinaire à même vos crédits.

Veuillez avoir la bonté de me faire parvenir un état détaillé des effets reçus par votre département avec toute estimation qui peut en avoir été faite; aussi le détail de toutes les ventes et les dépenses faites à date, avec pièces justificatives à l'appui. Tout argent actuellement entre les mains de M. Graham au sujet du "Compte d'Entrepôt" devra être déposé immédiatement au crédit du Receveur Général.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-surintendant général des Affaires indiennes.
